

NC.069 FAMILY GROUP SHEET FOR ROBERT HILL 3/ FAMILY.

Researched & Entered in April of 1996 by Robert R. Hill of Brandon, Fl.:

Below I have come up with a possibility, based on marriage information. It is based on the father, Robert Hill 3/, being born in 1680 & wife Tabitha as born between 1685 and 1689 & their marriage in 1705:

ages at time of birth for:	father's age	mother's age
Sion Hill 4/, born ca. 1707	27	18-22
Green Hill 4/, born ca. 1709	29	20-24
Abner Hill 4/, born ca. 1713	32	24-28
Thomas Hill 4/, born ca. 1715	35	26-30
Ann Hill 4/, born ca. 1718 m. 1734	38	29-33
Mary Hill 4/, born ca. 1721	41	32-36
Tabitha Hill 4/, born ca. 1724 m. 1747	44	**** 35-39
Larana Hill 4/, born ca. 1726 m. 1747	46	37-41
Agnes Hill 4/, b. ca. 1729 m. 1745/47	49	***** 40-44
Agnes Hill 4/ d. in Chatham Co., NC in 1802		
William Hill 4/, born ca. 1731	51	42-46
Milbry Hill 4/, born ca. 1733	53	44-48

**** Tabitha Hill 4/.. this may have been the first of two marriages to a Mr. Colfield, the to David Chapman. I am inclined to think she was a daughter of either Sion Hill 4/ or his brother, Hreen Hill 4/.

We have nothing on Sion 4/ & Green 4/, just 2 deeds between each other. They were both in Edgecombe Co., NC BUT moved into land right next to their father, Robert Hill 3/ in early 1760's. Sion Hill 4/ purchased the land, then sold it to brother Green Hill 4/. I suspect that by this time, c. 1763) the father, Robert Hill 3/, who was about 83 years old, was in such physical & mental condition, that Sion 4./ moved in with him and then sold his own land to brother, Green Hill 4/.

I think one of them married a Mary Williams, the dau. of Wilson Williams, who signed the will of Robert Hill 3/.. (not proved).
