Sarah is only known to have had a single child, a daughter named Frances who married Joseph Minter, son of John Oliver Minter and Elizabeth Michaux Morgan. John Oliver Minter moved his family to Chatham County, North Carolina from Virginia sometime before Dec 1771. This would place Frances Hill's marriage to Joseph Minter around or after that date. ☞

The name Joseph Minter is found in the 1794 Hancock County, Georgia.<sup>251</sup> It would not be much of a stretch to believe that this is the Joseph who married Frances Hill.

## FAMILY OF ISAAC MATHEWS, SR.

Isaac Sr's family is revealed in his will written 27 Jul 1767 and recorded in Halifax County, NC with the August court of 1768.<sup>103</sup> The will is the first place we find the name of his wife, Mary, and several of his children. ☞ In the will several sons are given specific items and/or land and possibly indicates they were the youngest children: Robert, Samuel and Peter. Of Isaac's 10 children 9 of them are named in the following order which I believe is likely their birth order: Thomas, Jean, Isaac, Reaps [Repps], Mary, Sarah, Robert, Peter and Samuel. The tenth child, daughter Susanna Humphri[e]s is named separate from the others so her position in the birth order is unknown.
