MRS. MAMIE NORRIS TILLMAN, PRESIDENT
EDGEFIELD, S. C.

June 26, 1956.

My dear Cleora: Your letter and check
have been received and I am so happy
to enclose the bulletin for Meynel

For so long I have tried
to get her address but have failed
and I am so anxious to know
where I can write her. I am so
fond of her and have received
valuable data from her in the past.

Please send me
her address as soon as you can.

Do try to come to the
annual meeting of the Historical
Society on July 4th. Bring several

with you. I hope Etta Ross can
come. I want to know all of
my Norris kin. Meeting is at Legion Hut,
Edgefield, S.C.

Love,

Cousin Mammie

Dear Cleora,

Thank you for your nice letter, which I shall answer soon.

I am enclosing the dates we were talking about - You will have to copy and arrange this to suit you -

Did you know Jerome Feaster, lived in Miami & spent summers in Hendersonville, N.C., died some years ago in Hendersonville. His first wife was Mrs. Instead of writing you about this I am enclosing some literature which may interest you, and you may be able to give me some information on the subject. Just return it when you have read it - I wish I could copy it for you, but you may not care for it - I do not know anything about it, but am keeping it in case it should ever come up -

Do wish I could acquire a Mobley book - Glad you are bearing me in mind about this -

No, I am not an only daughter - My sister, Mary Emily, died with flu in 1918 -

It is sweet of you to offer to send me names, & dates taken from tombstones of the family "way back" -

Thank you for thinking of this -

I'll insert the word Great in front of grand as

you suggested. Thank you for this. I had thought there were more of Uncle John & Aunt Lou's children living. I had to know where Bess & Lula are.

At one time we had a group picture of Uncle John, Aunt Lou, and their entire family, but it has been lost or passed into the hands of some one else. Wonder if you have one? I always loved to look at it. All the family were so good looking.

I'll send you names, dates, etc of the Elizabeth Katherine Martin Mauldin family as soon as I can get it. Bess Mauldin lives in Charlotte now with her daughter.

When I started this I did not know I would have time to write a letter, but John came to lunch early and was in a hurry so I had a little more time than I had counted on.

Today is beautiful again, but cool. Weatherman predicts frost tonight. Do hope the peaches escape! They are so delicious.

Much love,

Cousin Annette
