After the suppression of [the] rebellion [of the partisans of Prince Charles Edward, "the Young Pretender,"] the participators in it were punished with vindictive severity. Great numbers were put to death, and multitudes transported. The Scottish prisoners were taken to England for trial, lest their own countrymen should be disposed to deal with them too leniently; and at one time there were no less than three hundred and eighty-five crowded in Carlisle jail. Of these the rank and file were permitted to cast lots, one man out of every twenty to be tried and hanged, and the rest to be transported. One ship-load of the latter were sent to Maryland. They came by the ship *Johnson*, of Liverpool, William Pemberton, master, and arrived at the port of Oxford, on July 20, 1747.

↙ A list of persons who imported themselves, or were imported as servants by others, and who afterwards proved their importation in order to obtain their "head rights" to land in the colony. The date shows the year in which proof of importation was made and recorded. This list was kindly furnished by Mr. Philip H. Fry, for many years clerk of the County and Circuit Courts.

Port Lerwick [Shetland Islands]

Report of the Examination of the Emigrants from the Counties of Caithness and Sutherland on board the Ship Bachelor of Leith bound to Wilmington in North Carolina.

William Gordon saith that he is aged sixty and upwards, by Trade a Farmer, married, hath six children, who Emigrate with him, with the Wives and Children of his two sons John & Alexander Gordon. Resided last at Wymore in the Parish of Clyne in the County of Sutherland, upon Lands belonging to William Baillie of Rosehall. That having two sons already settled in Carolina, who wrote him encouraging him to come there, and finding the Rents of Lands raised in so much that a Possession for which his Grandfather paid only Eight Merks Scots he himself at last paid Sixty, he was induced to emigrate for the greater benefit of his children being himself and Old Man and lame so that it was indifferent to him in what Country he died. That his Circumstances were greatly reduced not only by the rise of Rents but by the loss of Cattle, particularly in the severe Winter 1771. That the lands on which he lived have often changed Masters, and that the Rents have been raised on every Change; and when M^r Baillie bought them they were farmed with the rest of his purchase to one Tacksman [a middleman who leased large areas and sublet small farms] at a very high Rent, who must also have his profits out of them. All these things concurring induced him to leave his own country in hopes that his Children would earn their Bread more comfortably elsewhere. That one of his sons is a Weaver and another a Shoe Maker, and he hopes they may get bread for themselves and be a help to support him.

William McKay, aged Thirty, by Trade a Farmer, married, hath three children from Eight to two years Old, besides one dead since he left his own country, resided last at _____ in the Parish of Farr in the County of Strathnaver upon the Estate of the Countess of Sutherland. Intends to go to Wilmington in North Carolina, because his stock being small, Crops failing, and bread excessively dear, and the price of Cattle low, he found he could not have bread for his Family at home, and was encouraged to emigrate by the Accounts received from his Countrymen who had gone to America before him, assuring him that he might procure a Comfortable Subsistence in that country. That the land he possessed was a Wadset of the Family of Sutherland to M^r Charles Gordon of Skelpick, lying in the height of the country of Strathnaver, the Rents were not raised.

W^m. Sutherland, aged Forty, a Farmer, married, hath five children from 19 to 9 years old, lived last at Strathalidale in the Parish of Rea, in the County of Caithness, upon the Estate of the late Colonel McKay of Bighouse; Intends to go to North Carolina; left his own country because the Rents were raised, as Soldiers returning upon the peace with a little money had offered higher Rents; and longer Fines or Grassums [a premium paid to a feudal superior on entering upon the holding], besides the Services were oppressive in the highest degree. That from his farm which paid 60 Merks

America that the high price of labour and cheapness of Provisions would enable him to support himself in that Country.

Alex. Sinclair, Aged 36, Married, hath 3 children from 18 to 2 years Old, a Farmer last at Dollochcagy in the Parish of Rae and County of Caithness, upon the Estate of Sir John Sinclair of Murkle. Left his own Country and goes to Carolina, because the Tacksman of S^r John Sinclair's Estate, demanded an advanced Rent and Arbitrary Services, which in the present Distresses of the Country could not be complied with without ruin. That he is encouraged by his Friends in America to hope to better his Circumstances there.

George Grant, Aged twenty, Married, a Farmer last at Aschog in the Parish of Kildonan in the County of Sutherland on the Estate of _____ Intends to go to North Carolina, because Crops failed so that he was obliged to buy four months Provisions in a year, and at the same time the price of Cattle was reduced more than One half. That his Brothers in Law, already in America have assured him that from the Cheapness of Provisions, and the high price of labour, he may better his Circumstances in that Country.

William Bain, Aged 37, a Widower, by Trade a Shopkeeper, resided last in Wick in the County of Caithness. Intends to go to Carolina. Left his own Country because he could not get bread in his Employment, the Poverty of the Common People with whom he dealt disabling them to pay their debts. Hopes to better his Condition in America, but in what business he cannot determine till he comes there.

George Morgan, Aged 37, Married, hath two children. One 7 the other One year Old, a Farmer last at Chabster in the Parish of Rae, and County of Caithness, upon lands belonging to M^r. Alex^r. Nicolson Minister at Thurso. Goes to Carolina leaving his country for the same reasons and upon the same Motives assigned by John Catanoch, who was his Neighbour. See Pages 3^d & 4th of this Report.

Will^m Monro, Aged thirty four, Married, Emigrates with his Wife, a servant maid, and a servant boy, by Trade a Shoemaker, resided last at Borgymore in the Parish of Tongue, and County of Sutherland. Left his own Country as his Employment was little and he had no hopes of bettering his Circumstances in it, which he expects to do in America.

Patrick Ross, Aged thirty five Unmarried, lately Schoolmaster in the Parish of Farr, in the County of Sutherland. Goes to America on the Assurance of some of his Friends already in that Country of procuring a more profitable School for him.

Alex^r. Morison, Aged Sixty, Married, hath One Son and a Servant Maid, who emigrate with him; resided last at Kinside in the Parish of Tongue and County of Sutherland, on the Estate of Sutherland, by Occupation a Farmer. Left his Country as the Rents of his Possession were near doubled, the price of Cattle low, and little being raised in that Country, what they bought was excessive dear, beside the Tenans were in various ways opprest by Lord Raes Factors; and by the Reports from America he is in hopes of bettering his Circumstances in that Country.
