TRIED, TESTED, AND SATISFIED

*Tried, tested, and satisfied, Jesus is blessing me.
I know King Jesus is on my side,
Jesus is blessing me.*

*This race of life I run with contentment.
Along the track, I encounter Mr. Resentment
Who constantly tries to turn me back.
Tried, tested, and satisfied, Jesus is blessing me.*

*I fervently struggle on past Mrs. Swift
And then Mr. Strong. For I know only with
Endurance, this race you have won!
Tried, tested, and satisfied, Jesus is blessing me.*

*As I near the finishing line, I observe a figure,
So sublime beckoning me on, saying
"don't give up, You must obtain the golden cup."*

*In my master's arms was I enfolded,
Hearing the words that entranced my soul.
You have been tried, you have passed the test;
I'm graciously satisfied
Now enter your home of eternal rest.
Tried, tested, and satisfied Jesus is blessing me.*
