

R.161 A HILL GENEALOGY THAT IS FULL OF ERRORS WITH MY COMMENTS.

Received & Entered in August 2000 by Robert R. Hill of Brandon, Fl.

Source: Provided to me by Leslie Chapmsn, a hap,an researcher. Corrections based on my own research.

HILL GENEALOGY

NOTE BY ROBERT HILL:

This Hill genealogy is full if errors. It was done by earlier researchers, who often times got persons with same names mixed up with the wrong Hill family. This is especially true with the names of Sion Hill, Green Hill. At times a wrong William Hill with the wrong marriage was given. These errors resulted in much later research.

I have made notations to point out some of these errors.

HILL GENEALOY.

This is not completely cleaned up. I tried to take out Chapman info you already have it. I also tried to take out sources that related to Chapman information, but may have missed some. I am enlarging this to 18 and sending it plain text.

I hope it does better.

Descendants of Robert Hill

Generation No. 1

1. ROBERT1 HILL was born 1590 in Norfolk, England. He married ANN KINGE Abt. 1610, daughter of JOHN KINGE and ELIZABETH. (I think this is the generation you said was not right)

Child of ROBERT HILL and ANN KINGE is:

2. i. ROBERT2 HILL, b. Abt. 1615, Northumberland, England; d. Abt. 1682, Surry, VA.
+++++

Generation No. 2

MY COMMENTS:

There is absolutely no evidence found to support the fact that Robert Hill & Ann King were the parents to the 1642 immigrant, Robert Hill & wife Mary Webb. Also no facts to show the parents were a Samuel Hill, or any positive clues that he was part of the Sir John Hill family in England. Possibly some detailed research in England may show this to be true. Based on evidence found, Robert Hill & wife Mary Webb should be listed as 1st known generation, which changes all the following generations.

Robert R. Hill

2. ROBERT2 HILL (ROBERT1)1 was born Abt. 1615 in Northumberland, England, and died Abt. 1682 in Surry, VA. He married MARY WEBB2 1642, daughter of STEPHEN WEBB and ANN. She was born Bef. 1622 in of Kent England3, and died Abt. 1694 in surry, Va4.

Notes for ROBERT HILL:

Robert and Mary were said to have immigrated to Isle of Wight Co., Va from England in 1642. Some researchers say that Robert was the son of Samuel Hill, who was a member of the so-called Sir John Hill Family. This has by no means been proven or documented. In that family Ralph Hill, a son of Samuel is said to have emigrated to New England, while Robert the younger brother of Ralph Hill is said to have come to Va. Greer's Early Immigrants to Va refers to Stephen Webb as the possible father of Mary. In 1653 Robert and Mary acquired land from George Arthur in Va. (source Sharon Herrington) note that my other source suggests a different father for Robert.

Notes for MARY WEBB: Transported to Isle of Wight Co., Va 1642 with Robert Hill
