Chuck,

I am referring your name to Mary Ann Hollis, secretary of the Fairfield Genealogy Society, for information on joining the society. Also, am copying here to Eddie Killian and the genealogy room for information on your ancestors. The genealogy room is operated by volunteers on the second floor of the Fairfield County Museum (I am the museum director). If you will send them some specifics by email on the individuals you are seeking information on, they can check in the available resources we have such as collected family paper files, some deeds and wills on microfilm, books, and other records gathered by DAR volunteers through the years. There is a small charge for researching, but if you would like to visit the museum to do this, there is no charge except for copies, etc.

Thank you for your interest.

Pelham,

I knew I would forget the lady's name to handle this addition.
