Re: Hicklin Genealogy

I made a couple of more trips to
nine (9) different cemeteries. I was
looking for both Hicklins & Douglas(s).

Enclosed are info & pictures from two(2)

of those cemeteries. They are from the

families of the fifth (5) child of Dr.

James Cloud Hicklin & his wife Sarah

Rebekah (Douglas) Hicklin. She was Frances

Elizabeth (Hicklin) Miller, her husband Joseph

William Berry Miller and most of their

children, their wives & husbands & some children

Cemetery notes and/or description:
When making a request for this cemetery, and you have a location for the grave, please include a minimum of the following information for the location: plat and division are most important; section, row and grave are helpful in certain plats and divisions, not so much in others. The cemetery is laid out well, and if you have a map, you can find a site easily when knowing the location.

Anything located in Plat F, Divisions 1 through 3 stand a good chance of not having a headstone, as this was the "Pauper's Section".

Also, if you have a request, you need to make an appointment with the office if doing genealogical research (which they consider photographing stones), so any request may take a while to complete.
