Jones Info contributed by Mrs. Jessie Matthews from a collection compiled by Mary Wylie Strange, her husband's great aunt - dau. of Osmon Alexander Wylie - grand dau. of Joseph A. + Lucretia Jones Wylie.

" We have copies of William + Ralph Jones' wills made in 1854 + 1811 respectively from Fairfield Ct. ~~Hawaii~~. A-20 A-40

Wm Jones was father of Lucretia Jones Wylie. William's wife was named Sarah and it is thought she was connected to the ~~Charnell Durham~~ family - (or do you think her last name was Meridith? - note by Mrs. Matthews) Shewas dau of Thomas meridith VT

Wm's son
Elisha Harrison Jones
m. Merida Elizabeth
Durham, her brother
was Charnell H. Jones

He died in 1854 + is buried in Jones family graveyard located about 200 yds East of Southern RR at Simpson, S.C. or Aug 25, 1855 VT

I think that Wm Jones' old house still stands on old road to Columbia + used to be seen from paved Highway - a 2 story unpainted house.

William's father was Ralph Jones whose wife was named Mary - also I think Ralph's father was named Elijah (?)

(I find no record of this. Earliest Jones in my records whose ~~own~~ first names carried down were John and William. There was also an Elisha. VT

Note by VF 3/1/82 - Jones graveyard seems also to be known as Hall-Davis Cemetery behind Eliza Nelson house (Williamson), Simpson, S.C. also Williamson House.
