MANY papers in this file. Among them was one from NANCY JANE WRIGHT who lived in the "State of Louisiana, County not shown. She was erroneously listed in the original bill of Complaint as NANCY PRICE, which she corrected. She also stated that her brother JOHN GLADDEN died previous to the death of her father, unmarried and intestate.

A paper in the file from MARY JANE WALLACE of LEEK COUNTY MISSISSIPPI states that she is a daughter of MRS. KEZIAH (GLADDEN) HALL and that she was omitted from the list of Mrs. HALL'S children.

I took the liberty of correcting both the errors in my transcript of this Bill of Complaint....LKC
