

Descendants of James Henry Sr.

It has been 10 years since our first major reunion. I am certain our family tree has been blessed with much fruit! We need to update all of the new members!

I hope your individual families have continued to stay in touch. My brothers and I plan an annual gathering alternating East Coast (Winston-Salem) and West Coast (Stockton, Ca.)

We are having the East Coast gathering this Spring and some of our Henry cousins will join us. I've enclosed a flyer in case you would like to come as well.

Big and Important News!!

THE VIRGINIA HERITAGE FOUNDATION HAS FUNDED RESEARCH TO DOCUMENT THE DESCENDANTS OF FORMER VIRGINIA SLAVES... OUR FOREFATHER **JAMES HENRY, SR.** HAS BEEN IDENTIFIED AS BEING PART OF THE GROUP.

OUR FAMILY, ALONG WITH DESCENDENTS OF OTHER VIRGINIA SLAVES, WILL BE CELEBRATED IN 2007 AT AN EVENT IN VIRGINIA.

I have been contacted by the principal researcher for the project, Dr. James Rose, and I've agreed to assist in documenting the current generations, us.

I need your help and assistance.

My vision is for hundreds of us, descendants of James Henry, Sr., to travel to Virginia for a grand celebration of our family.

- I need to collect information about what our fathers, mothers, sisters, brothers, aunts, uncles and children have done with their lives. Yes, chronicle our family history since slavery. This will be written and oral (where possible i.e. family gatherings over the next year).*

What an awesome job. But with your help, it can be done!

- Perhaps each family branch/unit can appoint a family historian who could gather information about your family and send it to me.*
- I will also need the mailing and e-mail addresses of all the adult members of your family, so they can receive information about the project direct.*

Our 1995 family tree document was a great start but we need to list the newer family members as well as include birth/death years. When I hear from you, I'll send you the information I have about your branch.

Spread the word about this awesome project!! Prepare now for Virginia, 2007!!

My contact information is below. I've also included the names and addresses that I had from 1995. Please send me corrected addresses and additions. To keep expenses down, I plan to use email as much as possible.

Always,
