Note: Reference to the previous entry. This chart was constructed based upon the interpretation of this 1634 Visitation Record. It is very difficult to follow. The children are not necessarily placed in a chronological order and there is other information, other than the Visitation Record listed (i.e. previous data) other than this drawn chart, which was copied exactly as the original. As a result, a Family Group Sheet will be found at the end of this chart.

#### OTHER WOODWARD DATA.

There was an Elizabeth Woodward, said to have been born ca. 1794 in Virginia, married Giles Bowers. They went to Wilson County, Tennessee where Bowers died in 1819. Hezekial (sic) Woodward was administrator of estate. The relationship of Hezekial (sic) Woodward is unknown.

Apparently Elizabeth Woodward and Giles Bowers had children because her 2nd husband, George Washington Martin, was made their guardian. The Martins had 3 children. Only one listed \*was Sally Martin; m. Ila? E. Douglas.

Would like to know parents of Elizabeth Woodward.
