

The following is the amount of money and clothing, together with a list of the names of the donors, which was originally contributed for the "Lancaster Invincibles," but that Company having been abundantly supplied with winter garments, they directed this donation to be given over to the "Blair Guards." All the money received by me has been expended in the purchase of flannel, linsey, homespun, socks, handkerchiefs, &c.

The cloth has been made into garments by the ladies and the whole forwarded to the said company in the care of Lieut. C. C. Welsh.
