Dear Mrs. Stevenson:

Many thanks for the material sent to me under your letter of September 21. When I look at this material and similar material sent to me by the Clan Ferguson Genealogist, Shirley Doran of Charleston, SC, I do believe that I am getting close to area where my ancestor, James Ferguson (1757-1816), was born. Just now I do not know when I will be able to schedule a visit - certainly not sooner than late October - but I feel it essential to come to Winnsboro. We shall advise you in advance as to just which Wednesday to expect us.

Again, your cooperation is most appreciated.

Cordially,

Herman W. Ferguson
