a list of Abstracted deeds, land patents, will etc..are
listed.

Henry Walker in 1677 patented 2960 acres in Stafford County on Yeonssocomico River, (and on) 14 May 1678 he sold to John Wood, of Charles County, Maryland. Patented granted by Herbert Jefferys Esq., who had no power to do so. Wood's grant renewed. Adjacent Henry Walker, THOMAS BAXTER, Thomas Gregg, Major Andrew Gibson. 13 March 1695/96.

N.N. Grant Book 3, Page 6,

THOMAS BAXTER, son of THOMAS BAXTER, deceased, of Stafford County, 14 October 1695, as heir to his father's (estate) held 2000 acres on Ockaquan in said county. Warrant for Capt. George Brent, agent. WALTER GRIFFIN, who married the mother of THOMAS (BAXTER), then in his minority, had survey made 16 October following (1695) by Theoduch Bland, Surveyor, showed only 1907 acres. Deed to THOMAS BAXTER for 1907 acres on Ockaquan in Stafford County, adjacent Dogues (Dogs) Island, Bushroad's line, Wilkeses Creek or Jonathan's Run Creek. 14th December 1703.

Note: From the above deed, it appears that when Thomas Baxter Sr. died in 1695, his son, Thomas Baxter Jr. was still under age (or a minor) and thus WALTER GRIFFIN, who was his step-father, had a survey made of the land that Thomas Baxter Jr. had inherited from his father. It was found that instead of 2000 acres, it contained only 1907 acres. On the 14th of December 1703, it appears that a deed was made out to THOMAS BAXTER JR. for the 1907 acres, indicating that he had reached the age of 21 years and now considered to be an adult. This would indicate that the birth of THOMAS BAXTER JR. was ca. 1682.

Was Thomas Baxter Sr. born in Virginia and if not, when did he arrive in Prince William County, Virginia? Mrs. Jean Holley Day (professional genealogist) states that she can find no record of any other Baxters in Prince William County prior to a John and James Baxter appearing in the records of the 1740s.

The fact that Thomas Baxter Sr. married Mary Simpson, who remarried Walter Griffin, is verified by the following:

(PRINCE WILLIAM COUNTY DEED BOOK ???) Page 50, The Estate of THOMAS BAXTER (SR.)...(notes payments made of certain fees and balance due the children)...The amount (12765) being

costed and proved in open court by WALTER GRIFFIN at marrying the widow of the above said THOMAS BAXTER. (Note: This is Thomas Baxter Sr. His widow was Mary Simpson Baxter, who remarried Walter Griffin). (1740?).

Research on this family shows that Thomas Baxter Sr. and wife Mary Simpson Baxter had a son named Thomas Baxter Jr. SEE FOLLOWING DEED....

PRINCE WILLIAM COUNTY, VIRGINIA DEED BOOK E, Pages 48, 49, dated 25th August 1740.

JOHN BAXTER and Margaret, his wife, to Catsby Cocke. JOHN BAXTER did by his deed of release bearing date 22 March 1737 sell to Catsby Cocke....300 acres, part of 650 acres whereon the said JOHN BAXTER now lives, which said 650 acres is part of a tract containing 2000 acres, formerly granted to one SIMON THOMAS and by him sold and conveyed to THOMAS BAXTER and descended to his son and heir THOMAS BAXTER (JR.) and descended from him after his decease to his son and heir the aforesaid JOHN BAXTER, which 300 acres is bounded as follows.....etc etc...

MARGARET BAXTER

Witnesses: Richard Osborn, Jno, Bowie Awbrey
Note: 2 tracts of land sold in same deed300 acres and 56 acres, both to Catsby Cocke.

Comments by R. Hill: Now this deed clearly shows Thomas Baxter Sr's wife was named Mary (Simpson). Thomas Baxter Sr. died, leaving land to his son and heir Thomas Baxter Jr. When Thomas Baxter Jr. died, the land was left to his son and heir John Baxter. Additional evidence of events is found in the next deed:

John Wheeler of Stafford County, 171 acres in Stafford County on N branch of Pohick, adjacent WALTER GRIFFIN, THOMAS SIMPSON (and) line of Fitzhugh. February 1729,

Note: John Wheeler and John Woodward witnessed (2) deeds for Dennis McCarty in Deed Book A, Pages 192 and 197. (SEE BELOW). John Woodward is very strongly believed to have been the 1st husband of Mary Simpson, daughter of Thomas Simpson and Elizabeth (Libby) Baxter. John Woodward & Mary Simpson were the parents to Thomas Woodward (b. ca. 1729), who later moved to S.C. and was one of the leaders of the Regulator movement in the early and mid 1760s. He was a Captain in the Rangers during the Revolution in S.C. and was killed on 12th May 1779 in what is today's Fairfield County, S.C. He (Thomas "The Regulator" Woodward) was also my 5th great grandfather.
