**ROY A. LEWIS III**

Dear Santa,

I am three months old, and Santa there is not much I really need. So many of the good people in Fairfield County have given me a lots of nice gifts, and I sure do thank them.

I would like you to bring my Mother two sticks to hold her eyes open at 2 am. and for my Daddy a course in putting on diapers. Santa, they weren't expecting me, and I didn't call before I dropped in on them.

I wish all the little children a Merry Christmas. Thank you Santa, Roy A. (Al) Lewis III
