Mrs. Stevenson

Here is a copy of the two pictures we took while we were in Louisiana.

We were touring Homer, Claiborne Parish, Louisiana and while we were there we visited a historical cemetery.

These two headstones caught my eye so we took pictures.

I hope they will be useful to you in completing some of your work on these families. I know nothing of the two names but being interested in Family History myself I felt this information needed to be included in your records.

Thanks again,
