## GRAY

Thomas Gray 1/ (1593-1685) of James City and Surry Counties, Virginia, arrived as a boy of 15 in 1608. He survived the "year of starving," and the Indian massacres of 1622 and 1642, and all the other trials and tribulations of the earliest English settlers of what is now the United States. His first marriage was apparently in Virginia in 1618. In the "Musters of the Inhabitants in Virginia 1624/25" (Hotten, Page 228) there were listed: Thomas Graye, Margarett his wife, Jone their daughter aged 6 years, William, their sonn, aged 3 years."

In 1635 Thomas Gray patented 550 acres in James City County "On S side of the maine river over against James Citty, adj. on the E. to the plantation now in his possession & to land of Captain Perry, running along by Rolfes Cr. & S. into the woods upon the Cross Cr. (creek), 100 acres due as an Ancient Planter at or before the tome of Sit Thomas Dale, 50 acres for the personal adventure of Anis Gray his first wife, 50 acres for the personal adventure of Rebecca Gray his now wife, and 350 acres for transportation of his two sons, William Gray 2/ & Thomas Gray 2/ and 5 servants: Jon. Bishopp, Robert Browne, Robert Welshe, Luke Misle, Jon. Banckes." (Virginia Land Office Book 1, page 283).

This patent is identical with one issued-apparently a reissue- May 26, 1638, except that, as shown in "Cavaliers & Pioneers," Page 105, the name of his first wife was stated as "Avis:" this was probably not an actual change but a slight difference in the appearance of the written word. Others have interpreted the word as "Annis."

In 1639 Thomas Gray 1/ patented 400 acres in James City County, upon the head of Gary's Creek, for the transportation of 8 persons: Richard Deane, Franceis Fiveash, Allen Sadome, William Short, John Hancoke and 3 Negroes.

In 1642 Thomas Gray 1/ patented 100 acres in James City County on the east side of Gray's Creek, adjoining his own land, for the transportation of two persons: George Graves & William Browne.

On March 14, 1652, Thomas Gray 1/ patented 800 acres in Surry County, on south side of James River at the head of Smith's

Fort Creek, adjacent (to) land of John Kemp; 400 acres thereof were granted said Gray (on) July 30th, 1639, and 400 acres were purchased by said Gray of Samuel Abbott. (Land Office Book 3, page 158).

On March 7, 1653, Thomas Gray Sr. 1/, aged 60 years or thereabouts, deposed that Daniel Hutton (In the Valentine Papers, p. 556, this name is printed as Daniel Shelton)" in the time of his sickness not long before his departure did bequeath his whole estate to Rebecka his wife verbally. (Surry County Deed Book 1, p. 41).

Thomas Gray 1/ married twice. The name of his second wife was Rebecca. The name of his first wife, who was probably the mother of five children, was listed in the "Muster" of 1624/25 as "Margaret" but this may have been an error on the part of the recorder as in land patents by her husband her name appears to have been "Avis" or "Anis" or possibly "Annis."

Thomas Gray 1/ had five children, in the following order:

1. Jane Gray 2/ (1619-16) sic, m. John Hux (1613-16).
2. William Gray 2/ (1622-1714), m. ca 164-, Mary----? had four children.

(Virginia Land Office Book 7. p. 27).

\*\* This was probably meant to be 1680?

In 1679 William Gray 2/ sold to Robert Kae of Isle of Wight County and Nicholas Wilson of Surry County a 99- year lease, of a water mill, made to said Gray by Robert Parke and Mary, his wife. (Surry Co. Deed Book 12, p. 252).

He left legacies to "my sister Lidia, my brothers Thomas 3/ & Gilbert 3/, and my father." His father William Gray 2/ was executor. (4) Thomas Gray 3/ (ca. 1652-ca. 1717), married \_\_\_\_\_ and left one son, Thomas Gray 4/, who was an orphan in 1717 and chose William Foster as a guardian.

Thomas Gray 2/ (ca. 1625-1676), of Surry County, Va. apparently never married. In his will dated April 16, 1676, and proved May 2, 1676, he gave to his brother Francis Gray 2/ draughts of hogs, to the wife of Francis Gray 2/, his linen cloths, to his brothers John 2/ & William Gray 2/ his plantation with all the land belonging therewith, and to his three brothers, Francis 2/, John 2/ & William Gray 2/, the remainder of his estate, to be equally divided. or marrying, to the children of his brother William Gray 2/. His housing and land he gave to his "cousin" John Gray 4/, son of William Gray 3/. He gave a cow to his "cousin" William Gray 3/, son of Francis Gray 2/ (brother). He made his wife executrix and desired his brother William Gray 2/ and his "cousin" William Gray 3/, to see his will was performed. Witnesses: were John Foster & Thomas Bage. (D.B. 12, p. 330).

On July 3, 1683, Mary Gray was granted probate on the will of (husband) John Gray 2/, deceased. John Moreing. Mr. George Foster & Mr. Thomas Crews were appointed appraisers of the estate. (O.B. 1671-90, p. 408). The widow, Mrs. Mary Gray married 2nd time in 1683 to Robert Nicholson.
