Dear Mrs. Stevenson:

Based on our discussion, enclosed is a print of the Department's plan sheet showing the location of the graves of James and Sarah Elkin. These graves were discovered during the construction of the above project. The Department contracted with Mr. James R. Baker of Great Falls to disinter and reinter the remains. On March 21, 1988 the remains were removed and reburied in the Little River Baptist Church Cemetery.

If any additional information is needed, please advise.

Yours very truly,
