

R.075 RESEARCH INFORMATION ON THE CHAPMAN FAMILY OF N.C.
AND GEORGIA.

Entered in July of 1994 by Robert R. Hill of Brandon, Fla.

Source of information: Data provided to me by Mrs/ Rhoda Taylor Fone from the "Fuqua Family Foundation."

Note by Robert Hill:

The bold print information originated from the "Fuqua Family Foundation," P. O. Box 260068, Littleton, Colorado, 80126-0068. The other printed data (normal print) originated from my own Research Document entitled R.58 and sent previously to selected Chapman researchers.

I am unable to substantiate if the information from the Fuqua Foundation is correct or not, but some of it is questionable.

This appears to be an entirely different Chapman family from that of a William Chapman Sr. from Fairfield County, S.C., who's family had close ties and inter married with the Mobley family. Some members of this family moved into Walton County and Jones County of Georgia.
