

Original barn at Jones Bend Farm in Floyd County, GA. Berry College now owns this property, among 26,000 acres it owns in Floyd County. Mickie Middleton, Berry College Land Resources, gave Sue & me a tour of the old Jones farm house place. The old house was torn down years ago. The barn is 140' long and 70' wide. Berry College used to farm the property, but now uses as a hunting preserve.
