JOHN D, HILL 1/.

John D. Hill 1/ is thought to have been born in Virginia
prior to 1780. He is thought to have gone into Rockingham
County, N.C. before moving to Tennessee. He died in
Williamson County, Tennessee before April of 1818. His wife
was named Nancy, born ca. 1770 in Virginia, died about 1832
in Williamson County, Tennessee.

I think John D. Hill 1/ and wife Nancy married ca. 1790-91,
and allowing him to have been 21-25 at that time, would give
an estimated birth for John D. Hill 1/ of about 1765-1770.
If correct, then he would have been about 35 years old at the
time of the 1800 census in Rockingham and may have been him
listed.

Children and their (my estimated) births:

1. Rachel Hill 2/, birth. I had her listed originally as
2nd child and estimated her birth ca. 1792. If she m.
in 1808 at age 16 then she would have been born ca.
1792. I think she is the oldest child. This is based
on ages from census data.
2. Susannah Suckey Hill 2/, I had her originally listed as
the eldest child b. ca. 1789. I now think she may have
been b. ca. 1794-1796 and was 2nd child, based on ages
in census, and she married in 1810 at possibly at age
14-16. Such early marriages have been documented
before, more than once.
3. Elizabeth Hill 2/, b. ca. 1798 based upon census
information. This 1798 birth helps to close the large
time gap that had existed between the births of the
children.

I am still bothered by the large time span (about 5
years) between Elizabeth & John, unless there was one or
two that had died or are unknown

4. John William Madison Hill 2/, b. ca. 1804-1808.
5. Richard Joel Hill 2/, b. ca. 1805.
6. James Franklin Hill 2/, b. ca. 1807-1811.
7. Thomas Jefferson Hill 2/ ca. 1812.
8. Albert Gallatin Hill 2/. ca. 1813.

9. Washington Hill 2/. b. ca. 1815.

Details on above Children:

1. Rachel Hill 2/, born estimated ca. 1792. She married on 18th December 1808 (at age of 16?) in Williamson Co., Tennessee to Johnson Jordan, born 12th February 1786,.
2. Susannah Suckey Hill 2/, born you say ca. 1789. I suspect 1794-1796. She married Josiah Wood in 1810 (probably at age of 14-16) in Williamson County, Tennessee. This early marriage date certainly makes her one of the elderly children).
3. Elizabeth Hill 2/, born ca. 1798 based on census information. She was born in Tennessee, died about 1835 in Williamson Co., Tenn. She married Richard Almond on 3rd August 1829 in Williamson Co., Tenn.
4. John William Madison Hill 2/, (I had estimated birth between 1804-1808 based on his age of 21-25 at time of marriage, however this 1802 is ok, married at age 27? probably in Tennessee). He married on 5th November 1829 to Emily S. Hamilton in Williamson Co., Tennessee.

- 9. Washington Hill 2/, born ca. 1815 in Tennessee. (you have changed it to 1807, which means that in 1832 he would have been 25 years old and not a minor)..

Note: Both Albert Hill 2/ and Washington Hill 2/ were still minors (under 21) when mother Nancy died in 1832. Albert (born 1813) would have been about 19 years old and Washington (born ca. 1815), would have been about 17 years old.
