INTRODUCTION

A lot of people consider that William Hill, who came from England to Boston Harbor on the ship "William & Francis" to be the progenitor of the Hill Family in America. He archived many distinctions in Massachusetts, and later in Connecticut, where he removed in 1644. He apparently died ca. 1649, for the records that have survived of that time, refers to his wife Sarah as a widow.

His six children, five of whom were sons, probably accounts for the fact that branches of the Hill Family are so numerous. Today, branches of the Hill family can be found in every state in the Union, and they are well represented in the arts, sciences, and other professions (medicine, law etc..) as well as the world of commerce.

It must be pointed out that someone doing this research has completely ignored the Southern states in the above research because in just (alone) Virginia Court records shows that MARMADUKE HILL came to Virginia in 1611, some 21 years before the above William Hill landed in Boston. A JOHN HILL came to Virginia in 1620. EDMUND HILL, THOMAS HILL, WILLIAM HILL and ISMAIL HILL... all arrived in Virginia in 1623. COL NICHOLAS HILL ARRIVED IN VA. ON 25TH NOVEMBER 1637.

Another JOHN HILL came to Virginia in 1635 as well as two ROBERT HILLS (1635) and (1642) and a WILLIAM HILL.

One JOHN HILL, who came to Virginia, is said to be the son of Stephen Hill of Oxford and was by trade a book binder.

According to the best records (??) NICHOLAS & SILVESTRA HILL received land grants in the upper Parish on the James River in Isle of Wight County Virginia. Their daughter MARTHA HILL, married ca. 1672 to John Best III., who was born 1652 and died ca. 1694. NICHOLAS had two brothers, JOHN HILL SR., of Norfolk County Virginia & THOMAS HILL, who probably lived in either James City County or York County.

(NOTE: This is the same Hill Family that was connected to the Woodlee Genealogy).

Colonial Records of Hills in Virginia as well as a D.A.R. line, shows that THOMAS HILL 1/ (b. 1612) of England, came to Virginia in 1620. He later married Mary Piersey (born in 1630?-died 1670). They lived in York County, Virginia. Thomas Hill served in the House of Burgess in 1641. "Captain" Thomas Hill also served in the York County Militia. He was the owner of large tracts of land.

THOMAS HILL 2/ son of THOMAS 1/, is said to have been born in 1634 but either this is wrong or the birth of his mother is wrong. He died 1669 and married in 1657 to Frances -----?

THOMAS HILL 3/ son of THOMAS 2/, (THOMAS 1/) was born 1658 and died 1720, married in 1677 to Ann Russell, who was born 1660.

THOMAS HILL 4/ son of THOMAS 3/, (THOMAS 2/, THOMAS 1/) was born ca. 1680 and died 1720, married Edith Bell.
(The above were one family)

JOHN HILL, born 1700, married in 1753 to Elizabeth Johnson.

ROBERT HILL, was born 1758 and died 1822, married Rebecca Caldwell (b. 1765-1843).

Now it is known that one William Hill was born in 1713 in Virginia, and was the son of Captain Isaac Hill and Margaret Jennings. He was the progenitor of the Hills of Carteret, Onslow, Duplin Counties in N.C. and of some Hills in Brunswick County, Va.

Captain Isaac Hill of Virginia was the son of a ROBERT HILL, who came to Virginia in 1635 and settled in Culpeper County, Virginia. (Ref: Christ Church Register, Middlesex County Virginia). Note: No page number was given.

Bertie County N.C. Records indicate that RICHARD HILL, ROGER HILL & FRANCIS HILL were living in that precinct in 1718. It is strongly suspected that all of these 3 men came directly from England into North Carolina. (Later research proved this to be wrong).

Craven County N.C. records indicate one Richard Hill was a tanner, according to DEED BOOK II, page 619. The same reference indicates that Roger Hill and John Richard Hill settled on South River in Craven Precinct in 1710. That same year, Frances Hill settled on Adams Creek (see Land Grant Book II, pages 356 and 362).

In 1723, John Hill, Francis Hill and Richard Hill were selected jurymen in Bertie precinct, of N.C.. Note: Bertie Co., MC created in 1722 from Chowan Co., NC).

On the 17th of February 1728, Richard Hill made his will in Craven precinct, naming his daughter Ann Jones, son in law Evan Jones, grand daughter Elizabeth Hill and brother Francis Hill. (Craven County Court Minutes).

In 1729, Thomas Spivey made his will and named the following: William Hill son-in-law, Mary Spivey and two grand daughters Mary & Susanna Hill. This will was recorded in Bertie precinct of N.C.

Nathaniel Hill, son of Captain Isaac Hill of Virginia, lived in Bertie precinct also.

Note by Robert Hill: I have doubts that this Nathaniel Hill was a son of Captain Isaac Hill, of Virginia, but was a son of another Isaac Hill, who died ca. 1710 in Bertie County and who probably came from Nansemond County, Virginia.

A Nathaniel Hill was known to be a Justice of Peace in the County of Duplin, N.C. in 1750. (N.C. Records, Vol. 4 Page 1039).

Records in Craven County N.C. (DEED BOOK 2, Page 409) shows a deed dated 12 March 1743/44 from Matthew Cupper (Cooper?) of Craven, to ROBERT HILL, County of Barte (Bertie), yeoman in Province of North Carolina for 30 pounds, 150 acres in Craven County on the north side of the Neuse River, on the south side of Great Contentnea Creek, being land on which Matthew Allen now lives, being the upper half of said Allen's survey of 300 acres.
