Dear Mrs. Hall:

My sister is older than I am and while I am not too well, she is very feeble and has to make her letters to me very short as I am going to tell you all we know about the Hall's family and maybe you, with the help of others in D.C., can solve what we have never been able to do. She has the will of Moses Miller Sr. and in it he mentions only 2 girls, a Mrs. Patterson and a Mrs. Agnew. We think since her gr. gr. grandfather John Hall, died when he was and she went from Va. to S.C. with her 2 brothers, Moses & John, that she probably married again but since we have never been able to find out but would surely like to. In the letter I sent you from Jack Hall's written in 1917 he mentions a Mrs. Miller and Mrs. Patterson - this must be the same family if there is any way to find out.

see. He think his father was named
Samuel and his mother Mary. There
are so many Stokes in D.C. and a good
many in Madison Co. ^{Miss.} There my grand
father lived but he wouldn't have
anything to do with any of them. A good
many of his first cousins I called
them here and they are all buried
in Madison Co. - The Whiteheads,
McCauleys, Latts & others - so many
in the family - the Haubens & Wilsons
particularly had their heads mighty
high over Grandpa Stokes but in my
family we didn't live on our ancestors
but tried to make a name for ourselves -
my brother, Dr. T. R. Mantgamy, eldest
grandson graduated at "Ole Miss" last
year and received a scholarship to study in
Germany - His third boy received a National
Merit Scholarship and is at Princeton University -
My sister eldest boy is head draftsman
at M. D. Engineers, Vicksburg, Miss & her
youngest son next then would not go to the
finally got him to go to college & he grad.
uated there at the age of 40 & is now
rated as Senior Supervisor at the Huntsville,
Ala. Arsenal -

The cross over roads, T.V. papers
etc. is so depressing for the South -
