

WORDS OF APPRECIATION

The family would like to express their gratitude for your kindnesses and for your attendance at this service

God saw the road was getting rough,
The hills were hard to climb
He gently closed his loving eyes,
And whispered, "Peace Be Thine."
The weary hours, the days of pain,
The sleepless nights are passed,
The ever-patient worn out frame
Has found sweet rest at last.

This faded rose is all we have to give
because we tried so hard to give you
flowers while you lived. We will always
cherish your sweet smile. We will deeply
miss you. We love you so much Sammie
but we know God will love you more.
