Dear Uncle George,

Your letter came
some time ago and was certainly
sorry to hear that you all have been
sick, I would have answered sooner
but have been expecting to come
up there, I enclose a little chick hope
it will help you out some
Can't you come down some time
to see us,

Your Nephew
P. Allie Ladd

FRIDAY, MAY 24 1881.

The Beaufort Volunteer Artillery, propose celebrating the 24th, instead of the 28th, as their Anniversary.

The pleasure of your company is requested on an excursion to be given to Bay Point, in the afternoon of that day.

Yours truly,
G. M. Stuart

George and Albert (AW) Washington Ladd served in Charleston during the civil war.

Dear Uncle George:-

Georgias letter
reached us today and as
Aunt Joe has been in Pickens
all winter with Ma, I put a
special delivery stamp on
her letter and forwarded it
right-on to Aunt Joe and
Ma. I hope Aunt Lou is
not as dangerously ill as
you all think. I would
come to you but have no
one to stay with the children.
If I can be of any use let me
know right-away. I can certainly
sympathize with any one in such
trouble, as I've had my share.
Please write or get the children to
write if there is a change for
the worst in Aunt Lou's condition.
I will be anxious and worried till I hear
again. With love from - Josie

Josie's father was Dr. James D. Curston of Minnabro
