Number 2  
Volume XXIX

O God \_\_\_\_\_,  
help me to put the love of beauty  
in lives of children whom I daily teach.  
Help me to make them love the coral pink  
of roses blooming in the spring of the year,  
to catch their fragrance blowing faint as prayer,  
let their hearts feel the tang of morning air,  
the dusky blue that follows sunset hour.  
As summer turns, and leaves grow red and gold,  
may they learn, as they watch the season's change,  
that change in our lives, too, is by Thy plan \_\_\_\_\_.  
Around us, as in nature, is Thy care,  
and sure as springtime follows winter's snow,  
we'll see the beauty of the trees and flowers  
and hear the birds as they wing home again \_\_\_\_\_.  
Amen \_\_\_\_\_
