Dear Mom - + Leah -

I pray God will take care of you, I never never want to disappoint you - "I would be true for those who trust me" read that & song + think of your son -

Thank God I was raised in a Christian home, I feel I owe my life to you -

I dream at night of telling my family good bye + see mothers hand wavv + a tear well thats the way I want old glory ^{in her} _{eyes} to wave, out wall high.

God has our lives in his hands he can calm the storm + stop the wars + if ~~the~~ God will this will be done

I have great hope in the future we will all be together one day

Its wonderful to know we have a Loving, + Forgiving God - With him all things are possible

I shall remember all of you back there every night in my prayer
May God bless you
your devoted

son Jammie
