Wedding Celebration

The Hall Family 1858

This picture shows only five of the 11 sons of Manvel Hall born in Gladden's Grove. Manvel and his wife Delpkia Porter Hall had 11 sons & 4 daughters. The other have moved when this photograph was made. In the center is James Madison Hall, to his right is Franklin Hall, in front of him & to his right is John Hall, to his left is Joseph H. Hall, on the porch next to column with left hand on plant stand is Dr-Laban Hall & in front of him is Reuben. 11-11

All these Brothers are pictures
with their wives and only some
of the children. Not enough room
for all the Hall children that
were at this event. This was a
wedding picture. Bride was the wife
of Franklin Hall. She is in
white on the porch. These people
were in the wedding, is why they are
the only people pictured. Hall
family came to Fairfield in 1768
from Fairfax, Virginia.
