As President of Tellers, Family and Community Leaders it is my honor to nominate Frances Stephenson, Director of the Senior Companion Program of Chester County for South Carolina Mother of the Year.

Since 1999, Frances and I have been members of Top of the Hill Writer's Guild. She was elected President of the Top of the Hill Writer's Guild, and we published a book, Writings by Chester's Senior Citizens, which sold, like Hot Cakes at the first Hillarity in Chester. We participated in The Flowers, Flowers Festival each year. (Pictures are attached).

I am blessed to have Frances as a friend. She always goes the extra-mile. We now serve together as business-partners in The Chester Senior Companion Program. As Public Relations Chairman and Board Member of the Chester County Senior Services, Inc.

I commend her for her faithful service. If chosen to serve as South Carolina Mother of the Year, Frances Stephenson will "Stand Tall" for South Carolina.

Sincerely,

Mary Ellen Hall
