FRANKLIN COUNTY, N.C. DEED AND GRANT BOOK 1, PAGE 95

27th June 1779
Benjamin Seawell of Franklin County, N.C. sold to Doctor
Collier of Mecklenburg County, VA. 100 acres of land lying in
Franklin County, N.C.

Signed/ Benjamin Seawell

Wits:

Eli Eley

Nancy Seawell

Note: The above establishes that a Doctor Collier was in
Brunswick County ???? Va. buying land as early as 1771 which
means he was of legal age at that time (21 yrs old). This
means he would have had to be born at least as early as 1750.

Added Note: I think Brunswick County should have been
Mecklenburg County, Va.

The Doctor Collier who was listed in a tax list as paying
taxes on 100 acres of land in Franklin County, N.C. in 1804
paid poll tax in 1805 and 1806. In 1810 and 1812 he paid
taxes on 100 acres but did not pay poll tax. This could
indicate he had reached an age where he was exempted from
paying poll taxes. If this age was 60 years old, this would
have put his birth date between 1745/1750.

In the November Court 1815 in Granville County, N.C. we find
Thomas Collier was appointed administrator of the estate of
Doc. W. Collier.

29th June 1779

Benjamin Seawell sold to Jesse Bowers, both of Franklin County, N.C. for 200 pounds, 100 acres of land located by the lines of Seth Mabry, Roger Jones, _____ Chaves and "the land I sold Doctor Collier, it being part of the land I bought of Asa Tiner."

Acknowledged by Benjamin Seawell
