

## COMMITTEES

Committees are being lined up daily for the Red Cross Roll Call. The Window Committee, with O. M. Cobb, as chairman, has been very busy. All merchants have been contacted. Many windows will be decorated. One window will be judged the most attractive.

Every man and woman in the county will be contacted on November 11. Be ready to enlist. The Red Cross needs you and you need the Red Cross.

The Civic League has already taken an organization membership of \$5.00. Every organization in the county can and will take a \$5.00 membership. Who will be next? The Red Cross can go where you wish to go. All together—Let's Go!

## DRAYTON RUTHERFORD MEETING POSTPONED

## Lyles-Ford Project Given Three To One Chance

A dispatch from Washington last week stated that the Lyles-Ford Tri-county Authority development has a three to one chance of winning final approval. The press notice said that the project was awaiting an okeh from Secretary of Interior Ickes. No recent developments however, were available.

Meanwhile booster chairman W. R. Elliott gives the following statement as to the purpose of the project:

"It is not the purpose of the Lyles Ford Tri-County Authority to build this power development to pour money into the treasuries of the counties affected, but rather, to furnish power to the rural population of as many counties as possible, to industries already established, and to towns within the area. It is

there was much interest manifested in the discussion of a rest room for colored women. A committee was appointed. This committee will ask for quick action on account of the urgent need.

The Red Cross Roll Call was presented. The Civic League voted \$5 for the first organization membership in the 1938 Roll Call as a tribute to its president, Mrs. J. H. Summer, the Red Cross Roll Call chairman.

The most important action taken referred to the health of all citizens of Newberry. A committee was appointed to contact the City Council and other officers concerning an ordinance be passed relative to a Wasserman Test for Domestic Servants. This is a most progressive step. The Mothers' Club will cooperate with the league in this undertaking.

The Garden Club committee will plan the program for the meeting. Many gardens are needed in Newberry. Let us begin now. The sixty women present enjoyed the meeting and caught an inspiration to help make Newberry a bigger and better and safer town in which to live.

The 507 meeting of Presbytery met Tue 25th, at Little River church. Mr. J. V. Cla Smyrna church was highest honor within Presbytery to give moderator. Because scope of service he the church, particularly in which Little River church is located, Mr largest single donor of that church, and chairman of the building. The meeting was address by the retired Dr. W. P. Jacobs, Presbyterian college.

Items of special interest course of the session designation of Dr. H. W. clerk of the body for membership was transferred whose office was filled by Rev. W. S. Peckham; the popular meeting Missions, conducted Calcutt, Newberry; and D. Mack, L. McDonald on the Minister's Address. This Presbytery leads in number of Elders last summer.

Presbytery was invited Newberry next spring.

## IT COULD HAPPEN HERE!

Inasmuch as the air is literally filled with politics and rumors are rampant as to methods of vote-getting, we reproduce the following editorial culled from the columns of the Greenwood Index-Journal:

"The Index-Journal has been informed by more than one individual that efforts have been made in Greenwood county to influence or persuade, as the mildest possible word, WPA workers to vote for a certain candidate.

"It is also reported to The Index-Journal that the work is to be presented in proper form supported by affidavits to the Senate Campaign Expenditures Committee of which Senator Morris Sheppard is chairman for such action as the committee may feel is proper in the circumstances.

"Rumors of efforts to put pressure on WPA workers in other States have been heard about and read about but this is the first time the thing has blown up right in our faces, so to speak.

let for the power to be generated. Work now going forward from this angle, and the findings are proving encouraging.

Citizens of Newberry should not fail to lend their efforts toward the furtherance of the project. It is one of the biggest projects ever attempted in this community, and with the backing of the various service clubs and organizations and the citizens in general, together with the assistance of the other two counties, there is a good possibility of its realization. Let us work toward the one end of making the Lyles Ford Tri-County project a reality.

a beautiful 4 act play was put on at the scholl house last friday night entitled: "prince charming and the 2 dwarfs." miss jennie veeve played the part of prince charming. she looked a little bit too fat for it, but disregardless of that, it went over fine.

rev. will waite, our local pasture of rehober church, has returned back from his vacation at the sea-shore. he is badly sunburnt from his elbows down and at the rear of his hake from fishing. he had a good time except he was nearly et up by chiggers and muskeeters and sand flies. he says there is no place like home even if a preecher can't collect over half of his sallery.

the all-nite caff and the super-service filling station on main street have merged. bizness is so dull now that one man can handle the trade of both places. this situation is due to the fact that all of the farmers have spent their parrity checks for fords ansforth and they are now back on their own resources, walking, eating watter-millions and talking polliticks.

our citizenship is verry happy over the advance of the w. p. a. skedule. the present pay is more like a living wage. it will bring out more relief workers and slow down loafering to some extent. if another small raise is made in the near future, the poleesman mought resign and jine them. dr. hubbert green says he would be better off on w. p. a. relief than trying to relieve the suffering on creddick.

oint where they work together. You will find that each member will be happier and busier. Responsibilities will be shared, and recreation and leisure will be shared. The older members of the family will take pride in making things and doing things for the tiny tots, and the young people will have earned one of the chief laws of good citizenship—recognizing the rights of others.

### KIWANIS

The Newberry Kiwanis Club will hold its next regular meeting in conjunction with the Greenwood, Anderson and Clinton clubs in an inter-club meeting to be held at Greenwood on Friday night, October 28th, at the Oregon Hotel. Each of the clubs will have a part in the program, presenting a skit, stunt or some form of entertainment.

At the last meeting of the Kiwanis club, Kiwanian Strother C. Paysinger gave a very interesting talk on the Lyles-Ford Power Project. In his talk, Kiwanian Paysinger gave an insight into the tremendous amount of power which will be produced and the extensive area over which it will be distributed, stating also the expectations of the promoters as to the revenue expected to be earned and the relatively short time in which the project is estimated to pay for itself. After the debt is amortized, he explained, the revenue will accrue to the three counties which are promoting the project.

President James N. Beard appointed the past-presidents of the club as a committee to submit nominations at the next local meeting for the various offices of the club for 1939, at which time the election will be held.

The delegates of the club to the Carolinas Convention in Spartanburg, James N. Beard, A. J. Bowers, Gordon N. Clarkson, attended part

of the conclave, and were present on the occasion of the election of the District officers for the ensuing year.

The new lieutenant governor for the local division is C. Cooper Sanders, a member of the Greenwood Kiwanis Club. He succeeds Aug. W. Smith of Greenville.

Raleigh, North Carolina was selected as the convention city for the 1939 rally. Invitations were submitted by Winston-Salem and High Point, North Carolina.

Richard E. Thigpin of Charlotte, N. C., was elected District Governor, and the following were selected Lieutenant Governors for their divisions: 1—J. C. McDow, Asheville, N. C.; 2—Lynwood Hollowell, Gastonia, N. C.; 3—A. W. Casey, North Wilkesboro, N. C.; 4—T. B. Upchurch, Jr., Raeford, N. C.; 5—Jos. Hicks, Henderson, N. C.; 6—W. G. Robbins, Rocky Mount, N. C.; 7—W. J. Bunly, Greenville, N. C.; 8—O. D. Kelly, Darlington, S. C.; 9—C. Cooper Sanders, Greenwood, S. C.

Fred C. W. Parker, Kiwanis International Secretary, was present and commended the members in charge for the excellent manner in which the convention was carried on.

The Convention attendance cup was won by the Charleston, S. C. club, and the club attendance cup went to the Belmont, N. C. club.
