French and Drawing.

M. M. MANGET respectfully informs the young ladies and gentlemen of Columbia, that he will resume Teaching on MONDAY, the 7th of OCTOBER. He does not promise to give a perfect knowledge of the French Language in six months, as some pretend to do, but by his present method he will in one month enable the people to read and pronounce French well, and speak it without much difficulty, provided they will study faithfully their lessons.

MADAME M. respectfully offers also to the young ladies, her services in FRENCH, DRAWING and EMBROIDERY. She went through all the studies prescribed by the French Government to become an Instructor, and taught in one of the best Schools in Paris, in New-Haven, Conn., Greenfield, Massachusetts, and for the last four years at Dr. Marks' Institute. She has the best recommendations from all the places where she taught, either in France or this country.
