Don't take me off the list. I live here in Texas and I can't come there....but.....I do want to know what you are doing and I pray that the project will be finished and I ask the Lord to bless you in keeping the memory of our ancestors alive. Our younger generation may not remember their roots and we should remind them about the difficulties and the hardships that our families have endured to get us to place. I do forward the letter on to others of our line.

When our gggrandfathere, Robert Smith McCright, came here, he built a house with square logs that is akin to that barn you are restoring. Just seeing the barn and the style of it, let's me know that we belong to the same family.

Frances Poer Fox

Granddaughter of Norma Frances McCright, the granddaughter of Robert Smith McCright,  
R.S. McCright was the son of James McCreight of Shelby Co TX.

Thanks for including me in your email list. Your project sounds fascinating, but I will not be able to attend your event. Please keep me informed.

Thank you for the e mail. I am interested in hearing more about the Mc Creight's, though I cannot go back further than the 1870's here in Pennsylvania
