The records below, were not in the Bible,
which she later gave to me - I gave it back
to her daughter Caroline Brice, in the early 1970's
Sara Hall Arnette (Brattons
sister) gave these Bible
records to me - I insisted
that she keep and give
to some of her children etc.
She said no, that I was
deeply interested in "family
history" and she knew I
would take care of them
and they would be safe
in my hands - She did
this in 1961 - D. Hall.
