805. WILLIAM WASHINGTON ADAMS SR. (Donna's five-times-great-grandfather) was born in 1747, in Ireland, to Mr. Adams⁸¹³, as shown within family tree 18. William became known as "Billy". Billy died on 15 February 1835, aged about 87. He was buried in Pleasant Plain Baptist Church or Flat Creek Baptist Church, Lancaster County, SC.

Note: *(given by Donald L. Adams)*

1. William (Billy) Adams was born in the year of our Lord 1747 - He died Feb. 15th, 1835.

I (Donald L. Adams) have no record as to where they were buried, it is believed they were buried at Pleasant Plain, or Flat Creek Baptist Church.

William Adams came to the U.S. from Ireland between the years 1773 and 1776, according to the records I received from the archives on History in Columbia, SC, Colonial Plats, Vol 13, page 13. He was deeded 150 acres of land by the United

States Government.

Information is also available at the archives in a book titled; Scotch-Irish Migration to South Carolina 1772, written by Jean Stephenson. It told about the Reverend William Martin and his five shiploads of settlers, one of which was our Willam Adams.

The land grants that were granted in those days were granted by the Secretary of State, to people who wanted to settle in the United States. Records show that our William Adams was granted 150 acres of land in Craven County, January 6th, 1773. I (Donald L. Adams) understand that fifty (50) acres of land was granted for each member of the family. We have to assume that there were three members of the William Adams family at that time. Craven County, at the time included parts of Kershaw and Lancaster County.

The information that I (Donald L. Adams) have received show that William and Mary had seven (7) children; 4 boys, and 3 girls. Three of the boys were George, William and David. No information is given on the other boy, but it is believed that his name was Samuel. The three girls were Lydia, Jane and Rhoda. This information was taken from the family Bible and the census records at the Lancaster County Library.

806. MARY PATSY ADAMS [RUTH] (Donna's five-times-great-grandmother) was born on 11 November 1751 to George Ruth⁸¹⁴ and Jane Ruth⁸¹⁵, as shown within family tree 18. Mary became known as "Patsy". Patsy died on 7 June 1830, aged 78, in Lancaster County, SC. She was buried in Pleasant Plain Baptist Church or Flat Creek Baptist Church, Lancaster County, SC.

Note: (given by Donald L. Adams)

1. Mary (Patsy) Adams was born, November 11th, 1751 - She died June 7th, 1830.

I (Donald L. Adams) have no further information on William, but information taken from the family Bible shows that Mary Adams maiden name was Ruth, her mother and father were Jane and George Ruth. I (Donald L. Adams) would not venture to guess as to how the Bibby's that are mentioned would be connected.

William Washington Adams Sr.⁸⁰⁵ married Mary Patsy Adams [Ruth]. They had seven children:

Rhoda Adams⁷⁷³ in 1788
 William Washington Adams Jr.⁷⁹⁰ in 1851

Dear Relative,

I (Donald L. Adams) have researched all of the Adam's family History that is available to me at this time. I (Donald L. Adams) have quite a bit written down, and I (Donald L. Adams) hope that what I (Donald L. Adams) have for your records will be beneficiary to you.

I (Donald L. Adams) do have hope, to someday in the near future, to possibly go back one or two more generations. I (Donald L. Adams) don't however, know that this will come about, and I (Donald L. Adams) feel that I (Donald L. Adams) must put what I (Donald L. Adams) have on paper now.

I (Donald L. Adams) want to make a list of who and where I (Donald L. Adams) received my information, so that if my generation passes on, this History that I (Donald L. Adams) have been able to compile will not be lost, in some cases forever.

I (Donald L. Adams) will not attempt to bring the History up-to-date, but I (Donald L. Adams) will give you the information that you need to make your immediate family ties. The time that I (Donald L. Adams) think is not important to you, is from 1773 until the early 1900's.

I (Donald L. Adams) need to impress upon you that the information contained herein, will not be complete in every detail, but this is all that I (Donald L. Adams) have and I (Donald L. Adams) will put the information on paper, just I have received it. If you are confused and have any questions concerning what I (Donald L. Adams) have written, I (Donald L. Adams) will be glad to try and clear up any questions.

Information that I (Donald L. Adams) received:

1. Mrs. Evelyn Romane Adams Webster: Romaine furnished me (Donald L. Adams) with the information she had in the original family Bible. Some of the writing was so vague that I (Donald L. Adams) could not read it. However, the information received was most valuable to our family History. I (Donald L. Adams) typed the information just as it was written on my copy. Some of the names were misspelled and some of the dates did not correspond exactly, but this is the best we could make it out.

2. Mrs. Edna Harris Clyburn: Mrs. Clyburn furnished me (Donald L. Adams) with information concerning our earliest decedents. information that I will include later on, in this letter.

3. a) The Lancaster County Library

b) The Lancaster County Clerk of Courts Office

c) The Kershaw County Clerk of Courts Office

d) The SC Department of Archives and History in Columbia, SC

e) My brother Ronald F. Adams

f) My Aunt Almetta Adams Snipes

*g) Mr. U*lysses Gardner*

h) Mrs. Shirley Ann Blackmon Howie and many others that helped me (Donald L. Adams) compile the information contained.

I (Donald L. Adams) have completed 5, and in some cases 6 generations. I (Donald L. Adams) feel sure that if anyone has

family ties with the Adams family, they will not have any trouble following up the rest of their family tree. I (Donald L. Adams) do have some more information and will be more than glad to share it with you. All you have to do is call.

You will notice a drawing attached. This is a copy of the original land that was granted to William Adams. I (Donald L. Adams) am sure that you will find some mistakes, but this is to be expected when an imperfect person like myself attempts to do something this involved.

I (Donald L. Adams) would again like to thank the many, many people who helped me with the needed information. I (Donald L. Adams) would also, again say thank you very much to cousin Edna Clyburn.

In closing I (Donald L. Adams) would like to include a copy of a poem that Edna wrote to me. It meant so much to me, may God bless each and everyone of you is my prayer.

TO
DONALD L. ADAMS
A DISTANT COUSIN

*There are those I knew
whom you will never know
who lived, and talked, and had
their day,
not many years ago.*

*And there are those that you
will meet
whom I have never met,
who have their days to move
and talk,
and live within as yet.*

*And there are countless
others who,
have been, or who will be
with no least thought,
or consciousness
of either you or me.*

*Yet each of us, and each
of them,
by how we singly live,
affect all lives, and this
is what you have to give.*

Edna H. Clyburn

Adams family History compiled by Donald L. Adams, January 22, 1981. A copy was given to my grandmother Jessie Mae Adams Hunter on August 22, 1982 by Ronnie Adams. A copy was passed down after her death to my mother Patricia Ann Hunter Killian by her sister Shelby Ann Hunter Jourdan about the year 2005. My mother gave me access to this information for these family tree pages in the year 2008; when she saw my interest in our family genealogy. Many thanks cousin Donald, I (Robert E. Killian, Jr., "Eddie") will properly keep these records; cite your efforts; cite your sources; and pass these family tree pages along to our future families for generations.

5. FAMILY TREES

Each family tree shows the reported children, parents, grandparents and great-grandparents of a family group. In order to reduce redundancy, any family group which is wholly included within another family tree may not be reported separately.

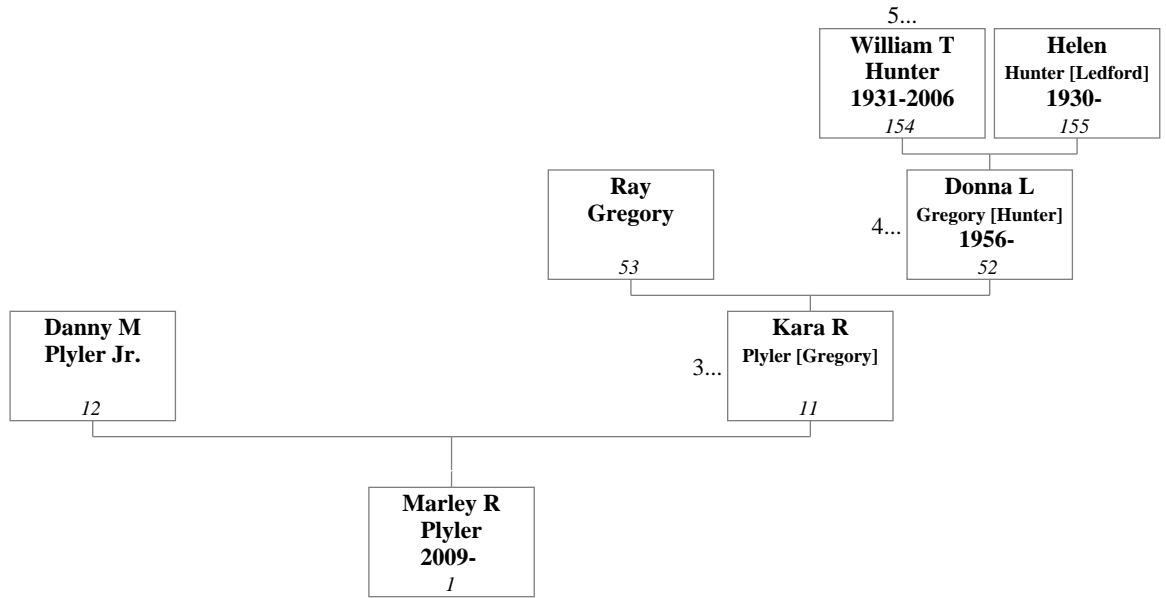

Above each of the great-grandparent boxes (top row), a continuation family tree reference number is shown if the great-grandparent is recorded as a child in the continuation tree. A continuation reference number is also shown to the left of a grandparent or parent box if that individual has siblings reported in the continuation tree; and beneath a child box (bottom row) if that individual has children reported in the continuation tree.

In cases of multiple marriages, a continuation reference number preceded by "=" is shown to the right of a parent box. This number references the previous and/or next tree in which that individual is shown with another partner.

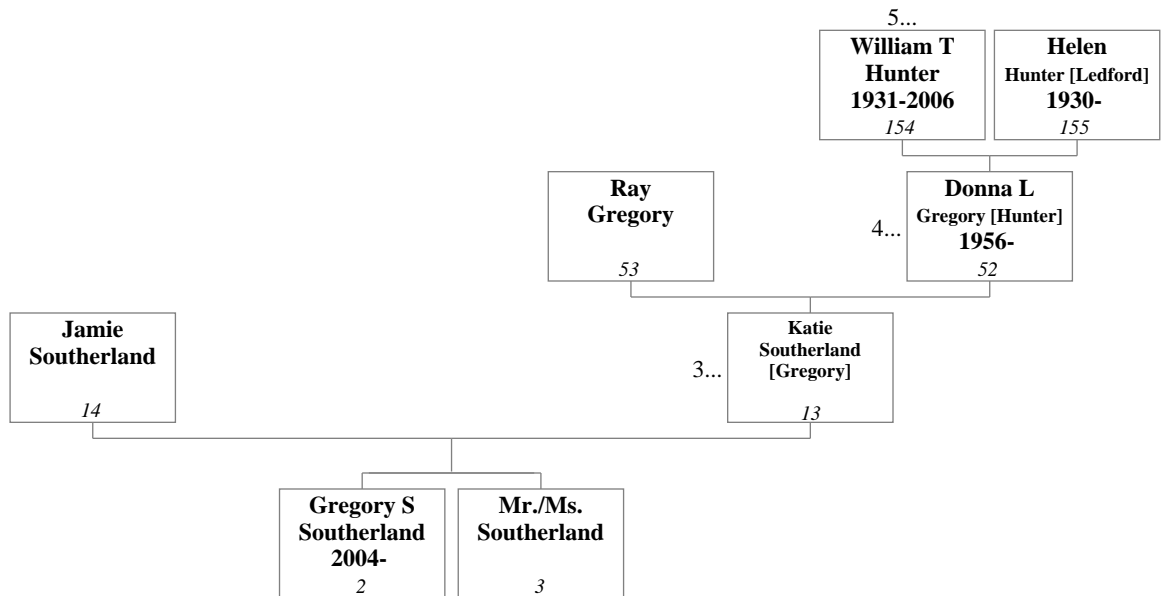

In cases of adopted (or fostered) children, the parental connection is shown with a dashed line and a continuation reference number preceded by "=" is shown within the individual's box. This number references the tree in which that individual is shown with his or her natural parents.
