

Gadson performs in Jamaica

Congratulations to Minister Mylon A. Gadson and the Voices of Inspiration and Praise for completing a concert tour in Jamaica, W.I.

While on their musical crusade, Minister Gadson and V.I.P. bedazzled audiences with spectacular performances throughout the Caribbean.

The charismatic youth entourage, under the auspices of the energetic multi-talented director, have left signs and wonders trailing as they spread Christ's message through the increasingly popular medium of gospel music. The popular outreach ministry is centrally located in Winnsboro.
