(Catherine Hill m. Ira Casey and this might be them. Not too sure if the correct one or not.). We Suspect the female aged 70-80 was Catherine's mother & widow of Thomas Hill, Miriam Murphy Hill. Remember, Miriam Hill sent Winnie's husband to collect amounts due her from husband Thomas Hill's

estate. She would have been born between 1750-1760, thus she would have been quite young when Thomas Hill (brother of Henry Truman Hill) was looking for a wife. Thomas Hill (husband of Miriam Murphy) suspected to have been born ca. 1750-1755 thus felt to be either Thomas Hill Jr. son of Thomas Sr. & brother of Henry Truman Hill OR AS I SUSPECT a son of a nearby William Hill.

The following are some Census records that relate to the Henry Hill Family (originally of Md.) and suspected somehow to relate to the above Thomas Hill. The data was sent to me by Gordon Meador in November of 1988. Laurens County, S.C. 1800 Census Records.

Comments: Eleandor Hill was granted letters of administration in Laurens County in 1803. She filed an estate return on 5th 1816 showing that she had made payments of \$75.25 each to: Catherine Hill on 31st December 1821 Chary or Chany Hill on 20th February 1808 Stephen Hill on 20th February 1820 Isaac Hill on 30th March 1825 Benjamin Hill on 11th November 1815 David Hill on 2nd August 1817. Her will is dated 30th August 1828 and names children: William Hendrick Hill, David Hill, Stephen Hill, Benjamin Hill, Isaac Hill, Mary Berne and Catherine Flinn. Stephen Hill was over 26 years of age in 1800, thus born ca. 1774 or earlier, thus would indicate that Henry Hill Jr. was born ca. 1750 and Henry Truman Hill born ca. 1720-1730.

Newberry County, South Carolina Information. The Henry Hill located here is the one that married Alice Ridgley and thus cannot be Henry Truman Hill if the following is correct. It is felt that L.P. Hill is correct when he states that this
