29-343      James Wilson

Thomas F. Harrison appt guardian over John C. Wilson, minor  
and orphan child of James Wilson, decd      filed 18 Dec 1868

The petition of Thomas F. Harrison states that John C. Wilson, an infant of eleven years of age and is the nephew and stepson (???) of the petitioner, is entitled to a distributive share of the estate of James Wilson, his deceased father, now in the hands of David H. Wilson who administered said estate and within the jurisdiction of this court. That said minor has neither father or mother living and has no person authorized in law to take charge of and manage his estate.

Final accounting filed by Thomas F. Harrison to probate judge on 1 Jan 1880 states ward has charge of the land. Note says ward was of age at the beginning of 1879.
