William Kennedy A William Kennedy is listed as an appraiser of Henry's estate, i.e., NOT a Hartin, but McCauley has some confirming data that there is one.

Henry Hartin Jr.

John Hartin

These names are from the Henry Hartin estate sale May 14, 1805. This means they were of age by 1805; assuming 18 years, the youngest would have been born in 1787! This would seem to make McCauley's date of Mary c. 1782 suspect.

The order of birth, birth dates and children are from Shelia McCauley's research which does not show a John Hartin.
