Palmetto Leadership Participants met September ninth 2007!

The group met at State Park in Chester South Carolina.

Professor Marsha Griffin of Myrtle Beach SC of Marsha

Griffin Associates directed the training program.

One request that she made of the participants was to

I went to the Chester County Library and found my  
family listed in Colvin and Allied Families Book.

of Edward Lee Stevenson (my grandfather)

My great grandmother, Mary Ellen Pope's mother was Mary  
Ann Colvin. My Uncle Marion Stevenson married Mildred  
Durham Fant. Uncle Marion took care of the Colvin Farm.

now The Colvin Inn in Halseville Community of Chester

Ida Bertha Weir lived in Hallseville and the families  
still live on their farms. His Uncles were: Leonard,  
Leslie, (father of Lavinia Weir McDonald) Lowery and
