

KNIGHTON FILE

28 Feb 98

Dear Ms. McMaster:  
Sorry I did not make it today.  
Intended but had an upset  
stomach. I do not have any  
new information on the  
MARTIN line. Back to 1823.  
My g. grand dad. I have found  
out I am of the HOLLIS lineage NOT  
Knighon. My ancestor was raised  
by a Knighon thereby the young  
children assumed that name but  
carried Hollis as middle name.  
The mother was LYTIA - head of  
house in 1840 with 6 children  
carried to Ga before 1845 by Moses  
Knighon. Her oldest girl m. John  
W. Martin 1846. She was 14. He 23.  
m. in Randolph Co., Ga. If you find a  
John Wm. Martin born 1823 let me  
know.

as always
