

Dear Mr. Hill:

Thank you for sending me the most informative Hill information. The book I copied from seems to have many errors. I will not send it to anyone else.

I don't research Hills for my husband's family or mine. I have been appointed to answer queries by our Alexander Co. Genealogical Society and to do Alexander Co., Lincoln Co., Lenoir Co. and Wikes Co. N.C. research for anyone who needs help. I have a fairly decent Home Library of N.C., Va., TN. and Maryland and have abstracted most of Alexander Co. Court House records for my own use.

I plan to make a copy of your information to send Bill Allen of Raleigh. He & I have exchanged Allen and related families since the 1970's. He researches The Northampton Co. N.C. Hills. His mother was a Hill. Some of what I sent you came from Bill. Am sure he will be delighted to get your information.

I am enclosing a query from

"The Alexander Co. Journal" - March 1997
Vol. 3 - No. 1. You may already
Correspond with Bryon Hill. He
has placed queries in several quarterly
publications that I get. Since both
of you are looking in N.C., + S.C. maybe
both have found something to help
the other one.

Thank you for writing.

Sincerely
Sara B. Allen
