Dear Friend or Relative:

Herewith are three generations of my family.

I am compiling the names and the biography of my ancestors, looking toward the possible publication of the same at some future date or joining with others when a record approaching some degree of perfection has been gotten together. This work is being undertaken with no spirit of money making but with a deep and sincere interest in knowing of my ancestors and numerous relatives throughout the country.

It would be deeply appreciated if you would fill out the pedigree outlined on the reverse side of this sheet, as completely as you can, and return the same to me. If you can go beyond your grandparents that, too, would be greatly appreciated, as well as any dates or historical information concerning the lives and accomplishments of the members of the family. If you have more than enough material to go into the spaces provided, use another sheet of paper.

Thanking you for your kindly interest and cooperation in this matter, I am

Very respectfully yours,

Cecil M. Shelton
