

Information Update for the Murder of Janie Harrison – July 2013

According to recent updates Janie Harrison mothered 10 children before her death at age 36. Five were fathered by Robert Boulware of Fairfield County, and five were fathered by a Caucasian from Newberry. Several arguments ensued between the two men. These arguments ranged from which man fathered the prettier children, to which man had a right to marry Jannie. According to our reference Jannie held no interest in marrying either man. We are still searching for distinct information as to why Robert murdered Jannie however; he was sentenced to life imprisonment.
