To The Staff:

I am working on a genealogical search of my **JACKSON** family. My Great Grand Father name is **Vander (Vandor) Jackson** and he was married to **Lillian Mae Jackson**. Vander died on December 25, 1952 and was buried in White Oak, South Carolina. I also believe that Vander was born in White Oak. I am not sure of his date of birth. Vander also had 18 children and I have been able to identify 12 of the children born to Vandor and Lillian. Vandor Age may have been between 55 and 70 year of age.

Can you assist me in my search, and please let me know if you have any birth and or death records for my Great Grandfather.

I appreciate your time to this matter, and I look forward to hearing from you.

Sincerely

*Lester Johnson Jr.*
