Dear C.K.,

Very shortly (within the hour) of mailing to you the information found among my notes (believe it was LDS Church Data) I found a page (marked page 4) of the (I think) work of James Seward of Tullahoma, Tenn. I believe Ralph H. Willis had sent it to me a year or so ago. Apparently it has gotten separated from the rest of the data, thus I have no idea who the father of Terry Hill was but I am pretty sure that he ties into the Sion Hill Family of Virginia or N.C. I am sure now that we will find all of this out IF THE FOLLOWING IS YOUR HENRY HILL?

The pitiful part is that we have no birth dates etc...but using the dates of the father Terry Hill, a birth for his son Henry Hill ca. 1822-24 looks real good to me. I do believe this is your Henry Hill that you have been looking for.

Terry Hill, 1802-1850 married Jane Sharpe children were:

1. Sanford Hill (Semp) married Rebecca Davis.
2. Parley Hill m. John Brantley.
3. Tinney Hill m. Joseph Brantley.
4. Oliver Hill m. ?? 2nd m. to Martha Jane Williamson.
5. Malinda Hill never married.
6. Elizabeth Hill m. John B. Weaver.
7. William Hill m. Catherine Witt.
8. Ferrin Hill m. Elizabeth Snodderly.
9. HENRY HILL m. Elizabeth Hardin.
10. Manon Hill m. 1st Lucy Whitt, 2nd Melcina Oakes.
11. Union Hill m. Sarah Martin.

I don't think the above are I listed in order of birth because Ferrin Hill is listed as (1841-1931) with 9 children.

An estimated birth for Henry Hill of 1822-23 looks real good for the above.

I suspect this is your Henry Hill and the name of Hardin Hill (son of Henry) was after the maiden name of his mother Elizabeth Hardin.

Let me know what you think.

Robert Hill
