

R.142 WILLIAM HILL SR 2/ OF CAROLINE COUNTY, VIRGINIA AND
SURRY COUNTY, NORTH CAROLINA.

Entered in February 1999 by Robert R. Hill Sr of Brandon, Fl.

Sources of Information:

First entered in March of 1988, updated in October of 1991 & updated again in February of 1996 by Robert R. Hill of Brandon, Fla. Updated again in February 1999.

Source of Information: Information sent to me by Win Jacob of Beaverton, Oregon; Research Information in 1990 by Mr. Jeff Bradley, some of my own research on the Hill families of Va., N.C. and Ga.

Explanation: Surry County, N.C. was obviously populated with more than one William Hill and also others with the Hill name.

Surry County, N.C. was created in 1771 from Rowan County. Also, in 1771, Guilford County, N.C., another location of several Hills, was created from Orange and Rowan Counties. In 1785, Guilford County was split and Rockingham County was created.

Surry, Guilford and Rockingham counties of N.C. was the home of several Hill families. Much confusion has arisen over the different William Hills and this document is an attempt to help indemnify them.

Surry County, N.C. Deeds do show that there was a William Hill of Surry County who had sons named Thomas Hill; John Hill; James Hill; Jacob Hill (see below).

THIS IS THE GENEALOGY OF WILLIAM HILL SR. 1/ OF CAROLINE COUNTY, VA. WHO MARRIED SUSANNAH SMITHER AND WHO MOVED TO SURRY COUNTY, N.C. (HE IS NOT RELATED TO SION HILL JR. 3/ (AS CLAIMED BY SOME) NOR IS HE RELATED TO THAT PARTICULAR HILL FAMILY LINE OF ISLE OF WIGHT & SURRY COUNTY, VIRGINIA AS CLAIMED BY SOME.

Originally entered in March of 1987 but updated and corrected in October of 1991 and again in August of 1996 by Robert R. Hill of Brandon, Fla.

Sources of information: Includes my own research but considerable information provided by Mrs. L. Winifred Jacob of Beaverton, Or.; Bits & Pieces of information sent by various researchers; Southside Virginia Families by Boddie;

Southerland Family by Voorhees (1931) and the book East Goes West by Craft (Nov. 1984).

Background Notes: This William Hill Sr. has been identified by many researchers as being the same William Hill 4/ that is often listed as the son of Sion Hill Jr. 3/ of the Surry County, Virginia Hill Family. There are many researchers, including this compiler, that does not believe this is correct and feels that there is ABSOLUTELY no connection between the two Hill families what so ever. This compiler agrees with Mr. Felix Earle Luck of New Jersey (and others) who also are disbelievers of this connection.

WILLIAM HILL SR. 2/ (SECOND KNOWN GENERATION).

WILLIAM HILL SR. 2/ (1710-1787) has been said by many researchers to be the son of Sion Hill Jr. 3/ of the Surry County, Virginia Hill line.

This researcher, along with others, disputes that claim and feels that he is in no way related to that Hill lineage of Isle of Wight, Surry County or Sussex County, Virginia.

The Joshua Hill Papers in the Alabama State Archives, wrote by a grandson, says his father was another William Hill 1/ (wife Ann) who's origins were in Maryland.

William Hill Sr. 2/ is said to have been born in Caroline County, Virginia ca. 1700-1710. He and sons all moved themselves to Surry County, N.C.

William Hill Sr 2/ had several sons who fought in the American Revolution from NC, and in their applications to received benefits for their service, stated they were born in Caroline County, Va, and arrived in NC about 1779, indicating this was probably when William Hill Sr. 2/ first came to N.C.. Surry County records shows he arrived earlier, about 1777. His son, Reverend William Hill Jr 3/, preceded his move to NC, arriving in January of 1770 into what was then Rowan County, NC but became Surry County in 1771.

Following taken from book entitled: Abstracted Wills for "Surry County, N.C. Wills 1771-1827," by Jo White Linn.

1. In Surry County Will Book I, Page 69a, there is a will of Abraham Jones, dated 14 February 1775 that was witnessed by a William Hill.
2. Another will is for a Marshall Duncan Sr., dated 26th August 1776 found in Surry Co. Will Book I, Page 74 where it was witnessed by a William Hill and also proved by him.
3. Surry County Will Book I, Page 122a, dated 23 December

1777 in a will for Benjamin Panniel, which was witnessed by both William Hill and Robert Hill, probably the father and son. [Note: This appears to have been William Hill Sr 2/ & son, Robert Hill] 3/.

4. Surry County Will Book I, Page 127a, dated February Court 1779 Inventory of Estate of Isaac Gartrison, deceased, mentions a 1782 tax list showing 700 acres in Captain Hill's District. [Note: Captain Hill was actually Captain Robert Hill 3/, son of William Hill Sr 2/ & Susannah Smithers, all originally from Caroline County, Virginia].

End of Abstracted Surry County, N.C. Wills
In September 1779, Reverend William Hill 3/ received a land grant of 200 acres.

N.C. LAND GRANT _____
ENTRY NO. _____
ENTERED _____
SURVEYED _____
ISSUED NOVEMBER 20TH, 1779

200 acres "Land lying in Surry County on the east side of the Morevian land, beginning at a pine, then running east 128 poles to a pine, then south 250 poles to a chesnut oak, thence west 128 poles to a white oak in the Morevian line, then north to the beginning..",

Comments by Robert Hill:
This tract of 200 acres gave Reverend William Hill 3/ a total of 400 acres of land.

I think these wills of Surry County, N.C., clear; shows that this William Hill Sr. 2/ moved with his sons to NC earlier than what his sons had indicated and shows he was probably present as early as 1777.

William Hill Sr. 2/ died in Surry County, NC. in 1787. In Surry County Will Book 2, Page 120, dated 14 May 1787, is a return on the estate of William Hill Sr. 2/, made by his two sons, Robert Hill 3/ and Dan (Daniel) Hill 3/.

His wife was Susannah Smither (Smithers) (1716-?) probably the daughter of Thomas Smither and Susanna Singleton of Gloucester County, Va. He appears to have died in Virginia.
