Now, Reference to your letter dated 31 May 1995: (This is a  
letter from Chuck R. Martin)

On page 6, you say that three of Michael Dumford's 1/ (first  
generation) grandchildren lived until the 1880 census, one  
(3rd generation) a son of Daniel Dumford 2/, and the other  
two were sons (3/ third generation) of a daughter of Solomon  
Dumford 2/. Solomon's 2/ son stated his father was born in  
S.C. too. I presently have listed the following and I am  
open for suggestions from you:

Michael Dumford 1/  
Born ca. 1735  
Married (Estimated) ca. 1758-59  
Died: Between 4th Nov. 1791 (date of will) and Jan of 1792 in  
Clark County, Ky.

Wife: Sevilla --?) she born in MD. ca. 1740?  
died about May of 1795 or 1796, probably Clark County, Ky.

children:

2. Susannah Dumford 2/, born ca. 1762 (suspect N.C.)  
married ca. 1788 John Hainline in Ky.?? Had two  
daughters by Leonard Hill. THIS IS A CHANGE!
3. Rebecca Dumford 2/, born ca. 1764 (suspect N.C.),  
married 1st Charles Hunter; 2nd to Daniel Burch on 21  
April 1795 (in Ky.?), she died after 1803.
4. Hannah Dumford 2/, born ca. 1765, (suspect N.C.) married  
ca. 1784 to George Haley, (In Va. which became Ky. as  
of 1st June 1792) I suspect S.C. She died between 1830-  
1850 in Tazewell, Illinois.
5. Daniel Dumford 2/, born ca. 1766 (Suspect N.C.). The  
1880 census data of a son states Daniel's birth was in  
S.C.. He married on 13th January 1787 in Madison  
County, Va. (Ky. as of June 1st 1792) to Sarah Horn.  
He died in 1819 in Clermont, Ohio.
6. Solomon Dumford 2/, born ca. 1768 (I suspect N.C.) The  
1880 census data by his son says Solomon's birth was in  
S.C. He married 1st unknown, 2nd Susannah Kent on 12th  
January 1797 in Madison County, Ky.
7. Elizabeth Dumford 2/, born ca. 1770 (I suspect N.C.)

She is thought to have married ca. 1787 in S.C. to Leonard Hill. She is thought to have been the same Elizabeth Hill that signed a deed with Leonard Hill when they sold land to a Thomas Hill in Fairfield Co., S.C. on 26th May 1788 before they moved into Clark County, Ky. She probably died in Clark County, Ky. after 4th November 1791 (date of her father's will in which she was named) but before 1825 when Leonard Hill wrote his will and she was not named.

8. Rachel Dumford 2/, born 1775 in N.C. married Jesse Hodges in Ky. on 27th April 1826, died after 1850 census in Ky. (Had three children by Leonard Hill, John, Moses and Sarah Hill.. Ref: Leonard Hill's will)
