I will not include the complete text here, but will give the general

 Conversation with Mom (Ray Mobley 1/29/99)
 27 Sep 98

The record of Archibald Mobley is in Montgomery County Courthouse in
 Rockville, Maryland. They have the history. Archibald had two sons, Basil
 and William. William was disinherited with three Mobley families for joining
 the Mormon Church. They left for Kentucky. William was killed in a runaway
 horse and buggy accident (as per Sidney Elsey Mobley related this from
 memory). After William's death, Sidney Allen Mobley, his mother, brothers
 and sisters went to the Grand River vicinity of Carrollton, MO as part of a
 Mormon settlement.

"Sidney Allen Mobley was born in Clark county, Kentucky, July 13, 1845, and
 died Jan. 1905. He came to this county from Kentucky in 1866 and has lived
 here continuously ever since. He was married Oct. 1827 to Miss Mary Belle
 Frazier; two children were born to this union.
 His wife died in 1876, and he was married the second time to Sarah Eliza
 Damron. He leaves a wife and eight children and a host of friends to mourn
 his demise. One by one we go, but we are continually reminded that death is
 a necessary result of life. All that medical aid could do was done to stay
 the hand of death, but in vain. Early in his life he became a member of the
 Christian church in which relation he remained until death. He was a devoted
 husband and father, a good citizen and neighbor. He would sacrifice any
 thing for his family or friends. He never wavered from duty, no matter how
 trying. Mr. Mobley is gone, "his work is done. At last he has reached his
 long sought home. He was not perfect, no indeed; for few there are who such
 lives lead. But this we know, he always tried to follow Jesus as his guide."
 And now to the family; we admonish you to look on the bright side of life,
 remembering that all things work together for good to those that love the
 Lord. May God grant them his spirit and give them peace. Funeral services
 were held at the First Christian church in DeWitt, conducted by G. W.
 Kitchen, of Moberly. Interment in Evergreen cemetery, north of town."

 This obituary raises more questions than it answers.

1. I now have two death dates for Mary Belle Frazier; 1876, and 29 Mar 1874.
2. I show nine children in his family, all born after Mary Belle Frazier has

died.

3. If Mary Belle had two children - who & where are they?

4. The marriage date to Mary Belle Frazier in this article pre-dates his birth. Probably a typo.

McKinney, **Johnny**, **Nadine**, **Edna**, **Naomi** (who lives in Florida), **Mary Bell**,
James Hansford, **Robert Paul**, and **Silas**. The only children now living are
Naomi, Robert Paul in Cincinnati and Silas in TN. They know very little about
their father or grandfather. Their grandmother's name is unknown.

All of these were born in the early 1900's. Robert Paul was born in 1924. Where Thomas was born in Tennessee is unknown. Any information would be greatly appreciated in my search for our ancestors. With much gratitude, Thank you. e-mail; mobil3@netscape.net

Witnesses: G. Howard, R.W. McAtee

===

[Hall of Records, Book B,460-463: On 10/23/1751, George Becraft sold to Edward Mobberly for L 50 a tract 'Peace & Quietness', 68 acres in Frederick Co., on a branch of Linganore Creek; beginning at 2 red oaks on a ridge on the west side of the new wagon road, on East side of a branch near the head of Bucks Branch[a draught of Linganore Creek], land on each side of said branch: running north 36 deg. [This was not Edward 1541(b.1752) nor Edward 14(who was already living in VA then); and probably not Edward son of the schoolmaster who lived in PG Co. until after the Rev. War]. He must have been a son of Thomas,(Jr), there being no other likely possibility on record]

p. 1548-49: E.S. Mobley, member of the firm of E. S. Mobley & Brother, engaged in the plumbing business at No. 100 West Patrick street, Frederick, was born in Washington County, Md., November 17, 1870. He is a son of J.C. and Myra (Likens) Mobley.

"Eli Mobley, the great-grandfather of E.S. Mobley, was a native of Frederick County, Md. He was a wheelwright by trade. His ancestors were among the pioneers of the county

"E.S. Mobley, son of J.C. and Myra (Likens) Mobley, was born and reared in Hagerstown, and received his education in the public schools. He later went with his parents to Westminster, Md., in which place he learned his trade. In 1904, the firm of E.S. Mobley & Brother was formed. This house is now the leading contracting firm of plumbers and steam fitters in Frederick. They are leaders in their line and had the contract for building the Braddock Heights Water Works. They were also the contractors for the plumbing and heating plants of the new Fredericktown Savings Institute Building, the Frederick Young Men's Christian Association building, Citizens National Band, and various other large edifices in Western Maryland. Mr. E.S. Mobley is a well-known business man and his success has been entirely due to himself, he having begun life without a dollar.

"Politically, Mr. Mobley is a stanch [sic] supporter of the Republican party. Fraternally, he is a member of Charity Lodge, Knights of Pythias, Westminster, Md., of the Patriotic Order Sons of America, and of the Sons of Temperance. Mr. Mobley was married in 1895 to Zourie Schroder, of Frederick.

Lewis H Moberly is definitely Charles E Sr's brother I have the news clippings at the time of Charles E death that list all the brothers that played in the Maryland cornet band formed about 1858 and Lewis H was named, I also have Catherine V Schriener's family bible that list her 16 live births and some deaths, their first born was Lewis Clinton Moberly and he had a son who died 11/13/1933 so the Lewis in question is Lewis H Moberly's grandson. I have obtained Harry C Moberly's will to help prove all the children and grandchildren of Lewis H and Catherine (its a 16 page document). I also have obtained the original letter sent to Lewis H Moberly by the registers office in Frederick notifying him he has been elected Mayor dated Feb 26 1874.

I hope this info helps somebody and clears up the (prob brother of Charles E Sr)

Frederick, MD, April 12 - Charles Edward Moberly, a life-long citizen of this
city and brother of the ex mayor Lewis Moberly, died at the City Hospital
this morning from kidney trouble. 71 years old. He was a son of the late
Levi Moberly and was educated at the public schools of Frederick. He was one
of the organizers in 1858 of the famous Moberly's Cornet Band, so named
because six brothers were among the musicians. At the time of the John
Brown raid at Harpers Ferry the band went there with the United Guards, of
this city, under the command of Co. Thomas Sinn.

Mr. Moberly was a member of the First Maryland Volunteer Regimental Band
and went into battle with Company H, Major Henry Schley's Regiment with his
bariton horn strapped on his back and his musket in his hand. While in
service he received a sabre wound over his right eye and was shot in the
right leg.

In 1861 he married Miss. Fannie Reynolds, who survives with five children,
Mrs. Luther F. Harrison, Mrs. David E. Zimmerman, Miss. Mollie Moberly, Merle
F. Moberly and Charles E. Moberly, Jr., the latter of Washington, two
brothers, David H. Moberly, of Baltimore and Edwin F. Moberly, this city, and
one sister, Mrs. Hammond Welty also survives.

C.E. MOBERLY DEAD

Life Long Resident of City Passes Away After Long Illness.

MEMBER OF A FAMOUS BAND

He joined First Maryland Regimental Band in September 1861 and was in battle with Major Schley's Regiment—His career.

Mr. Charles Edward Moberly, a life-long and well-known citizen of this city, died at the City Hospital about two o'clock this morning, from kidney trouble, in the 72nd year of his age.

Mr. Moberly was born in this city in 1839, and was a son of the late Levi and Rebecca Lambright Moberly. He was educated in the public schools and later learned the painting trade. About 1858 the famous Moberly's Cornet Band was organized by the late Alexander Hubbard, a well known jeweler. It took its name from the fact that there were among its members six Moberly boys, all **brothers** - Lewis H, William and Hiram Moberly, now deceased; David H., Charles E., and Edwin F. Moberly. The Band accompanied Baltimore Commandery No. 2, Knights Templar to Philadelphia, St. Louis, Chicago and other cities on occasions. It also went to Baltimore with the United Guards to participate in the parade of the State Militia and was entertained by Gen. Watkins, Commander of the State Militia. At the time of the John Brown raid at Harper's ferry the Band went with the United Guards which were under the command of Col. Thos Sinn. The Band in latter years became known as the Frederick Cornet Band.

====

Mr. Moberly joined the First Maryland Volunteer Regimental Band in September, 1861, and went into battle with Company H, Major D. Henry Schley's Regiment with his Baritone Horn strapped on his back, and his musket in his hand. While in the service he received a sabre wound ... right eye ... right knee joint.

He was taken captive at Front Royal, Va. in May, 1862 and after remaining prisoner about four months, was discharged. He then became assistant Steward in the Medical Provost's Office, which had its headquarters in the old Reformed Chapel, under Principal Steward Cahill. Drs. McKee and Ricthenhouse were the Physicians in charge. Later Quartermaster McCurg opened a paint shop in this City and Mr. Moberly was one of the workmen there. During the time he lettered all the headboards for the graves for the fallen soldiers, as well as those that died in the hospital. Mr. Moberly followed painting for a number of years, but has not been engaged in business for himself for thirteen years past, when he was succeeded by his son, Mr. Merhl F. Moberly. For several years he acted as foreman for his son, but for the psst six years, he has been living retired, on account of his health.

In 1864? He married Miss. Fannie Reynolds, who survives him with five children, Mrs. Luther F. Harrison, Mrs. David E. Zimmerman, Miss. Mollie

Moberly and Mr. Mehrl F. Moberly, of this city, and Mr. Charles E. Moberly, Jr., of Washington. He is also survived by two brothers, Mr. David H. Moberly, of Baltimore, and Edwin F. Moberly, of this city, and one sister, Mrs. Hammond Welty, of this city.

The funeral will take place on Friday afternoon at two o'clock. Services will be held at the house and interment will be made in the Mt. Olivet Cemetery.

I am wondering who David Thompson's wife, Elizabeth Mobley's parents are?
Elizabeth Mobley was born about 1789 in Maryland, died May 15, 1861 in
Jackson County, Indiana. David Thompon and Elizabeth Mobley were married
January 03, 1809 in Montgomery County, Maryland.
I believe that David Thompson was living in Belmont County, Ohio about 1810,
before ending up in Millwood Township, Guernsey County, Ohio - where most of
their children were born. I don't have the census records in front of me for
the exact dates. I am going by memory. By the 1850 census they were in
Peeble Township, Pike County, Ohio. David Thompson died May 11, 1858 in Pike
County, Ohio. Elizabeth Thompson ended up moving on to Freetown, Jackson
County, Indiana where her children moved to.
David Thompson's sister, Jemima Thompson married Lewis Mobley December 3,
1807 in Montgomery County, Maryland. Lewis Mobley was the son of Levin
Mobley and unknown mother. Lewis Mobley was born 1786 in Montgomery County,
Maryland.

The father for Lewis Mobley that married Jemima Thompson is Levin Mobley. I
found Levin Mobley living in Montgomery County, Maryland in the 1790 census
and in District 1, Montgomery County, Maryland in the 1800 census. Levi and
Lewis Mobley are living right next door to each other on the 1810 Montgomery
County, Maryland census. In 1820 there are 2 Levi Mobley's and 1 Lewis
Mobley all in Belmont County, Ohio - each in a different township. I figure
that the father - Levi is living in Smith Township, son - Levi is living in
Goshen Township, and son - Lewis is living in Richland Township.

Mary Ann Shoemaker Maryshoe@aol.com 2/18/2000

I do not believe that Jemina Thompson was the 1st wife of "my" Lewis Griffin Mobley.
I realize that you hesitate to change any of Milton's research but would like to ask
you to consider the following:

The marriage for Lewis Shehan and Jemina Thompson is very available for people to
find. Listed in the marriage records of Montgomery Co. Md.

Several years ago there was quite a discussion on this marriage.

Supposedly this marriage is listed in a family bible kept by Elizabeth Mobley Leslie's daughter-in-law. Elizabeth Mobley Leslie was a dau of Lewis Griffin Mobley.

Michelle leslie writes: " The information on Lewis Mobley and Elizabeth Mobley (his dau) that I have comes from a family Bible I have which was kept by Elizabeth's daughter-in-law, Susan Dones Leslie. It lists Elizabeth's birth as 6 July 1816 Frederick Co. Md. It list her parents as Lewis Griffin Mobley and Jemina Thompson Mobley both of Frederick Co. MD.

I believe that someone in the family of Michelle Leslie (mylbgd@fuse.net) at one time started or attempted to research the family or...anyway found the above mentioned marriage in Montgomery Co. Md (not Frederick Co.) and put such in the family bible thinking this was true.

Now my proofs against this marriage for my Lewis Griffin Mobley:

1. Lewis Griffin Mobely was in Nelson Co. Ky by 1816 (tax records)
2. His dau Elizabeth Mobley Leslie is buried in the Johnson/Mobley Cemetery in western Nelson Co. Ky (I grew up in Nelson Co. KY) Her tombstone is still standing.and reads:
Old Mount Moriah Cem
row 7 Leslie, Elizabeth b: 1811 d 1 July 1875 wife of David Leslie
Leslie, David b 14 Feb 1808 d 6 July 1875

Nelson co. Ky census
1850 p 315 listed as age 40, b MD.
1860 Precinct 2 Boston household #138, Laslie, Elizabeth age 48 b MD
1870 precinct 2 Boston p 109, Laslie, Elizabeth 58

Thus her ages above are much more in keeping with a birth date of 1811 than 1816
1850 she would have been born in 1810
1860 she would have been born in 1812
1870 the same..born in 1812.

4. The NELSON CO. KY DEATH RECORDS list the following:
Thomas Mobley, W., 62 male, married farmer, d Nelson Co. , son of LEWIS G. AND POLLY MOBLEY. (Thomas named in his father's will)

5. and a most compelling proof from Juley (ljthomas@hnsline.net) She wrote:
Our Jemima Thompson b 1787 Montgomery Co. Md d 1868 Pleasent Ridge, Monroe Co. OH. She married Lewis Mobley b 1786 Montgomery Co. Md d 1850 Washington, Belmont Co. OH, they had 12 children of which was my ggg grandmother Mary Elizabeth Mobley who married Benjamin F. Taylor.

My info comes from the 1850 and 1860 census of OH.
1850 Jemima is 63 living in Belmont Co. OH with husband Lewis.
1860 she is age 72 living with her son John in Monroe Co. OH
There is a History book either Monroe or Belmont Co. OH put out with the family history in it if you are interested".
She also states her info came from the MOBLEY NET ?? This correspondence is dated March 13 1998.

Julie also sent a note saying Jemima Taylor b 1843, Belmont OH was the name of the granddaughter, dau of Elizabeth Mobley and Benjamin Taylor who went to IN after 1850

6. In the IGI of the Morman records is found the following:
Mary Elizabeth Mobley b 1816, Belmont OH, dau of Lewis & Jemimah Thompson Mobley.

All in all I just believe that someone made the error and put a marriage record in the Leslie family bible at a much later date with the incorrect marriage for Lewis Griffin Mobley. Stranger things have happened.

It has been suggested that there were two Lewis Griffin Mobleys and two Jemimah

Thompson. That is pure wishful thinking, or an easy out.

I feel my proofs above are such that Jemima Thompson was not the wife of Lewis Griffin Mobley of the War of 1812, Pr. George's Co. Md. He is listed four times in the account of the War of 1812 Pr George's Co. records.
Lewis, Lewis G., x2, and Lewis Griffin.

I also am 99.9% certain that the Hezekiel Mobley who m Elizabeth Kidwell 1796 Pr Geo Co. Md was his brother. they had neighboring farms in Nelson Co. Ky. Not either of these men named a dau Jemimah. nor did any of the descendants. Would seem odd especially since the 1st wife of Lewis G. had to have been living in 1822 the date of the last child of the 1st marriage.

And...I know the children of Anna Shehans' marriage to Lewis G. Mobley as I have a family paper (put together in late 1800s) which lists the descendants of John Sebastian Shehan I, d 1810 Nelson Co. Ky. Anna Shehan, his dau is listed with just her children by Lewis G. Mobley in his 2nd marriage. Plus there are quite a few court records in Nelson Co. Ky pertaining to the Shehans and Mobeys, thus no doubt etc.

Also feel 99.9 % certain that Lewis Griffin Mobley was not born in Frederick Co. Md. Am chasing a Lewis Griffin who was a Quaker, m in 177?? in the Quaker group which met at "The Cliffs" in Pr. Geo/AA Co. Md. and put out of the Quaker group, or however one states such. Looking for a Griffin as the mother of Lewis Griffin Mobley and Hezekiel Mobley and probably John Griffin Mobley.

The Lewis Mobley b Fred Co. Md was probably the Lewis who m Jemima Thompson and went to OH. I don't know so..

Sorry for such a long note but.. I again feel 99.9 % certain that the Maryland info above and listed in the Mobley files on my Lewis Griffin Mobley of Nelson Co. Ky is incorrect. That supposed bible record just threw all. Bible records are suppose to be correct... ha!

And of course nothing is 100% certain so I could be ????

Kentucky: A History of the State, Battle, Perrin, & Kniffin, 3rd ed., 1885,
Hardin Co.

LEWIS T. MOBBERLY, merchant and postmaster at Long Grove, Hardin Co., Ky., is
one of a family of twelve children born to William Mobberly and Sarah
Curtsinger. His father was born in Maryland in 1808, and removed to Nelson

County, Ky., and is now living with his son, Matthew M., in Taylor County, Ky. His wife died in 1876. Eight of their family are living, viz.: Mary E., Lewis T., John W., N.B., William M., Sarah E., Susan E. and Matthew M. Mobberly.

The subject of this sketch was born in Washington County, Ky., August 26, 1835. He was reared to manhood in his native county, and at the age of twenty-one years removed to Hardin County, his present home. In early life he learned the trade of blacksmith, to which he has devoted sixteen years of his time. He is now engaged in merchandising, and for the past ten years has been in the employ of the Chesapeake, Ohio & Southwestern Railroad Company, as their agent at Long Grove. November 5, 1856, he married Miss Siiothia Meece, who died February 28, 1870, leaving four children: Elza D., William E., Emma L. and Sallie M. Mobberly. His present wife, to whom he was married March 14, 1873, was Eliza, a daughter of D. A. and Nancy Lawson. Their union has resulted in the birth of one son, Edward Thomas Mobberly.

Peter Moberly in his will:
"I Peter Moberly of Lincoln County Kentucky being of sound mind and good
memory, but mindful of the uncertainty of life and the certainty of death do
make this my last will and testament.
1st After my death I desire that out of the money or other property I may
have at the time of my death, all my debts, if any, and my burial expenses be
paid.
2nd At the time of my marriage to my present wife Annie C. Moberly, a
marriage contract was entered into between us the terms of which are set
forth in a writing now held by Aquilla Moberly.
Now I desire that the terms and conditions of the said written contract be
fully complied with, and request my sons Carlton Moberly, Joseph Moberly,
J.S. Moberly and Terry Moberly to see that the terms and conditions of the

said contract are fully complied with and to that end and for that purpose, they, or any of them, are hereby authorized by this my last will and testament to use any money or property of any kind or specie(s?) that may be necessary to fully satisfy the terms of the said contract.

3rd After the use of such money or other property as shall be necessary to fully satisfy all the terms and conditions set forth in the said written contract with my said wife Annie C. Moberly then if there should be any thing left of the property of every kind and nature belonging to me at the time of my death I desire that an equal division of same be made between my sons Carlton Moberly, Joseph Moberly, J.S. Moberly and Terry Moberly.

4th I hereby nominate and appoint my son J. S. Moberly Executor of this my last will and testament.

In testimony whereof I have hereunto set my hand and subscribed my name in the presence of these witnesses whose names are hereto attached this 23rd day of August 1900 /signed/Peter Moberly

Anna Mobley thru her atty. J. B. Saxton gave a receipt for \$614.76, 4/1/1905 [various other receipts for appraisals, etc.]

Copy of the said marriage contract: to the effect that if Anna Abell should survive Peter, she would receive \$24.00 annuity each year; also that all property either should have at marriage or acquire thereafter to remain "their" own; also that she is not to claim in any way whatever any portion of said Mobley's estate after his death except the twenty four dollars, nor is he to claim any portion of her estate, etc. Signed by both parties, no witnesses.

+++++

On August 23, 1900, Peter Mobley sold to Terry Mobley a tract of land containing 137-1/2 acres more or less, to go to Terry's heirs after his death, reserving the right to occupy, with his present wife, the dwelling house upon the land conveyed and to use any portion of said land during the remainder of his natural life. Will of Terry Mobley:

Mt. Salem

Lincoln Co., KY

March 4th, 1903

I Terry Mobley, now sick with small pox of disposing mind and memory, make the following will: that in case of my death I want my wife Lucy J. Mobley to inherit my estate, after a due settlement of my indebtedness, also request that Dr. Edw. Alcorn act as my Executor Terry Mobley/mark/

Witnesses Carrie Moore

J.F.Coffey

Steele Bailey

On 7/13/1903 Lucy Mobley relinquished what was given her by the above will and elected to receive her dower and distributable share as if no will had been made. Recorded 8/18/1903

+++++

Anna Mobley filed a Suit in Equity against the heirs of Peter Mobley, 10/19/1903, claiming she was entitled to a widow's part of his estate, had never relinquished her rights to "exempt" and dower, esp. in regard to the 137-1/2 acre tract he sold to Terry Mobley.

The heirs pleaded that the marriage contract should bar the relief that the plaintiff sought.

Anna by her attorney in response claimed that the contract was void because of fraud; that at the time of the marriage he was worth approximately \$7,000 and she worth practically nothing; that Peter had promised that in case she survived him he would make ample provision for her.

Depositions were taken from F. Boone Rapier, Wiley Edwards, George E. Rapier, George Mobley, John Mobley and Mike Terrell.

Rapier, Clerk of Court, Nelson Co., KY, testified that Peter had sold land in the county to John Bell on 1/8/1898, Anna not signing the deed; also that Peter had sold land on 9/27/1883 to Jos. and Jas. Styron Mobley.

Mike Terrell testified that the 1883 sale had occurred before Peter's marriage to Anna, and that 280 acre farm and the stock on it were all the property he knew of belonging to Peter.

Wiley R. Edwards testified to the same effect.

Anna Mobley deposed that she was married to Peter 11/2/1886, did not know what he was worth then, that she had land worth \$350, had made the marriage contract, lived with him from 1886 to his death, looked after him in his last illness of 14-15 months, etc.

J. S. Mobley testified Peter was worth \$7,000 when he married Anna, did not know about Anna's property, that she had done all a wife could be expected to, etc.; that the property deeded to Terry cost \$4,000, that Terry had about \$350 worth of other property, that the other children got about \$2100 each Emmett McCormack testified that Peter had said he was to pay his wife \$1000 as a marriage contract, at the time McCormacks sold land to Peter.

Ernest Reichenbach was appointed guardian of the infant sons of Terry Mobley decd. He petitioned the court to accept a compromise with the plaintiff Anna Mobley by transferring to her a note for \$137.50 due to him as guardian of said infants, and releasing to her all right or interest which said infants may have in the personal estate of Peter Mobley; that Anna Mobley will release and disclaim any and all right title or claim she has to dower or any other interest in the tract of land mentioned.

Anna Mobley accepted the proposal in writing 2/22/1905

The Lincoln Co. Circuit Court accepted the proposed compromise, adjudged the marriage contract to be canceled, and awarded the proceeds of the personal property sale to Anna.

History of the Moberly family My Grandfather Levan Moberly died many years since in the state of Kentucky. My Grandmother Nancy Tucker Moberly moved from Kentucky about 1827 to Cedar Co., Iowa with her son Charles Nealy Moberly.

She died there between the years 1835 and 1840 over 75 years of age.

Their children are as follows: (as well as I am informed) **Drewery** Moberly, who lived and died, I suppose, near Moberley, Missouri; **William**, who died many years ago in Clark Co., Kentucky leaving two sons-- **Thomas and Clifton**. Thomas Moberly now lives in Shelby Co., Indiana. He is now 81 years old. He moved to that Co. with his Uncle John Robison (Robison. when quite young. His brother Clifton lives at Manchester, Kentucky. My Father, Walter Granville Moberly, was born in Maryland March 10, 1786. When he was eight years old the family lived between Alexandria and Mount Vernon in Virginia. He distinctly remembered seeing George Washington driving in his carriage from Mount Vernon to Alexandria, Virginia. They later moved to ?Boran Co. [Rowan], North Carolina. There he grew to be a young man and then came to Richmond, Kentucky, where he worked at the Carpenters trade for several years. He married my Mother in March, 1815 and moved to Winchester, Clark Co., Kentucky soon after. He lived there until the fall of 1829 when he moved to Washington, Co., Indiana, where he ever afterwards lived, and died on March 16, 1878. The other members of his family moved later from North Carolina to Kentucky.

Uncle John Moberly came from there to Lawrence Co., Indiana and there married Margaret Brooks. In the early settling of Iowa, they moved to Fairfield, Iowa, and ever lived in peace until his death in 1861 or 1862. His widow died in 1884. They had no children.

Uncle Charles Nealy Moberly lived and died, I suppose, in Cedar Co., Iowa, between thirty and forty years ago. The daughters were Polly, who married Asa Young--they had but one child, and are all dead, I think; Sarah, who married Felix Freeland--they had no children and, I suppose, they are also dead. Uncle Drewry Moberly had a son, Abraham, who lived and died in the Indian Territory. His son Louis spent the summer with us about twenty years since. The last we heard from him, he lived in Webb City, Missouri. He also had a son named John who lived and died some years since near Kirksville, Mo.

Father, who seemed to not like very long names, abbreviated our name a little by writing it Mobley instead of Moberly which is the old original name.

Now the foregoing is to the very best of my knowledge and, of course, it is a rather imperfect sketch as I do not ever remember seeing any of them but Uncle John T. Moberly.

Eliza Moberly (Mobley) 1901 or 1902 (age 76 or 77)

commissioners deed Madison Co, KY lists the heirs of Samuel Robertson,  
Martha's father. Martha Robertson Moberly was deceased by the time of the  
deed and her three sons are listed as heirs and Uncle Jim Robertson (James)  
was their guardian. The three were **William, Thomas and Clifton**. William and  
Clifton must have died young because I have not been able to find anything  
about them. **Thomas married Julia Barnes** who was a daughter of Noah Barnes and  
Polly Wheeler. Polly Wheeler was a sister of Nancy Wheeler who married James  
Robertson (Marriage Records of Madison Co, KY) son of Samuel Robertson. James  
and Nancy had 4 children, Samuel, John W., Thomas Wheeler and Mary.

I have a letter from Pleaz W. Mobley. I ordered his book he wrote for Dad.  
It is signed to Cousin Joe.this is what he wrote in his letter "My direct  
forefathers came from Salem NC. His name was John and had a brother named  
William Mobley. They came through Virginia and over the cumberland gap in  
Clay county. He goes on to say his father's name was Stephen Garrard Mobley  
who married Laura Allen. Also that his grandfather's name was Thomas  
Mobley,a civil war veteran. His father was Clifton Mobley. He goes on to say  
that goes back to John Mobley that came from North Carolina.. He continues to  
say we also came from Ireland.

Got your email about the family tree you recieved from Eugene Mobley. That is my family line that you have sent. **Gilbert Ward Mobley** was my grandfather and **Vergis Thomas Mobley** is my dad he married Alice Plough. I had sent this information to Eugene years ago and is also in the Mobley family history book. I am just not certain if this can be proven for fact or not. The reason I came to **believe** we were descendants of **William Moberley** (152?43) is through Pleaz Mobley of Clay County Kentucky. Pleaz was a judge and senator from that county and had published his family history. He always attended our family reunions in Kentucky according to some cousins. They stated Pleaz always told them they were related through **Clifton's** (152?431) father John [152?43 is William?] Moberley. He stated that after John set his son up in Clay County he moved to Rockcastle County Kentucky. There he helped his other son John Mobley set up a home this is my great great grandfather we spoke of. The only thing I dont have the facts to prove it, but I do believe Pleaz was telling the truth that this is how we were related

**Pleaz Mobley**

Pleaz was born on Jan. 24, 1912 at Aramie, in Clay County, KY to Stephen G. Mobley and Laura Allen Mobley. He began his education at a one-room school in a hollow between Big Wild Cat and Crane Creek. He enrolled in the eight grade at Oneida Baptist Institute and graduated from there with the class of 1930. Following graduation he studied at several colleges, attending classes for a semester, then teaching in one-room schools long enough to earn his tuition and living expenses for more college hours. He eventually earned his BA degree from Union College. His first endeavor in the political arena began when he was 21 and running for the position of Clay County Court Clerk. He campaigned on an old black mule...singing English ballads.and had, as his slogan, "Let's give the young man a chance." Although defeated, he ran again four years later and won the clerkship. He was clerk from 1938 until 1946, taking time out to serve as a pilot in the U.S. Air Corps and as Red Cross Field Director in the Pacific. While he was away serving his country, his wife, Jessie, substituted for him as Clay County Court Clerk. He renewed his political career by running for a U.S. Congressional Seat against John M. Robison Sr. Defeated but not deterred, he ran twice after that. Although he was defeated each time, he won notoriety by campaigning from a log cabin he constructed atop a flat-bed truck. As he put it, "I would step out on the porch, sing some ballads, play the guitar a little to gather a crowd, and then ask the people to vote for me." From 1951 until 1955, he was railroad commissioner for the 44 eastern counties of Kentucky. A year later, he was appointed, by President Eisenhower, to the federal bench as a territorial judge of Guam and the Trust Territories of the South Pacific. He was headquartered at Truk atoll in the East Carolina Islands. Pleaz was very proud of the fact that he won the Republican nomination for lieutenant governor, running with John M. Robison Jr., in the 1959 gubernatorial election. An article in the Mary 28, New York Times read, Pleaz Mobley, a Manchester attorney who sought the Republican nomination of lieutenant governor without the backing of GOP leaders, claimed an upset victory against the organization's candidate, J. Phil Smith."

In 1963, at the age of 51, he was elected to represent the nineteenth district of the Kentucky Senate, which was then composed of Clay, Jackson, Laurel, Owsley, and Rockcastle Counties. Although, his political career was varied and exceptional, Pleaz is probably best remembered as a renowned balladeer. He loved the English and Scottish Ballads. He collected and sang them as they were sung to him by his mother, Laura. His recordings of several of these ballads are preserved in the Archive of Folk song of the Library of Congress. For many years he performed with John Lair's "Renfro Valley Barn Dance"...and he once appeared on the "Today Show" when Dave Garroway was host. For 54 years, he was a member of the Masonic Lodge at Oneida, and he and Jessie were active members of the Manchester OES Chapter and of the Manchester Baptist Church. His daughter, Sylvia, and two grandson, Christopher Shannon Kelly and Patrick Andrew Kelly, reside in Lexington. +++

Steve Mobley married Laura Mobley who was a half Webb. This Webb is a descendant of Reuben Webb, Ben Webb, and Hallie Baker. To this union was born: Elmer who married Ollie Allen; Arthur who married Ada Rogers, daughter of Alex and Florence Allen Rogers; Pleaz William who married Jessie Johnson, daughter of W.C. Johnson. Pleaz and Jessie have one child, Sylvia. She married Virgil Kelley. Joe Mobley married Ruth Britton, daughter of Tom Britton. Joe lives in Florida. Getty Mobley married Lester Hensley, son of Bige Hensley of Manchester. Eddie P. Mobley married Ann Gregory, daughter of T.C. and Lucy Gregory of Horse Creek.

Author, **Pleaz William** was a school teacher. After he taught school, he was County Court Clerk for 12 years. He was a military service pilot A.T.C. during the war II. After the war, he was a Railroad Commissioner, federal judge of rust territories in the South Pacific, graduate of Jefferson Law School and University of Louisville School of Law. Kentucky State Senator from 1864-1968 and is now an attorney at law in Manchester, Kentucky and an Examiner for the Workmen's Compensation Board at Frankfort which is appointed by the governor +++

I have a letter from Pleaz W. Mobley. I ordered his book he wrote for Dad. It is signed to Cousin Joe. This is what he wrote in his letter "My direct forefathers came from Salem NC. His name was John and had a brother named William Mobley. They came through Virginia and over the Cumberland gap in Clay county. He goes on to say his father's name was Stephen Garrard Mobley who married Laura Allen. Also that his grandfather's name was Thomas Mobley, a civil war veteran. His father was Clifton Mobley. He goes on to say that goes back to John Mobley that came from North Carolina.. He continues to say we also came from Ireland.

"HISTORY OF LAWRENCE, ORANGE AND WASHINGTON COUNTIES, INDIANA" GOODSPEED  
BROS. 1884

WASHINGTON TOWNSHIP, WASHINGTON COUNTY, INDIANA

PAGE 870

**C. W. MOBLEY** was born in Clarke County, Ky., February 25, 1821. His father, **Walter G.**, was a native of Maryland, born March 10, 1786, was a carpenter by trade, went to Kentucky when a young man, where he met and married **Elizabeth Burton**, a native of Fayette County, Ky., born in 1796. In 1829 they moved to Washington County, Ind., and engaged in farming, until their deaths, the former dying, March 16, 1876, his wife in 1880. Our subject's early life was passed on his fathers farm and attending the schools of that day. He later learned the carpenter's trade and peddled clocks and tinware, continuing until 1855, with the exception of one year, when he was conductor on the L., N. A. & C. R. R. In 1855 he entered the firm of Platt, Martin & Gordon of Salem as clerk. After four years service he bought out the firm. In 1863 he succeeded his former employer, D. B. Platt, in the manufacturing of wagons and carriages. In 1865 he established a foundry and machine-shop. In 1861 he married **Mary Telle**, a native of Philadelphia, Penn. There are two children by this marriage-Fannie and Charles W. Mr. Mobley's life has been one of great activity and industry and of irreproachable integrity. He is a Republican. Mrs. Mobley was born July 30, 1834.

The Fairfield Ledger, Sept. 10, 1884, Page 3, col. 7.

DEATH OF AN EARLY SETTLER. In the death of Mrs. Margaret Hickenbottom, which occurred in this city Wednesday last, one of Jefferson County's oldest settlers passed away. Deceased had been of weak mind for several years, and knowledge of her history among the few persons who knew her in the earlier days is meagre.

Her age was probably about 82 years. She came to Iowa in 1838 with her husband, **Dr. J. T. Moberly**, Fairfield's first resident physician, a **native of North Carolina**, and who died September 1st, 1861. Prior to this removal she had lived in Indiana, where she was born, grew to womanhood and was married. After a year's residence at West Point, Dr. and Mrs. Moberly removed to this place, and made it their home until death summoned them home.

In 1862 Mrs. Moberly was again married to Joseph Hickenbottom, another old settler, who died in 1882. Dr. Moberly was a man who was highly esteemed by the people in those pioneer days. He was humane and generous, and his remedies and his skill were ever at the command of the afflicted, whether they had money or not. He was especially a favorite with the Indians, and his wife ably seconded him in his kind deeds. In early years she was a woman of vigorous mind, and it is unfortunate that her recollections of pioneer life were not collected and preserved for those of later generations. Her remains were interred in the Evergreen cemetery Thursday afternoon by the side of those of her first husband. (Note: The will of **John T. Moberly**, on file in the Jefferson County courthouse, **mentions Nancy Moberly, Eliza Moberly, and Ellen Moberly**, of Washington County, Indiana...Relationship not stated.)

JAMES W. MOBBERLY

**James W. Mobberly**, who is officially connected with one of Owensboro's most important industries, is also a representative of one of the old and prominent families of this section of the state, it having been established here very early in the nineteenth century. Mr. Mobberly has spent practically all his life in Owensboro and his record has been such as has gained for him an enviable standing. His paternal grandparents were **Peyton and Lucy (Haynes) Mobberly**, who lived in Daviess county, near Masonville, where the former followed the occupation of farming, and where both died. He was a deacon in the Baptist church and was a democrat in his political belief.

Among their children was **John S. Mobberly**, who was born in Daviess county in 1838, and whose death occurred in Owensboro, June 6, 1921. He followed farming pursuits and was a man of importance and influence in his community. He voted for the democratic ticket and was a deacon in the Walnut Street Baptist church of Owensboro. He was married to Miss **Mary Martin**, who was born in Daviess county in 1845, and is now living in Owensboro, at the age of eight-one years. She is a daughter of Thomas and Mary (Gordon) Martin, both of whom were born near Masonville, Kentucky, where they spent their lives, and there died, the father having devoted his active years to farming. He was a member of the Baptist church and was a democrat. Of the children born to John S. and Mary Mobberly, the following are living: **E.T.**, a minister of the Baptist church in Mississippi; **Mary L.**, who is teacher of English in the Owensboro high school; **Nellie**, who remains at home with her mother in Owensboro; and **James W.**, the immediate subject of this sketch.

**James W. Mobberly** was born in Daviess county on the 1st of November, 1870, and received his education in the district schools of Daviess county and the public schools of Owensboro, after which he took a commercial course in the Spencerian Business College, in this city. His first employment was as the carrier on one of the newspaper routes in Owensboro, his brother, **Edward T.**, carrying the other route. After one year of this work, he obtained a situation as bundle boy for Phillips Brothers & McAtee, where he remained two years, after which he returned to the home farm and assisted his father until he had attained his majority. He then became clerk on the warf boat and White Collar line, which position he held five years, when he became secretary and treasurer of the Messenger Publishing Company. He held that position thirteen years and then assisted in reorganization of the Messenger Job Printing Company, in which also he was secretary and treasurer for thirteen years. On January 1, 1922, he bought an interest in the Owensboro Planing Mill Company, of which he became secretary and treasurer, which position he still holds. He has been conscientious and faithful in the performance of his duties and has been an important factor in the splendid success which the company has enjoyed.

On May 12, 1897, in Louisville, Kentucky, Mr. Mobberly was married to Miss Ann L. Stumpf, who was born and reared in Louisville, a daughter of Adam and Margaret (Deuser) Stumpf. Her father was born in Germany in 1836 and died in Owensboro in 1916, at the age of eighty years. He owned considerable real estate in Louisville and Owensboro and at the time of his death was retired from active business pursuits. Margaret (Deuser) Stumpf was born near Charlestown, Indiana, and died in Louisville, in 1906, at the age of sixty-three years. They were faithful members of the Lutheran church and Mr. Stumpf was a democrat in his political faith. Mrs. Mobberly was graduated from the Louisville high school and then from Shurtleff College, at Alton, Illinois. She is an active member of the First Baptist church, is superintendent of the primary department of the Sunday school and is a president of the Woman's Missionary Society. To Mr. and Mrs. Mobberly have been born two sons: **Eugene Stumpf**, born March 25, 1900, was graduated from the ---- rest missing

MISS **NELLIE MOBBERLY**: Miss Nellie Mobberly was born near Masonville, Daviess County,

Kentucky, and was brought by her parents to Owensboro, Kentucky, at a very early age. She professed faith in Christ at the age of sixteen and was baptized into the fellowship of the First Baptist Church by Rev. Fred D. Hale. She soon thereafter moved her membership to the Walnut Street Baptist Church. She was a member of the Third Baptist Church for some time and remained a member there until the year 1921 when she united with the Buena Vista Church where she still holds her membership. She has been very active in the work of the W. M. S. in the Churches and has served as President of the Walnut Street and Buena Vista Societies. She served for four years as the Assistant Superintendent and for six years as the Superintendent of the Daviess-McLean Associational W. M. U. She has taught a Sunday School class almost from the time of her conversion. Her parents were **John S. and Mary Martin Moberly**. She attended the Owensboro public schools and has been a keeper at home during most of her adult life. Miss Nellie is a faithful worker in her Church and in the Associational W. M. U. and her friends are numbered by the acquaintances she has made through the years. Her consecrated life has been an inspiration to all who know her.

Thanks to the diligent research of census record by Chris Robinson in FL, we believe we have a more certain placement of our Samuel Mobley MIA# 15343, who married Elizabeth Talitha Thompson.

Records support that he was the son of Samuel Mobley MIA# 1533 who was married to Catherine \_\_\_\_\_, rather than the son of Denton MIA# 1534.

I believe that the evidence is strong enough to change our Samuel's place on the MIA.

Thanks, Ron Mobley

===

Here is the original email to me from Chris Robinson. Although not conclusive, it represents the strongest evidence to date.

What we do know conclusively from Karen Schnorrenburg and her professional genealogist, Mr. Einsley from their research on the Biddle family is the following:

1. Christina Biddle was married to Denton Mobley and they remained, died and are buried in PA.
2. Denton and Christina did not have a son named or referred to as Samuel.
3. Denton did have a brother named Samuel who moved to the Stark Co., OH area along with his brother Ezekiel.
4. Census data below indicates that the Samuel in Stark Co. was forty-four years of age in 1820. As noted, we believe the male, age 16-18 could and likely is our Samuel. He died January 30, 1839 and was thought to have been age 39 at time of death.

I believe this to be the most logical placement of Samuel and am positive that the tentative placement as Denton and Christina's is not accurate.

Hi Ron,

Thanks for the websites and recent information. I have found a couple new bits of information that might be relevant to our search. The Stark County records show that Samuel Mobley was living there in about 1815/1816. Hopefully this is the same Samuel Mobley that was listed in the 1800 census of Huntingdon Co., PA. I cannot find this Samuel Mobley in the 1820 or 1830 census in Stark Co., OH, but I do find a Samuel (and an Ezekiel) Mobley in neighboring Wayne Co., OH in 1820. In the 1820 census, Samuel Mobley's household looks like this:

1 male (age 0-9)  
1 male (age 10-15)  
1 male (age 16-18)--Could this be OUR Samuel, who was born in 1802?  
2 males (age 16-25)  
2 males (age over 44)--One must be Samuel, but who is the other one?  
2 females (age 0-9)  
1 female (age 10-15)  
2 females (age 16-25)  
1 female (age 26-44)

On the same page as Samuel Mobley is an Ezekiel Mobley (age 16-25) with a wife and three young sons (age 0-9). Could this Ezekiel be a son of Samuel, named after Samuel's father? Samuel Mobley was still living in Wayne Co., OH in the 1830 census.

The other intriguing clue I found goes back to the old Mobley tradition found in Kozee's book that said that Samuel and his two brothers came down the Ohio River to Kentucky to visit their uncle, JOHN ADAIR. After much research, we have not been able to clear this up, but I am now wondering if this tradition may have been garbled over the generations. Could it be that Samuel and his brothers were visiting an uncle JOHN who lived in ADAIR Co., KY? In the 1820 census, there is a JOHN MOBLEY in ADAIR Co., KY. I have not found much on this John, but he disappears after this census. What do you think?

Best Regards,  
Chris

In addition to farming Rezin W. Moberly operated a large mercantile store on the west side of the pike two miles north of Buford for over twenty years. His store was south of the cross roads where State Route 286 intersects Route 134. The old Ducannon school house was located on the southwest corner of the intersection.  
 October 2, 1890 the first post office in the area was opened in the Moberly store, with Rezin W. as the first postmaster until the store was moved into Buford.  
 Rezin W. Moberly was also active in the Grange, serving as treasurer for seven years. He held several official positions on the school board and as a trustee of Clay Township. Elizabeth died in 1882, Rezin W. in 1906. Both are buried in the Buford Cemetery, as are many of their children.

Carl,

Finally a fairly conclusive lineage of our Samuel Mobley 15331.

We believe the father of our Samuel was Samuel son of Ezekiel and Mary Beall

Hi Ron,

I have been thinking lately about the old Mobley family tradition which stated that Samuel Mobley along with two of his brothers came down the Ohio River by flatboat to KY in about 1822. There is a lot of detail in this story--including the fact that several feet of snow had fallen--and I was thinking that if this story were factual then it would be interesting to see which Mobley households in OH and PA had three sons in the 1820 census which would have been of age to travel to KY in 1822. In OH and PA, I find only two households which have at least three sons of the right age: REZIN MOBLEY in Highland Co., OH and SAMUEL MOBLEY in Wayne Co., OH. This again points to this Samuel Mobley as being the father of our Samuel Mobley, of Carter Co., KY. I also found an Ezekiel Mobley in Brown Co., IL from 1830. This Ezekiel Mobley was born in PA in about 1805--just three years younger than our Samuel Mobley. Like our Samuel Mobley, this Ezekiel Mobley was also employed for a time as a teacher. It really makes me wonder whether Samuel's brothers remained in KY, returned to OH, or eventually went elsewhere.

By the way, here is the site with more information on the Mobley DNA Project:

<http://www.familytreedna.com/group-join.aspx?Group=Mobley>

I think there is a link there to contact the group administrator. I had been at a brickwall for years trying to find out more on the origins of my Ezekiel Robinson (ca1775-ca1855), of Carter Co., KY. Last year I joined a Robinson DNA group and out of over 200 Robinson males in the group, it showed that I was a perfect match with six or seven other families from as far away as MA and Canada. By the way, in the 1830 census of Lawrence Co., KY, my Ezekiel Robinson and our Samuel Mobley are shown as "next door" neighbors.

Best Regards,

Chris

Hi Ron,

I found this information on the Mobley DNA Surname Project. Here is the site: <http://worldfamilies.net/surnames/mobley/results> If you are ever interested in participating in this, so far all of the Mobley men involved are exact or almost exactly matched. This indicates that the Mobley families in GA, MD, etc. had a common ancestor (either in this country or back in Great Britain). You can see the results here for at least one descendant of John Moberly, of Prince George Co., MD (b. ca1657). John Moberly / Mobley is believed to be the grandfather of Ezekiel Mobley, who in turn was probably the grandfather of our Samuel Mobley (1802-1839). This DNA stuff is becoming a new and fascinating aspect of modern genealogy research.

Best Regards,

Chris

Hi Ron,

You may have this information already, but I found it recently while doing a Google books search. This is from Supreme Court cases for the state of Pennsylvania, and it concerns a case involving the widow and children of Ezekiel Mobley. You can read about it here:

<http://books.google.com/books?id=LJs4AAAAIAAJ&pg=PA200&dq=%22ezekiel+mobley%22>

I believe that this Ezekiel is likely the grandfather of our Samuel Mobley of Carter Co., KY. This case record shows that Ezekiel's widow (and the mother of his five children) was Susannah (Philips) Mobley--sister of Capt. William Philips. You can read more about Capt. William Philips here:

<http://www.motherbedford.com/Phillips.htm>

It is really interesting to note that this Capt. William Philips eventually moved to KY, and in the 1830 census of Green Co., KY he was listed as between 90 and 100 years of age. Could this have been the uncle that Samuel Mobley and his brothers travelled to KY to visit according to the old Mobley family tradition???

Do you have any more information on this? We may be onto something with this one. By the way, I recently joined a Y-DNA family project to try to prove where my Robinson family came from and which Robinson families I am related to. You might consider doing the same for the Mobley bunch. It could prove once and for all which Mobley family we connect to.

Best Regards,  
Chris

John Harris Mobley, one of the promoters of the limestone industry of northeastern Kentucky, has also achieved success in other lines of endeavor and occupies a central place on the stage of activity in Olive Hill. He was born October 2, 1885, in Carter county, Kentucky, and is a son of William and Araminta (Whitt) Mobley. His public school education was acquired in his native county and this was supplemented by a business course in Valparaiso University of Indiana. When but ten years old he began work in a store at McGlone, Kentucky, conducted by the firm of J. P. Whitt & Son, of which his maternal grandfather was the executive head. Mr. Mobley was thus engaged for twenty years, acquiring practical experience along commercial lines, and in 1906 embarked in merchandising at Olive Hill. He prospered in the undertaking and conducted the business until 1920. Meanwhile he had become interested in industrial affairs and in 1911 formed the Atlas Stone Company of Olive Hill, which was started with a small capital.

He gradually acquired other properties and in 1916 reorganized the business, which has since been known as the Olive Hill Limestone Company. Mr. Mobley is president of the firm, which operates quarries at Highland, Atlas and Limestone, all located in Carter county.

Through carefully formulated plans and judicious management he has developed an industry of large proportions and the Big Sandy Telephone Company, of which he is also president, has likewise profited by his administrative power and keen sagacity.

Mr. Mobley was married June 15, 1909, to Miss Clara Shumate, a daughter of John W. and Alice (White) Shumate, of Carter county. Mr. and Mrs. Mobley have a family of four children: Geraldine, who was born February 9, 1912; Joyce, whose natal day was May 2, 1916; John Harris, Jr., whose birth occurred on the 8th of July, 1917; and Willard Kerkeek, born September 11, 1920.

Mr. Mobley gives his political allegiance to the democratic party and along fraternal lines is connected with the Knights of the Golden Eagle, the Benevolent Protective Order of Elks and the Masons. Through the wise utilization of the natural resources of Carter county he has contributed materially toward its development and progress and his genuine worth has established him high in public regard.

 Our Kenneth was born July 12, 1910 In Elliott Co., KY and we believe that he died in WV. He was the oldest son of Charles Lester Mobley and Sarah Minte Creech. A couple rented a house and found a scrap book that belongs to Kenneth and sent it to me. They found my name on your site, I guess. They heard that Kenneth had died but know nothing more. He had been estranged from the family for some time. Ron Mobley

Consider the 1860, 1850, and 1840 census of Luzern township, Fayette Co.

PA. A family containing the following persons are in 1850 and 1860:

|          |                   |                       |
|----------|-------------------|-----------------------|
|          | 17 SEP 1850 p 371 | 30 AUG 1860 p 508     |
| Lewis    | age 42 of MD      | Lewis age 53 of MD    |
| Sarah    | age 42 of MD      | Sarah age 53 of PA    |
| Martha   | age 7 of MD       | Martha age 19 of PA   |
| Margaret | age 10 of MD      | Margaret age 16 of PA |
| James    | age 4 of MD       | James age 13 of PA    |
| William  | age 1 of MD       | William age 10 of PA  |
| Mary     | not present       | Mary age 6 of PA      |
| Mannetta | not present       | Manetta age 2 of PA   |

Since Martha was my great great grandmother, I know she was the younger daughter- some one mixed them up in 1860. The census dates and ages suggest several of them were born in late September or in August. Lewis was born in 1807 and Sarah in 1817.

The 1840 census of Luzerne Twshp Fayette Co. PA contains

Lewis MOBLEY 0000010... 000010...

which says Lewis was between 30 and 40 years old and his wife is between 20 and 30 years old, and they have no children. This is consistent with the later census.

There is a marraige reported in the Closson Press of Fayette Co., Saying that a Lewis MOBLEY married Elizabeth C. McCleary in Uniontown, Fayette Co. PA on 30 May 1831. Sarah would have been 13 years old then, and Lewis only 23 years old- Either not the same Lewis or Elizabeth died.....

You have proved that Lewis MOBLEY of Frederick, MD, died in 1807 and I have proved that Lewis MOBLEY of Fayette Co. PA was born in 1807 in Frederick, MD. Perhaps Drusilla DORSEY was pregnant with Lewis in 1807 and didn't deliver until after Lewis died. Then Lewis would not have accounted for his new son in his will, and the son might have been ignored. What happened to Drusilla after Lewis' death???

He was a member of the Episcopal church and of Columbia Lodge of Masons. In politics he was a staunch Democrat, but never aspired to any political office.

Mr. Young in 1862 married Miss Laura Moberly, of New Market, who died about 20 years ago. He is survived by three children: Mrs. Baker Johnson, Frederick; Mrs. Arthur Williams, Elkridge, Md.; Mrs. Eloise English, this city.

YOUNG, McClintock W. (Sr.) was born June 25, 1836 in Washington, DC to McClintock & Susan Bird (Newman) Young. His father was at one time the chief clerk of the U.S. Treasury, having been appointed by President Jackson. McClintock, Sr. was educated at the schools of Washington, and at St. John's College in Annapolis. He was known as an inventor. At the age of 12 he made a steam fire engine that would throw a stream about 40 feet. His first patent was a "self-rake" for reapers which was sold to McCormack Harvester Co., to be incorporated into their machines. From 1856 to 1870 he conducted a foundry and machinery business in Frederick, MD. In 1869, he patented a bicycle, but was not credited for inventing the bicycle, since the first rideable bicycle

was made in Scotland in 1839. In 1870 he invented a match-making machine. This machine was sold to Diamond Match Co. From 1889 to 1901 McClintock and his associates patented as many as ten basic brush machines to change the manufacture of brushes from slow hand methods to automatic operations. These machines were built and used at the Ox Fibre Brush Works (formerly the Pahnetto Fibre Co.) in Frederick, MD. McClintock was a Mason, belonging to several lodges. He also attended the Episcopal Church. He married in New Market, MD on June 19, 1862 to **Louisa Mary Moberly** (1834 - November 3, 1886), second daughter of Dr. Eldred W. & Louisa Mary (Brashear) Moberly. McClintock & Louisa had five children: Helen Young (died Oct. 25, 1935) wife of Baker Johnson. Elizabeth Bird Young (wife of Dr. Arthur Williams), McClintock W. Young, Jr. (died July 28, 1868 aged near 4 months), Louisa Newman Young (died July 19, 1870 age near 1 year) and Eloise Newman Young (wife of Arthur English). McClintock, Sr. died August 1, 1913 at his residence. 122 Court Street, at the age of 77. He was buried in Area H. Lot 483.

Affairs in Frederick County - we gather the following items from the Frederick Examiner:

Shooting Affair - On Tuesday the 1st inst. - a serious encounter took place between G. Milton Trayer, a returned Union soldier, and **John Cook Moberly**, a returned rebel, both of New Market, in this county, which resulted in shooting the former. The following are the facts of the affair so far as we have been able to gather them: - It seems that Trayer went to the house of **Dr. E.W. Moberly**, father of John Cook Moberly, and spoke of some threats that had been used, when a quarrel had ensued which was overheard by young Moberly, who immediately presented himself with a revolver in his hand, saying that he would shoot Trayer.

Fortunately the brother and sister of Trayer succeeded in getting him home, but shortly afterwards returned, when Moberly snapped his revolver at him. Again Trayer was taken away by his brother, but was followed by his antagonist, who fired at him, the ball taking effect under the chin, and passing around, lodged in his neck, causing a painful and perhaps fatal wound. Moberly was immediately arrested and committed to jail, but owing to some informality in the commitment a second hearing of the case was had, when he was released on giving bail in the sum of \$500, to await the action of the grand jury, Milton Trayer was formerly First Sergeant in Company I, 13th Maryland Regiment, and is said to have been an efficient soldier.

---

Since our last report the following paroled rebels of Lee's late army have made their appearance in our midst. They all promptly reported themselves to the Provost Marshal and took the usual oath. Among the number will be found one Captain and a Surgeon, both of whom retain the offensive swagger peculiar to the Southern chivalry. Their names are as follows: **B. Moberly**, Thos. B. Brashears, Chas. M. Pearre, L. Vic. Baughman, C.H. Brashears, Chas. Wilson, W.F. Crouse, Capt. David Boyd, Dr. Joseph G. Schell, L.F. Dickinson, S. Sprigg Cockey and J.R. Bromwell.

Interment was made in the Hopkins cemetery.

Miss Sarah A. Anderson was born near Heartsville, Ind., November 5, 1842. She was united in marriage to James Mobley in 1861. To this union one daughter was born, Mrs Elizabeth A. Anderson of Tryon, Okla. Mr Mobley died during the civil war near Vicksburg, La April 25, 1864, she was united in marriage to C.B. Mobley. To this union were born six sons and two daughters. Two sons died when young. Those surviving are William H. Mobley of Tryon, Okla, John W. Mobley and Isaac Mobley of Hopkins, Mo., David E. Mobley of Parnell, Mo., Mrs John Knowles of Hopkins and Mrs Will Mahan of Bedford.

Mrs Mobley was converted when a young girl and united with the Baptist church, of which she was a worthy member. For many years she was unable to attend religious services, having been sick for twenty-three years. Her last severe illness was of less than a week's duration.

The Times-Republican, Bedford, Iowa, Thursday, March 23, 1916

This obit is incorrect that the second husband was C.B. Mobley - it was Elijah B. Mobley. James and Elijah B. Mobley were sons of Jesse and Ellen Mobley. I am looking for information on their older brother, John L. Mobley who married Harriet Stutsman.

 A book titled "Hope Area Families", written by Mildred Dixon Harrod, says that Jennie was the daughter of Milton and Sarah Wilson, and was one of nine children. The book goes on to say she moved to Hartsville when she was a small child and that after the death of Jacob Mobley, she married Jacob Ricker. Her name in "Hope Area Families" is given as Jennie Wilson Ricker and two brothers are identified - John Bottorff of Xenia, Ohio and James Bottorff of Hartsville, Indiana. In the Indiana, Bartholomew County Clerk's Office Coffman File, Jennie's name is given as Jennie F. Bottorff. I question the accuracy of the Harrod book because the 1880 census for Bartholomew Co., Indiana lists a Milton S and Sarah Bottorff with three children including a Jennie F born about 1868 (Jacob's wife, Jennie was born 9/4/1867 in Clark County, Indiana). The same Milton and Sarah Bottorff appear in the 1900 and 1910 censuses for Bartholomew Co.. Jennie married Jacob Ricker (d: 1941) in March of 1932 and she died October 26, 1944 in Greensburg, Indiana. Jennie and Jacob Mobley had seven children from 1887 to 1889. The source of most of this information is the Indiana census combined with what is noted in the Coffman file. Vern Beckman 4/13/04

I've never seen his birth certificate, but I do know that his name on his California Drivers License was "Jess" not "Jesse". My father's name was "Jesse". My Grandfather was a Veterinary Doctor and on his license it was also "Jess"

Now comes the confusing part: As I indicated earlier, I was raised by my Grandfather, (Doctor Jess Ralph Mobley, DVM) in a small community of Munson, California. He told me many times that his father was a medical doctor and his name was William Mobley. I don't believe that he was born in IN., I

thought it was PA., but I can't be sure. His mother was a teacher and the governess to the family of William Penn. That may be the reason I believe he was born in Williamsport, PA. He told me he had two brothers and no sisters. His brothers names were William Mobley, the eldest, and a younger brother named Terrel Mobley. He also told me that both his parents and his older brother William died when he was very young. He said he was raised by a couple aunts that were very religious and at age 13, he and his brother Terrel ran away from home to go to Texas to become Cowboys. While driving cattle from Texas to Kansas, he met and married Lula Hopper in Oklahoma. They lived somewhere around the Fort Supply, area and he had a Dray and Transfer business, moving supplies from place to place by horse and buggy, and he also worked as a Veterinary Doctor on horses and cattle. His brother Terrel met someone and moved to Mississippi and started a family there.  
 Joe Mobley.

Lewis' parents, John (15461) and Ruth Mobley, moved from Maryland to Indiana in about 1817. Lewis was born in 1830 near Madison, Ohio which then was a small village on the banks of the Ohio. He was the eighth of twelve children. In 1838, in search of better land for farming and better educational opportunities for their children, John and Ruth moved the family a little farther north to Bartholomew County. As a family historian tells it, Lewis "turned to books and learning, from the time he was a stripling. And he studied late and early, so that he might be a teacher." In 1854, Lewis married Julia Rohrer of nearby Decatur County. In 1859, Lewis' childhood efforts were rewarded when he became an instructor at Hartsville College. Continuing his education while teaching, he earned an MS degree from Hartsville in 1879. Until his departure from Hartsville in 1880, professor Mobley taught courses such as Chemistry, Natural Science and Geology. He died in 1902 in nearby Columbus, Indiana. His life might have been summed up best in a portion of a poem written by one of his nine children, Minnie May (the historian quoted above), in 1929. It reads as follows:

Those who knew Professor Mobley, held him in esteem and reverence,

For his honesty and kindness, and his courage of conviction.  
 Strict and stern his code of morals - but his heart was soft and tender,  
 And his children well remember, how he tended us in childhood,  
 When we had an awful earache, or a bunch of frosted fingers.  
 How he walked the floor at midnight - Sang the song of "Davy Crockett"  
 And the old clock spring he'd jingle, just to charm away the torture  
 And to soothe us back to slumber.

Darius Mobley was born in Hartsville, Indiana in 1855 - the first of nine children born to Lewis and Julia (Rohrer) Mobley. He grew up in a strict religious home. The daily reading and studying of the bible was an important part in his education and family life. He received an AB degree from Hartsville College in 1875. In 1876, he married Harriet (Hattie) Hessey who had been a ward of and was raised by the Reverend Daniel Shuck who had taught at Hartsville. In 1877, Darius entered the Union Biblical Seminary in Dayton, Ohio. He graduated from the Seminary in 1879 and that same year he accepted a position as president of a newly created Woodbridge Seminary in Woodbridge, California. For three years, the seminary operated as a secondary or college preparatory school. In 1883, it incorporated as a college and renamed itself

the San Joaquin Valley College. As well as being president, Darius was a professor of Mental and Moral Science teaching such classes as Homer, Tacitus, Logic, English Past and Present, Latin Reader, Caesar, Analysis, Sophocles and De Senectute et de Amicitia. Under his direction, the college reached the height of its success in the late 1880s and became known as the "Athens or San Joaquin County". In 1891, Darius left the college to enter the ministry. However, circumstances dictated another course and he accepted a position on the faculty of the Stockton High School near Woodbridge. Later, he became principal of the school and remained in that capacity until 1903. In 1895, Hattie died of tuberculosis. She and Darius had nine children. Four and one half years later (1899), Darius married Mabel Barrows and in 1901, Mabel gave birth to Darius' tenth and final child. Darius' reason for leaving Stockton High School was to enter the ministry as pastor of the First Presbyterian Church of Fowler, California which is about eight miles south of Fresno. The Mobley family remained in Fowler until 1907 when Darius accepted the pastorate of the Westminster Presbyterian Church of San Francisco. He remained there until 1901 when he resigned to become pastor of the First Presbyterian Church of Vallejo which is about 25 miles north of San Francisco. He remained as pastor of that church until his retirement in 1927 at the age of 72. Years after his death, he was remembered as loving but not demonstrative; dignified but with a sense of humor; and, one who never stopped learning. During his last year, when he could no longer drive, he would take a bus to the local library to check out the latest philosophical and scientific books

am wondering who David Thompson's wife, Elizabeth Mobley's parents are?  
Elizabeth Mobley was born about 1789 in Maryland, died May 15, 1861 in Jackson County, Indiana. David Thompon and Elizabeth Mobley were married January 03, 1809 in Montgomery County, Maryland.  
I believe that David Thompson was living in Belmont County, Ohio about 1810, before ending up in Millwood Township, Guernsey County, Ohio - where most of their children were born. I don't have the census records in front of me for the exact dates. I am going by memory. By the 1850 census they were in Peeble Township, Pike County, Ohio. David Thompson died May 11, 1858 in Pike County, Ohio. Elizabeth Thompson ended up moving on to Freetown, Jackson County, Indiana where her children moved to.  
David Thompson's sister, Jemima Thompson married Lewis Mobley December 3, 1807 in Montgomery County, Maryland. Lewis Mobley was the son of Levin Mobley and unknown mother. Lewis Mobley was born 1786 in Montgomery County, Maryland.

Do you have any idea who Elizabeth Mobley's parents are? The only Elizabeth Mobley that I can find with a date of birth which is close - is the daughter of Mordecai. But it shows that she married an Allen Mobley.

The father for Lewis Mobley that married Jemima Thompson is Levin Mobley. I found Levin Mobley living in Montgomery County, Maryland in the 1790 census and in District 1, Montgomery County, Maryland in the 1800 census. Levi and Lewis Mobley are living right next door to each other on the 1810 Montgomery County, Maryland census. In 1820 there are 2 Levi Mobley's and 1 Lewis Mobley all in Belmont County, Ohio - each in a different township. I figure that the father - Levi is living in Smith Township, son - Levi is living in Goshen Township, and son - Lewis is living in Richland Township.

GRAND ISLAND, Neb., Aug. 18.-

A letter from Manila, P. I., announces the death there on July 10 of Seth P.  
Mobley, formerly business manager of the Grand Island Independent, member of  
the worlds fair commission for Nebraska in 1893, later a publisher in Wood  
River and Grand Island and in more recent years connected with the government  
service in the Philippines.

Mr. Mobley became secretary of a building and loan association at Manila,  
resigning his government position, though Mrs. Mobley is still in the service  
of the government there.

He was a member of the G. A. R., having served in the civil war, and later  
was a scout, doing duty among Indians and on the frontier, which service  
brought him to the west. He is well known among the older newspaper men of  
Nebraska and among the republican leaders of twenty years ago.

By Pat O'Neill, Tribune staff writer

John C. Mobley was just a man who came and went through Rifle, never stopping to do much business here or make any kind of a fuss.

He was no desperado, no crazed coot out of the local hills or no early day lawman in search of an outlaw from Robber's Roost.

But he sure managed to leave his mark in this old west community.

John C. Mobley is that "ornery lookin' cuss" in a pair of enlarged photos around town, and the source of many an argument between old timers, some of whom swear up and down "that fella in the pitcher is Cedar Post Bill".

Well, Cedar Post Bill is another story altogether (the Tribune will take a look at him some time soon). But, delving a bit into the character at hand, we find that John C. Mobley was an early pioneer who helped found the town of Marble and who, from all indication, wasn't as mean as he looked.

The whiskered man with the battered, wide brimmed hat was the grandfather of Carl Mobley of Silt Mesa who is the husband of Rifle librarian Dee Mobley. He was, from what we can gather, a quiet-spoken man with wandering feet who was fond of rough country and new frontiers.

Old-timers old enough to remember the craggy mountain man passing through Rifle are few or a thing of the past. So, with the help of the family, this is what we've been able to piece together.

"Grandpa" Mobley came from out in Nebraska country where he ran cows for the Russell and Brown Cattle Company following a stint with the Union Army in the Civil War. And from there, his itching feet took him to

early day Julesburg, Colo., where he kept peace on the streets as that town's man behind the badge.

In 1880, Mobley traded in his silver star to join the procession of dreamers across the mountain to the bonanza camps of the Crystal River Valley. Wife and kids in tow, the man with the "determined look" headed for what is now the ghost town of Crystal City and eventually laid claim to a homestead at the confluence of Rock and Carbonate creeks.

On his way there, he encountered one of several natural obstacles to his life of 90 years. He, the wife Julia, two little boys and one girl found themselves on Schofield Pass in late summer. The heavy wagon that carried the pioneer family bogged down on the narrow mountain pass. In fact, it proved too big for the trail. With winter and unforgiving snowstorms not far off, the wiry Mobley had only one alternative. He dismantled the wagon, packed the pieces on his horses and continued on foot.

Before coming off the mountain, the family ran out of supplies - the going was slower than anticipated. The kids stayed healthy with meals of wild game and a generous handful of salt given them by a passing miner.

If history had changed just one of its tiny details, it is possible that Mobley would have built a town of his own. Near his homestead on the banks of the two creeks, Mobley laid out the townsite of Clarence. And it seems the little mountain community was well on its way to growth, and at least temporary prosperity, when an acquaintance and rival, William Wood, managed to procure a post office in his town nearby which he was calling Marble. There was no use duplicating efforts after that, so the two men combined their layouts and Marble was ultimately incorporated on Aug. 5, 1899.

But that lead to "too damn many folks" for John Mobley, so he packed up the brood and set up the Mobley Camp at the junction of Rock and Avalanche creeks. And this time, no one beat him to a post office. In August of 1887, he was appointed postmaster of his camp, which, by then, had come to be called Janeway.

It wasn't too long though before there were 50 folks calling that place home and Mobley again hauled the brood down valley to a quieter spot near Carbondale, where he took to ranching.

Now, times must have been pretty good for John Mobley because he proliferated his stock of children and cattle. The next time he felt a burr under his saddle and decided to make for the northwest, he claimed eight youngsters and had 75 horses and over 100 head of cows to contend with.

That was in 1902 and the whole lot of them passed through or near Rifle on their way north. That was in early fall - not a generally good time for long distance travel in those days. And a man that should have known better, found himself and nine members of his family huddling in a tent at the mouth of Wolf Creek when the season's second snow fell.

The three boys- one of whom, Charlie Mobley, now lives in Meeker - slept under tarps and blankets in the back of a buckboard, due to the fact that the tent was "a might crowded".

The quiet man was beginning to age a little at that point of his life - he was, we guess, about 60 years old. And that winter, spent rustling up venison and trying to prevent the ultimate loss of most of his livestock, took a great deal of the itch out of Mobley's shoes.

He headed for "the boonies" near Blue Mountain some 60 miles northwest of Meeker - a landscape left mainly to the Indians. There, he filed on 160 acres encompassing an area of ample water supply known as Three Springs. There was a cabin there, which the family made livable and moved into.

About the only visitors consisted of Indians, former cowboys turned game wardens and quiet characters on horseback who came in from the direction of the infamous outlaw den, Brown's Hole, to the west.

Ute Indians, so the family stories go, camped more or less on the front lawn of the Mobley estate, without the courtesy of permission while on hunting excursions to the south. But the understanding in the family "we won't say anything if they won't".

That wary trust and familiarity with the hunting bands of Indians was solidified following a "fracas" between a hunting party and a pair of game wardens in Gillian Draw outside of Rangely. The way the tale is told, one of the wardens, dethroned from his horse in the skirmish, headed into what locals like to call "the badlands".

That warden wandered onto the Mobley ranch and wanted to hide out there until the Utes cooled down. The unfriendly looking Mobley, more concerned about his golden scalp and those of his family, told the man if he valued his, to "hightail it out of the country about as fast as yer feet'll take ya".

Not long after the frightened warden left for parts unknown, a band of irritated Indians arrived at the cabin and demanded to know if the white warden was stashed anywhere about. Mobley reportedly told them the fellow had been there but moved on. He was then told that, if he spoke the truth, he would "wakum up in the morning". If not, he "not wakeum up in the morning".

He woke up - aged, golden hair still intact.

Now, reference has been made to John Mobley's long head of hair and if the reader will notice in the photos encompassing this article, Mobley made no attempt to hide it under his hat. In fact, they say, he was rather vain about the unkempt looking mop.

There's a story about that too ! It seems Mobley was partial to trading in Glenwood Springs, as he had earlier established good credit there, when living near Carbondale. And, on one particular afternoon, he was having lunch with a fellow traveler at the Hotel Colorado.

During the course of absorbing his groceries, he became aware of stares and pointing gestures from a nearby diner. The man persisted, they say, in making loud comments to the effect that Mobley's hair was "sissy".

The whiskered Mobley finished his meal, dabbed his chin and walked to the heckler's table. He bent over close enough for strands of his hair to dip in the man's soup and said "Son of a bitch, would you like to pull it?"

A long moment of silence ensued and Mobley later told a son "no one seemed inclined to take me up on my offer, so I left".

Mobley died in the 1920's.

"Mr. Frank H. Mobley, MPP

Mr. Frank Mobley, the well-known and popular member for Atlin, has been called from the assembly here to the vastly greater assembly "on the other side." His untimely and unlooked-for death will prove a great loss to the province and in an especial

sense a real deprivation to the extensive northern constituency he so faithfully served. There were qualities in Mr. Mobley that differentiated him somewhat from the mere partisan supporter of a given party in the house. Nearly all men who live in the boundless expanses of the North become from the very nature of their surroundings broad and tolerant in their views. Qualities are developed that inevitably single them out for distinction in certain things as compared with the majority of their legislative colleagues. Hence Mr. Mobley enjoyed in a special degree the esteem of members on both sides of the House and his sudden summons will cause deep sorrow within the legislative halls of the province. The Colonist joins with them in tendering sincerest sympathy to the family and friends of the late member."

Frank Mobley Died At Victoria Today  
Member for Atlin in Legislature was Victim of Septic Poisoning; News Came as Shock to People Here.

Prince Rupert people were shocked to hear of the death this morning at Victoria of Frank Harry Mobley, member of the Legislature for Atlin and for many years a resident of this city. Word had been received by Mrs. Mobley that he was seriously ill and she planned to leave for Victoria on tonight's boat when the telegram arrived telling that he had passed away as a result of septic poisoning.

The news soon flashed around the town, where Mr. Mobley was one of the best known and most highly respected citizens. General regret and sorrow was expressed and the sympathy of the whole community goes out to Mrs. Mobley, and family.

#### **Born in Colorado**

The late Mr. Mobley was born in Colorado, U. S. A., on May 14, 1870, so that he would be within a few months of fifty years of age. He was educated at Spokane, Washington, and was a clerk of the municipality of Cheney until he came to British Columbia in 1895.

Mr. Mobley (sic) was appointed justice of the peace at Atlin, which constituency he represented in the legislature to the time of his death.

Mr. Mobley was always keenly interested in Prince Rupert, where for a number of years he has made his home. He has always taken a deep interest in public affairs. He was a member of the first municipal council of the city and also served a term as license commissioner. In 1912 he was president of the Board of Trade.

In partnership with D. G. Stewart, Mr. Mobley was a member of the firm of Stewart & Mobley in this city and also was a shareholder in F. H. Mobley Co. at Discovery, Atlin, where he was interested in hydraulic mining in that district.

In 1893 Mr. Mobley married Miss Ida Josephine Colvin of Colfax, Washington and there were three children, Harry who with his wife live at the family residence on Fourth Ave.; Cecil (sic) who died several years ago, and an infant Frank, who was born only last August.

#### **Sportsman**

Mr. Mobley was a keen sportsman and as a big game hunter was unexcelled. Many trophies adorn the walls and floors of his home and of the city clubs, all which were brought down by his trusty rifle. In this city he was a member of the Prince Rupert Club.

Of societies he held membership in the Masonic craft and was an Oddfellow and a member of the Arctic Brotherhood.

#### **Ardent Liberal**

In politics the late member was an ardent Liberal, but he was broadminded enough to be able to look on both sides of any question. He was party whip and as such held the respect of both the leaders and rank and file of his own side of the house and was a friend of every member of the opposition.

The late member for Atlin died in harness. He went south a week prior to the opening of the Legislature in order to attend a meeting of the Game Conservation Board of which he was a member.

His son, Harry Mobley, and D. G. Stewart will leave this evening for Victoria on the Chelohsin [Union Steamship Co.] to fetch the body to Prince Rupert where interment will take place.

**From The Victoria Daily Colonist, page 1, 1920 February 04** LEGISLATURE SHOWS REGRET House Adjourns Out of Respect to Memory of the Late Mr. Frank Mobley, Member for Atlin, Who Died Suddenly

---

The sudden death of Mr. Frank Harry Mobley, Liberal member for the Provincial Riding of Atlin, who passed away at 5 o'clock yesterday morning following a short attack of influenza, came as a distinct shock to his fellow members of the Legislature and to his many friends in the city.

The first intimation many had of the member's sudden decease was the flag at half-mast on the Parliament grounds. Out of respect to the memory of the deceased member for Atlin, the Legislature adjourned yesterday afternoon for the sitting after fitting reference to the death of the late Mr. Mobley was made by Premier Oliver and Hon. T. D. Pattullo, Minister of Lands, on behalf of the government, and by Mr. W. J. Bowser, K. C., L. L. D., leader of the Conservative opposition.

The late Mr. Mobley was taken ill last Friday and until Monday was confined to his room at the Empress Hotel. Complications set in and on Monday morning Dr. W. H. Sutherland, Liberal member for Revelstoke, who was attending to him, ordered his removal to St. Joseph's Hospital, an abscess having formed on his thigh. Septic poisoning set in and to this cause death is ascribed.

On Monday there were many inquiries concerning the late member's condition, but while the turn in his illness had taken was recognized as more or less serious, there was little, or no, expectation among members that it was such as to put him in danger of his life.

#### **A Pioneer**

---

A pioneer of the great north, the late Mr. Mobley, who had just reached his

fiftieth year, was a fine specimen of the pioneer citizen of the Province. Of magnificent physique and always a man of the outdoors, his genial nature made him a host of friends not alone in the north country, but also elsewhere throughout the Province. Especially was he highly regarded by the fellow members of the Legislature on both sides of the House. He was chief Liberal whip and in that capacity won the golden opinions of the opposition members.

Immediately after the opening of the Legislature yesterday and after prayers had been read, Premier Oliver rose and announced the fact of the death of the member for Atlin.

"For the fourth time since this Legislature first assembled death has claimed one of its members," said the Premier, giving evidence of his feelings. "It is my painful duty to inform the House of the very sudden death of the member for Atlin. Only a few days ago on the opening of the House that gentleman was here, the very picture of health and good spirits. No one could have imagined that within a week I should have this painful duty of announcing his demise. In Mr. Mobley this House had the advantage of a member better informed, perhaps, than any other on the great north country. With his wife he was a pioneer of that great section. He possessed the esteem of everyone with whom he came in contact: no man in British Columbia was more deservedly held in esteem whether in business, social or political life. I am sure the sympathies of the members of the House and of the people of the Province go out to Mrs. Mobley and family of which one which is still too young to ever know the love and guidance of a father."

Premier Oliver stated that the Government had just received a message from Prince Rupert to the effect that the late Mr. Mobley's business partner was leaving that city for Victoria to take back the body for burial. The Premier made the formal motion of adjournment.

#### **Minister's Tribute**

---

Hon. T. D. Pattullo, Minister of Lands, paid a tribute to the late member for Atlin, stating that he had first met him on the White Pass trail twenty-seven years ago. He referred to the successful business career of the late member in the partnership of Mobley & Stewart. In Prince Rupert the late Mr. Mobley had taken an active part in civic affairs and had been a member of the first city council in which the Minister, too, was a member. In the second year Mr. Mobley had run for the office of Mayor, but through a combination of circumstances had... (the remaining line has been obliterated on the microfilm).

Premier and Members Pay Warm Tributes to Late Member of Atlin  
Houses Adjourned for Day Out of Respect to Memory of Late Whip  
(By Sun's Staff Correspondent)

VICTORIA, B. C., Feb. 3.—Owing to the death of F. H. Mobley, the member for Atlin, the legislature adjourned this afternoon until tomorrow, after a few words of appreciation of the deceased had been voiced by the premier, the minister of lands and the leader of the Opposition.

Hon. John Oliver said: "For the fourth time since the assembling of this legislature, death has deprived the house of one of its members. It is my painful duty to have to advise the house of the very sudden death of the late member for Atlin. When we think that only a few days ago, on the opening day of this session, that honorable gentleman was with us, the very picture of health and strength, there no one could possibly have imagined that inside the space of one week he would have the painful duty of announcing his death.

WAS WELL INFORMED.

"In the late member for Atlin, this house had the benefit of the advice of a gentleman who probably was best acquainted with the resources and the requirements of the northern and central portions of this great province of British Columbia. With his beloved wife, the late Mr. Mobley was one of the pioneers of that great northern country, a gentleman who had the respect and esteem of every person with whom he came into contact, whether his relations with the people he met were of a business, political or social character.

"I venture to say there is no man in the province of British Columbia who more deservedly held the respect and esteem of all who knew him. I feel quite sure that the sympathies not only of the members of this house but of the people of the province will

 After the WW II, I came to America to study at the University of Michigan in  
 1947. Married Genevieve Marjorie Mobley in 1949, when I graduated in  
 Architecture. We have three children: John, Bill and Mary Ann. . I was in  
 practice of Architecture and headed a large firm for twenty years. We lived  
 in Ann Arbor, MI, until 1975, when we moved to Ames, IA, where I became a  
 Professor at the Iowa State University in Charge of Continuing Education of  
 Architects. My wife was an excellent teacher, and our son John is the head of  
 three schools in San Francisco, where Billy also lives. Mary Ann graduated  
 from Michigan with a degree in Fine Arts, but is also a Doctor of Juris  
 Prudense. She married a Professor of Architecture and they live in Ames.  
 Our granddaughter Juli (13) is just back from New York Ballet School, where  
 she was on a full scholarship this summer. Our Grandson Andrew won a gold  
 medal in soccer at this sommer's Iowa Games, and is a Boy Scout. (I went  
 through all steps in Scouting, ibcluding a District Commissioner with 118  
 units in downriver Detroit Area in 1960's and coached Little League Baseball  
 for 8 years, with John and Bill. I am a Fellow of the American Institute of  
 Architects, and a Knight, First Class, of the Order of White Rose of  
 Finland. I am an American Citizen (since 1955) and I pledge my allegiance to  
 the Flag of the United States every week at the Ames Lions Club. Gen and I  
 will celebrate our 55th Anniversary on August 20.

 Paul built the first grist mill on the Verdegris river near Coffeyville. Moved to Medicine Lodge, Kansas and then to Dewey County, OK  
**+++**  
 His only name was William. Uncle Roy(Roy Andrew Mobley-brother-in-law to Aunt Beulah Mobley) added the name Paul because he said he reminded him of Paul in the Bible. That he could out-talk anyone about the gospel-so Uncle Roy started calling him Paul. He also added it to the temple records-consequently it got added to the IGI and Ancestral File-but on all our family records he's just listed as William.

.....  
The family story was that he [Isaac] had shot and killed his mining partner and then had disappeared. This happened in 1883 in American Falls, Idaho. Laura WEST MOBLEY was left with 2 children to raise and heard that he had gone to Texas and had died. In a few years she remarried James P. SMITH who was a U.S. Marshall in Idaho. About 1948-50 Laura received a letter from someone who told her that Isaac had just recently died in Texas and on his death bed he confessed to his family (was married and had children) that he had abandoned another family in Idaho.

Well, we found the newspaper article all about it and it was pretty accurate. He did not shoot his partner but knifed him. A distant relative said that another relative gave him his fastest horse and told him to leave. We found the murder indictment filed in the courthouse in Malad, Idaho. The newspaper article said he was missing 3 fingers on his left hand.

Harriette Ann Mobley was born May 24, 1854 in Marion, Ohio. She was  
the youngest of twelve children, one of whom still lives, Levi Mobley (15984)  
of Walsh, Colorado. He is over ninety years of age.

When Harriet was eleven, she with her parents and one brother came as pioneers to Nebraska. They came by steamboat to Cincinnati and from there to St. Joseph on the Old Hannibal Railroad. The trains were all taped in mourning in the nation's sorrow over the assassination of President Lincoln. From St. Joseph to St. Stevens they came by boat and from there to near Salem with ox teams. Since that time she has always lived in or near Salem.

When she was a young girl, she became a member of the Christian Church and always remained loyal to her faith in the church.

On December 25, 1873, she married George A. Saville and to this union were born nine children all living except Frances who passed away May 8<sup>th</sup> of this year. There are thirteen living grandchildren and six great grandchildren. Mrs. Saville has been frail for many years but her serene, placid manner has been a source of comfort and strength to those around her.

When the children were young John left Rachel. The younger children were sent to the childrens home. The oldest child being in the service came home and got the children from the home, All except the baby(Flossie) who was already adopted out. Never knew what happened to her. This happened because Rachel was a deaf mute. Never knew what happened to John Rusk. Charlie never married. Pearlle married but no children. I do not know who she married. Bessie married several times but no children. I do not know any of her husbands names. John never married. Flossie, who was adopted out, may have lived in IN. maybe 2 sons. Marie(my grandmother) married Henry William Milliron they had seven children. (if you like to know their names of children birth dates death dates and so on I will email them to you. Will of Catharine Mobberly; Belmont Co., OH, Will Book F, pp 524-526,  
9/10/1838,

- 9/18/1839;

To Reuben, youngest son; use of plantation so long as he and  
Hetty(Catharine) Green lives together, in Smith Twp., also a young mare, cow,  
plows and gears and my part of hogs and seven sheep.

To my daughter Hetty Green my red heifer and one sheep.

To Dennis Moberly my son one bed and bedding and one sheep.

To Rachel Pryor one side saddle and wheel(spinning wheel??).  
 To Dorcas Rickey one skillet and lid.  
 To Reuben Mobberly my son the rest of my pot metal.  
 To Thomas Mobberly and Joseph Mobberly, my sons one dollar each to be paid  
 by Reuben Mobberly.  
 Lastly I do hereby nominate and appoint Reuben and John Mobberly my  
 executors. She made her mark  
 In the presence of Levin and William Mobberly  
 Reuben Mobberly refused to be executor so letters testamentary were granted  
 to John Mobberly on \$200.00 bond with Simon Fisher and Risin Mobley accepted  
 as security. Hudson Conklin, George Philipp and Archibald were appraisers.  
 [Beulah of opinion that John and Levan were not named as sons because they  
 did not want anything. No receipts showed that Thomas and Joseph ever claimed  
 their dollar. Reuben's land was sold 7/10/1861 to satisfy a trustee  
 judgement.

+++  
After long and exhaustive research, and the scouring of all sources available to me, I can only conclude that my ancestor, Thomas J. Mobley, b. circa 1804-5, in Georgia, has to be the son of either: 1. Levi T. Mobley (1445), or the son of 2. Daniel D. Mobley (14454). Also note that there is a big gap - 1803 to 1815, between the ages of Levi's last 2 children.  
I have Mobleys, and their allies, the Hills, on both sides of my father's family, both in GA and in AL, and I have been looking into this particular subject for some time now, with no success, until I was really able to study the early Alabama census, land records, and county records, and relate them to the earlier Farifield Co., SC records.  
There is probably a lot that I could say here, but for the sake of brevity, I will just state a few of the facts which led me to my conclusion:  
1. T.J. Mobley was born in GA in 1804-5, and married Nancy Segrest, d/o Rev. Jacob Segrest (Meth. Episc.) in Autauga Co. AL, in about 1825.  
2. Their eldest child, Sarah Elizabeth Mobley, my ancestor, was born in 1826.  
3. Sarah was the name of Levi T. Mobley's daughter, who married her cousin, Daniel D. Mobley.  
4. Daniel D., Levi T.. and James Rabb Mobley (s/o Levi T.) in Conecuh Co., were the only Mobleys in the entire 1820 AL census.  
5. Henry Chapman, who came with the Mobley's from SC, through Jones Co., GA, was next to Daniel and Levi in the Conecuh Co.census.  
6. John M. Duke was next to James R. Mobley - same census.  
7. The 1782 will of Edward Moberly was read and published at the house of Thomas Duke, in Fairfield, SC.

\* This Duke family runs all through my grandmother's side of the family: T.J.'s daughter, Sarah E. Mobley married Rev. Joseph Thomas Abernathy (Meth. Episc.) in Macon Co.. AL in 1844, and 3 siblings of their issue married 3 siblings from the Duke family, in Coosa Co., AL. - Mine was Joseph R. Abernathy and Emma E. Duke; their daughter, my grandmother, Delilah Abernathy, married Robert L. Fuller in Coosa Co. AL in 1895. Many other members of the Duke family also settled in Coosa and neighboring counties. \* In that same time period, Caroline Mobley, descended from Levi T., I believe, married Coleman Abernathy, who was from Meth. Episc. Rev. Thomas S. Abernathy's family. He was a cousin of my Rev. J.T., and T.S. Jr. and my J.T. both entered the Ministry on the same date in 1855, at the Eutaw AL Conference.

8. Back to Mobley: Daniel D.'s first AL land patent was in 1826 in Conecuh Co.; so was Henry Chapman's. Levi's first one there was in 1831. By late 1830, however, they were all 3 in Wilcox. Co., according to land records. No other Mobleys have patents until 1835, (Benjamin Mobley in Autauga) or 1837.

9. Jacob Segrest's AL only land patent was in 1825, in Autauga Co. In the 1830 Auatuga census, there appears to be 2 extra females, and one male 20-30 in his HH, other than what I find listed for his children. I am supposing this would be T.J., Nancy, and Sarah; I may be wrong, however. The fact is that no Mobleys, other than William Mobley in 1830 Clarke Co., have that combination of people in HH. I also don't know much about this Wm. Mobley, other than he is supposed to be a child of Levi's.

10. This last one is the "clincher" for me: In the 1840 Macon Co., AL census, we have on the same page; Jacob Segrest, next, 2 of his sons' HHs, a little further down, 3 HHs of known male descendants of Henry Chapman(!), and then, Thomas J. Mobley(!).

Correction: Caroline O. Mobley married Jonah (or Jonas) Abernathy. He was from the same afsd Thomas S. Abernathy family, however.

Since Sion's oldest son was named William and Sion's daughter was named Nancy, it's reasonable to assume that these two were brothers and that the older Nancy was, in fact, their widowed mother.

dod: ??? His father, Sion Green Mobley, said Alexander came by his house in Pike Co, Alabama and said he had killed a man. And that he was moving to Texas and not to tell anyone where he was going. So he ate lunch with his father and left on a bobtail bay horse. Shortly (an hour) a couple of men on horses came by asking had Sion seen Alexander and he said "no" thinking they were the law and would hang him if they knew. His wife, Mary Reese Simpler Mobley, received a few letters from Texas but never saw Alexander "Alec" again. We were always told his name was cleared but there was no way to contact Alexander and let him know. Does anyone have the same story and know where Alexander went?

Note from Shanna:  
Alex Mobley is not listed here [1870 census] because (as the story goes) he  
fled GA because he got into an argument with a former slave and shot him.  
Thinking he had killed him he ran. Not sure if he ran to TX or stayed in GA.  
Dont know if he ever knew that he didnt kill the man.

(1860 Owen Co: Emmett E 25 IN, telegraphing - not found in later census)

According to 1840 Lawrence Co., IN. census he had 2 other sons b. 1825-30 & 1 son b. 1830-35. Could Edward C. have married earlier on 3/7/1820 in Orange Co., IN. to Matilda Jones?

(My third great grandfather was Edward Moberly and I believe him to have been married to Matilda (Matildy) Jones. They were married on March 7, 1820 in Orange Co., Indiana. If he is the correct Edward he had a son by the name of Reuben Moberly. Reuben was married to Margaret Truax and the family history has her being a full-blooded Cherokee Indian. I know Reuben is my gg grandfaher. I am uncertain about Edward! Ken Devall 2003)

Edward C. was some relation to Phoebe/Phebe Moberly b. 2/27/1784 who married 7/22/1821 in Garrard Co.,Ky. to Robertson Graham & also came to Lawrence Co.,In. but how were they related????

I think Edw. became a physician & could be the Edward to **marr. Matildy Jones** 3/7/1820 Orange Co.,In. & may be the Edw. on 1820 Orange Co.,Census? Think he is the same Edw. C. who was a bondsman for marriage of **Phebe Moberly to Robertson Graham** in 1821 Garrard Co.,Ky. & the Grahams later came to Law. Co.,In. by 1840 or bef.

Other early Law. Co.,In. marriages that may tie in to Edw. above are:

**John T. Moberly to Peggy Brooks** 1/14/1826

**Mary Moberly to David Borland** 4/23/1829

**Arthusa Moberly to Grenberry Owens** 8/18/1835 (dau of William & Elizabeth)

**Nancy Moberly to John Talbott** 8/19/1841

(I am trying to track down the relatives of Nancy E. ("Elizabeth" perhaps?) Moberly, born 1814 in KY, who married John Talbott, b. Westmoreland Co., PA, in 1841 in Lawrence Co., IN. She died in 1886 and is buried in Orleans, Orange Co., IN. The 1880 census indicates Nancy's parents were both born in South Carolina. Nancy and John Talbott had four children, all boys: James F., Edward H., John W. and William H. Only William(Hillary)Talbott married and had children. The children's names possibly may be clues to those of their grandparents, as often was the case in those days. Anyway, their names were Charles Verner Talbott, Susan Moberly Talbott, Winifred Talbott, and Marguerite Rebecca Talbott. Jan Brengle 3/18/2010)

**Lucette E. Moberly to Geo. W. Crooke** 3/29/1846

2 other early ones in this same area who may tie in are **Drury Moberly** 1820 Census Law. Co.,In. & **Robert Moberly** on 1840 Law. Co.,In. census b. 1790/1800  
+++

I am the GGGG Grandson of John M. Talbott (b. 1808 in Westmoreland Co., PA) and Nancy (Moberly) Talbott. She was b. abt. 1814 in KY; her parents (first names unknown) both were born in SC (per info in the 1880 Indiana Census). While still unmarried, John Talbott moved to Indiana in about 1838, where he met Nancy.

John and Nancy were married on 19 Aug 1841 in Lawrence Co., IN. I have a copy of their marriage license (which spells her name "Moberley"). There is no family information contained on the marriage certificate.

One of her granddaughters, Susan Talbott, was given her middle name--spelled "Moberly."

I believe Nancy's middle name began with an "E," as her death notice identifies her as Nancy E. Talbott. She died in Orange Co., IN on 28 Mar 1886 and is buried in the Green Hill Cemetery there.

John Talbott was a Methodist preacher. Nancy's name was spelled "Moberly" in the obituary of John Talbott, who died in 1893.

**GEORGE W. MOBERLY**

George Washington Moberly was born on a farm near Lancaster, in Garrard Co., KY, on the 18<sup>th</sup> of September, 1812. When fifteen years of age he was apprenticed to learn the tailor's trade at Stanford, Kty and his only opportunity for attending school was during his term of apprenticeship. In the month of September, 1832, he bade farewell to the blue-grass fields of his native state, and journeyed to Missouri, settling in a small town called Florida, in Monroe Co., and there he lived, engaged in working his trade, until the fall of the year 1841 when he removed to Trenton, MO. In December, 1841 he opened a saloon in Trenton and conducted that business some three years, setting out in 1844 and entering the mercantile business. For twenty-three years he continued to do a general mercantile business, setting out in 1867, when he removed to his farm and gave his attention to agricultural pursuits.

Trenton was first known as "Moore's" then "The Bluffs" then "Lomax Store". James S. Lomax was the first postmaster and George W. Moberly was the second, and during his term, the name was changed from "Lomax Store" to Trenton, being named for Trenton, N.J. He served as postmaster from 1843 to 1847; also held the office of Justice of the Peace, and served a term of four years as County Judge.

In 1877 he, in company with others, organized the First National Bank of Trenton, and was elected vice-president. In August, 1876, the First National surrendered its charter, and the Union Bank became its successor, with Mr. Moberly as president.

George W. Moberly was united in marriage to Miss **Eliza Kibbey** of Lewiston, Lewis Co., MO, on the 17<sup>th</sup> of April, 1834. She died in 1854, leaving him six children all of whom were deceased by 1881. In February, 1855, Miss **Margaret B. Robinson**, of Trenton, became his second wife. This union was blessed with three children. The eldest, **Mary E.** (Mrs. Benjamin C. Nichols); the second, **Harriet A.** (Mrs. G.W. Gardner); and the youngest, **Margaret B.**, still at home in 1881

In 1886 George W. Moberly gave to the City of Trenton, a tract of twenty acres on the northwest limits of the town, for a park, with the provision that this park should be known as Moberly Park, the land to be improved and forever used as a public park. It was also provided that the land might be sold on the vote of two-thirds of the citizens, but the proceeds should be reinvested in a similar park.

For over twenty years the park stood with practically no improvement. During that time, two suits for failure to improve the park were filed but defeated. One of them was filed by the widow of the donor, but after being carried on the docket for several years, the court ruled in 1893 that the act of Mrs. Moberly in further donating ground for a street was an estoppel of her to ever claim title. Then came the Chautauqua, which in later years was held in the park, causing people to grow conscious of the advantages of a public park. Most of the improvements have taken place since World War I.

The entrance was constructed in 1925, twenty-four feet in width; at each side

large stone columns made of native stone, four feet square and twelve feet high with bracket lights placed in the stone work. Smaller columns are on either side of the large ones, walks running between them. The first pavement laid in the park consisted of a circular drive serving a very small portion of the park, but in 1927 a new drive was completed encircling the entire park.

After the First World War, the Memorial Arch, under which many a band concert has been held, was erected to the memory of the men of Grundy County who served in the great conflict, and in April, 1922, the Woman's Auxiliary of the American Legion began planting the Gold Star Trees of the Court of Honor, winding on either side of the outer drive of the park. There were 26 trees, and each with a marker giving the name of the soldier. It was planned to plant a tree each time a member of the local post died; in that way the park would be transformed into a lovely grove of trees. Slides, swings, and sand boxes were among the first improvements for the park, then four tennis courts, one later being converted into a cement court. For the convenience of the picnickers and tourists, there is a shelter house with light, gas, water, and toilets. The latest addition is four outdoor ovens provided by the Business and Professional Women's Club of Trenton, built of stone and placed in various sections of the park.. In late years a complete summer program has been developed for the youngsters of all ages, with full time supervisors in charge of baseball, tennis, swimming, handball, and other sports and games of the summer season.

Bloomington (IN) Republican Progress, Apr 20, 1887, p. 3.

You must not forget that Charley Mobley still "hols the fort" in his old  
stand on the south side. He will keep a larger stock than usual this spring,  
and will add to it each week or oftener if the business seems to require it.  
Very few merchants have had more practical experience than Mobley, and few  
exhibit better taste in the selection of goods. He has built up a trade and  
a reputation in fancy articles such as ribbons, laces, collars, etc., and the  
low figures at which he sells induces many to purchase who might doubt their  
ability to do so. His store is called the "Golden Rule," and he will do unto  
you as he would expect others to do to him.

Helen Lucille Mobley is the woman that I met. She was born in Indianapolis, Marion, IN. But her father was born in Columbus, Bartholomew, IN. John Mobley was born in Brown Co, IN but died in Indianapolis. Do you have any info on this line??????

Edward-? Mobley who died by 1840 (per Monroe Co, IN Census 1840-pg. 086, 1850-pg 360) wf. Margaret born 1800 KY \*\*Margaret living next door in 1850 to Elizabeth Mobley widow of James. Will include both pages:

1850 Monroe Co, IN Census Pg. 360, #877/877 Salt Creek Twp  
Mobley, Elizabeth (wife of James) 45 KY, Nancy 18 IN, Charles 16, Nathan 15,  
Thompson 13, Josiah  
1860 Index has no Elizabeth

1850 - #878/878 Salt Creek Twp  
Mobley Margaret 50 KY(believe is wife of Edward), John M. 21 KY, James W or M  
20 KY, William T. 18 KY, Charlton T. 16 KY, Pleasant M 14 KY, Elizabeth  
A. 12 IN, Milton P. 10 IN

1860 Index has Margaret age 60, pg 776, John M. age 31 pg 776, no James,  
a William H. age 31 pg. 767, no Charlton T. Pleasant age 25 pg 594? or  
P.M. age 24 pg. 716. Believe it is the later for Pleasant M. Mobley.

With the above information, I have come to believe that Charlton T. is Charles Thompson because of his age. Plus he is living next door to his older brother John in 1870.

Hoosier brothers in England:

Separated in Military service for nearly two years, Corporal Ray Hill and  
Tech Sargent John Hill, only sons of Zeke Hill, were reunited at an 8th  
A.A.F. flying fortress base in England. Both Hill brothers were Star  
athletes at Smithville High School.

"We surely saw there before us more ships than any human had ever seen  
before at one glance. As far as you could see in every direction, the ocean  
was infested with ships. There must have been every ocean-going vessel in  
the World World War II correspondent Ernie Pyle, in excerpts from his  
dispatch of the Allied landing at Normandy Beaches on June 6, 1944.

Hours before the D-Day assault on the beached of Normandy, the morning of  
June 6, 1944, about 20,000 paratroopers were being dropped behind the German  
lines. It was the most massive night drop ever. It involved more than 800  
troup transport planes. The planes in the sky reached from the French Coast  
all the way back to Britain, flying nine planes across.

In May 1945, on his last mission, he was flying in the Allies's push

towards the Rhyne River when his plane was hit. The Captain told all of them to jump and he and the copilot went down with the plane. While Ray was floating down he could see bullet holes as they entered his parachute.

Everyone in his crew except one were killed. The Germans were waiting on him to land and was captured along with twelve other Americans. They took his watch, but treated him very good. He was held for a very short time before the British liberated them.

Frank Hill told the following story about his grandfather, Frank Mobley. Frank was an engineer that drove steam locomotives in Kentucky. One time one of them turned over and he had to crawl out on his hands and knees. When he was clear of the wreckage, he paused to have prayer before he got up and walked away.

Peggy died sometime after the birth of the last child and it is said that  
 James gave the children to an "uncle" to raise. Supposedly James  
 and Peggy moved to KY from SC ca 1800.

 Article in the History of Cole, Moniteau, Morgan, Benton, Miller, Maries and  
 Osage Counties, Missouri published by The Goodspeed Publishing Co, 1889:

"**William Mobley**, one of the oldest settlers of Morgan County, Mo, was born  
 in Cumberland County, Ky., in 1807, and came to Morgan County in 1833 where  
 he purchased land, and is now the owner of 138 acres. He is the son of **James  
 M. and Peggy (Rawlen) Mobley**, both natives of South Carolina.  
 When but a child William Mobley lost his mother, and he was then sent to an  
 uncle, by whom he was reared. He remained here until twenty years of age,  
 when he started out for himself and engaged as a farm hand.  
 He was married at the age of twenty-two to Miss **Elizabeth Campbell**, a native  
 of the same county in Kentucky, and in 1833 he and his wife moved to Morgan  
 County, Mo. To their union were born these children: **Amanda B.**, died at the  
 age of eighteen years; **James M.** died in 1885;  
**Benjamin**, now living on the home farm; **Nancy Ann**, wife of A. W. Murray of  
 Texas; **William Jr.** (deceased), **Jane**, died at the age of fourteen years;  
**Mimie**, widow of John Scott, and now resides in Moreau Township; **Sadie**  
 (deceased), wife of John Duff, and **Thomas** a farmer living in this township.  
 Mr. Mobley is a member of the Baptist Church, and has always taken an active  
 part in church work. He has been a preacher for thirty years, and has spent  
 much of his time in his ministerial duties. He was a volunteer in the Mormon  
 War. Mr. Mobley has been liberal in educating his children, and has reason  
 to be proud of the fine men and women who reflect credit upon his name.  
 He started life a poor boy, but by industrious habits and honesty he has  
 accumulated a considerable competency, which will render his declining years  
 comfortable and happy. He lost his wife, in 1879. She died in her  
 seventy-fourth year, and was a devout member of the Baptist Church. Mr.  
 Mobley took for his second wife, in 1881, **Mrs. Priscilla Ann Brown**, widow of  
 Harry Brown, who was murdered during the war."

Another from Morgan County History, Volume One, 1979:  
 "**Benjamin** and Chloe Farris Campbell came to Morgan county, Missouri, from  
 Cumberland county, Kentucky in 1834 with several of their children in covered  
 wagons pulled by teams of oxen. Ben had served with his father **Hugh** in the  
 French and Indian wars in 1787. Afterwards they moved from Augusta county

Virginia into Madison county, Kentucky. Their ancestors had come to Virginia via Pennsylvania **from Scotland and Ireland** in the mid-1700's. Ben married **Chloe Farris** in Madison county in 1791 and had among other children, **William, Benjamin Jr., Elizabeth, and all married Mobley children of James and Peggy Mobley** who lived as neighbors in Cumberland county, Kentucky. Matilda married William Huff. William and Betsy Mobley Cambell brought five children from Kentucky and four more were born in Missouri. They settled east of Versailles and attended the Oak Grove Baptist church where five generation of Campbells are buried.  
-George (Campbell) married a Mobley, and it is believed that the Mobley family was in the same wagon train that brought the Campbells to Missouri-----".

Tidbit: **William Robert Mobley** (my 3rd ggf) was the minister at my 2nd ggp wedding, John Robert Jones and Nancy Melissa Madole. Gene Jones.  
-----

"**Benjamin Campbell** has been a prominent resident of Morgan County, Mo., for the past fifty-six years. He was born in Cumberland County., Ky., in 1803, and was a son of Benjamin and Chloe (Farris) Campbell, who were born in Virginia. The father was a soldier in the French and Indian War, and in 1836 came to Missouri, and made his home at Oak Grove. Benjamin Campbell was married in 1824 to **Susanna Mobley**, a native of Kentucky, and by her became the father of seven children, only one of whom is living at the present time: Nancy G., wife of James T. Graham, of Morgan County. Mr. Campbell has been a resident of five different States - Kentucky, Illinois, Indiana, Missouri and Arkansas. He and wife have been married for sixty-five years, and for many years have been members of the Primitive Baptist Church, and earnest workers for the cause of Christianity. Mr. Campbell has always followed the occupation of farming, and in his walk through life has ever endeavored to follow the golden rule, and thereby has won the love and respect of all who know him."

"**G. W. Moore** is a native Missourian, having been born in Cooper County February 4, 1830, where his father had settled in 1818, about eight miles south of Boonville. Mr. G. W. Moore is the fifth child of twelve children, seven of whom survive at the present time. While in Cooper County he married Miss **Lucy Allison**, daughter of John Allison, of Moniteau County; they have six children; two of whom survived at present: Mary (married Oren Devinna, of Morgan County, where he follows the occupation of a farmer; they have two children) and Joann (married to Amos Behtel, of Morgan County, who now lives in Eldorado Springs, where he is engaged in the furniture business; they have five children, three boys and two girls): Our subject's wife died in 1863, and Mr. Moore then wedded Miss **Margaret Jones**, by whom he is the father of seven children: Charles M. (now of the firm of Devinna & Moore, of Akinsville), Cora, George E., Thomas H, Della, Walter and Byrd. Mrs. (Jones) Moore died in June, 1880, and Mr Moore married Miss **Melvina Estes**, daughter of Rev. Andy Estes, of Morgan County. He owns 260 acres on the edge of the prairie, making a fine stock farm, where he is engaged in farming and stock-raising, paying particular attention to the propagation of mules and horses. Mr. Moore is a Democrat in politics. Although not a member of any secret society, he belongs to the Baptist Church, in which he is a deacon."

[I don't know this Moore, included him because he lived in Cooper and Moniteau Counties at the same time my 2ggf, John R Jones, lived there. He also married Margaret Jones, she would be the same age as my Rhoda Jones of

whom I have found no trace,. gj]

"John Moore has been a resident of Morgan County, Mo., since 1837, and is one of its leading farmers. He was born in Hardy County, VA, in 1825, and is the son of Thomas and Sarah (Doren) Moore, who also came to Morgan County, and resided here until their respective deaths. John Moore was married, in 1847, to Matilda Campbell, a native of Kentucky, and to their union six children were born: James M. (a farmer of Morgan County, Mo.), Mary F., J. D. (also a farmer of the county), W. W. (a tiller of the soil in Morgan County), Lucy (wife of Max Biersach, of Milwaukee, Wis.), and Elizabeth (wife of S. P. Hunter, Jr., a Morgan County farmer). The mother of these children died in 1863, at the age of thirty-six years, having been an earnest church member for many years. In 1834, Mr. Moore was married to a young lady, Miss Matilda Huff, and the following are their children: John Q. (who died at the age of nineteen years), Nettie (wife of Alfred Burns), Ida, Tilla and Emma. Mr. and Mrs. Moore have long been members of the Baptist Church, and he has been remarkably success....."

**After whom Moberly, Randolph Co., Missouri, was named, in 1868**, when he was  
President of the Randolph & Chariton County Railway; Col. 35th Reg., Enrolled  
MO Militia (Union Army).

He went to Chariton County MO from Madison County, KY as a young man.

The 1850 census for Chariton Co lists him and Martha and states his real estate value at \$2000. The 1860 census states he is a lawyer and his real estate value at \$70,000, personal estate valued at \$19,300. Four children are included in the census. 1880 for Union Co IL lists only Martha and 3 children.

His will dated 30 May 1889 (4+ months after the death of Martha) leaves everything to "his beloved wife Lizzie"

Helen Bichel 11/6/97

Found William Moberly in the 1870 census for St. Louis. Martha is listed, as well as 3 children, Jennie, 20, Wm, 16, and Lillie (?), 14. He is also listed in the St. Louis City Directory by Gould for the years 1870, 1871, 1872, 1873, 1875, (1876, 1878, not listed), 1880, 1881, 1882, 1882, and by 1885 he is no longer listed. For the years 1870 thru 1873 his residence is listed as in St. Louis, 1875 & 1880 in Alton, and 1881 thru 1883, his residence is Cobden. All of those years he is listed as a real estate agent. I did look in the IL census for 1880 for a Lizzie Harris and found one listed in Adams County. She is age 22 and the wife of Absalom Harris. He is about 10 years older and apparently had 3 children by a previous marriage.

.....  
Letter James Reddick, 3/6/89:

Line of William[13]:

Thomas Mobley and Alexander were in Duplin Co., NC in 1758, William first mentioned in 1764. Thomas w/ux, 8 children to GA 1768; Wm., John, James, Jeremiah, Alexander there before 1770{1768/70}.

[data on Thomas & William entered Part 5/1992]

{My guess is that the above Wm was Wm. Lemster[1311], John was [1331], Alexander was [1312]{listed as UNKNOWN Mobley with this ID number in earlier editions}, and the others are not yet identifiable}{Other James's, Jeremiahs & Alexanders are accounted for elsewhere}.

In "The Families of Burke Co., 1755-1855, a Census" by Robt. Scott Davis, Jr. & Rev. Silas Emmett Lucas, Jr.", William & Thomas were listed on p. 54, John and William Lemster were listed on p. 99, James R. on p. 485, Alexander J. S. on p. 591, but no Jeremiah.

Newspaper Obituary Carroll Free Press, Thursday, October 22, 1936

"W. SAM HARRIS, 70, PROMINENT FARMER IS TAKEN BY DEATH

William Samuel Harris, well known, and substantial Carroll County citizen and for many years one of the most successful farmers of this section, died Last Sunday at his home near Carrollton. Mr. Harris was 70 years of age, and though he had not been in the best of health for some time past, he was confined to his room only a few days before his death.

Funeral and interment took place Monday afternoon at Bethany church, Rev. Hugh Morgan officiating. He was buried with the honors of the Masonic fraternity, having been an exemplary member of Carroll Lodge No. 69, F.&A.M. A native of Carroll County, the son of W. W. and the late Mrs., Elizabeth Tyson Harris, Mr. Harris spent his entire life in the community in which he was born, and of which he was an outstanding and highly respected citizen. On August 15 last, he and Mrs. Harris celebrated the fiftieth anniversary of their marriage amidst the felicitations of a wide circle of friends and relatives.

The following is from the notes of J. W. Bolton, Minister of First Christian Church, Carrollton, Georgia, who was in charge of the service at the church and the Masons conducted a beautiful service at the grave.

..Brother Mobley had been afflicted for a long time and spent his time between Burwell, Georgia, with his daughter, Mrs. Smith, and Florida with his son, Wade Mobley. His last trip to Florida was in November and he remained there until the death angel called him home.

The brother was living on borrowed time. If he had lived until April 4th, he would have been eighty years of age.

He was a soldier in the war between the states and served in the Georgia Regiment, Company A. He was in the Virginia Army during the war and served his country well at all times. Brother Mobley was a member of the Masonic Order and was remembered very kindly by his brother masons in their burial service at the grave.

In early life the deceased became a member of the Christian Church. This was about 1870. He became identified with the Christian Church at Bethany, Paulding County, then at Bethel near Carrollton and finally with the church in Carrollton. He has lived an earnest christian life and was true to his God and his church. The companion of Brother Mobley was taken away January 27, 1916. She simply went beyond to await his coming to that beautiful home.

...Our dear brother has simply gone to be at rest, he has passed beyond the scenes of this life to enter upon the joys of that eternal home."

\*\*\*

On May 19, 1991 in a conversation with Opal Nicholson, she said Great Grandpa Jesse Mobley was staying with his son, Wade, in Goulds, Dade County, Florida (about 20 miles south of Miami) and was crossing the street when a car hit him and ran over him which caused his death.

#### IN MEMORY OF ERNEST CECIL MOBLEY

On April 23 the death angel visited the home of Mr. and Mrs. O.A. Mobley and took as its victim their youngest son Ernest Cecil and made its flight back to heaven. Ernest was 17 years of age. He was the light of the home, always wearing a smile and never complaining, even though he suffered for the last 10 years. He had great patience and understanding. Ernest had many friends who miss him. He was loved by all who knew him.

It was so sad to part with Ernest but it was God's will that He carry him to His eternal home, where there will be no more pains, trials or temptations. It is sweet to know that our loss is Heaven's gain. He told his parents that all was well with him, there was nothing in his way. We would say to the bereaved, "weep not for Ernest, he is not dead but sleeping."

He leaves to mourn his death, his parents, one brother and a sister, besides a host of relatives and a host of friends. Funeral and burial took place at Wise Chapel church, Revs. Morton and Ingram officiating. Pallbearers were Otis Rooks, Ray Beam, John Edd Armstrong, Loyd Roberts, Jesse and Robert Stephens. Carl, I found in Lawrence Co. AL Marriage Records, 1818-1822 the following:  
**Samuel Mobley** and Mariah Wren married March 14, 1822.

Also, in 1820 Census Lawrence Co. AL a **James M. Mobley** with the following:

|                          |      |
|--------------------------|------|
| White male over 21 yrs.  | 1    |
| White male under 21 yrs. | 2*** |
| White fem. over 21 yrs.  | 1    |
| White fem. under 21 yrs. | 1    |
| Total whites in hh       | 5    |

\*\*\* Could one of these have been Samuel Mobley who married in 1822?

Possible???

My nephew Dave Mobley said you might be able to help me if i gave you what information I had. My husband is **Richard Edwin Mobley**, born 3/4/52 to **Jack Mobley Sr.** & Elizabeth Marie Rowe.

Jack's father was **Silas Mobley** wife Mary Catherine Lunsford-Mobley-Hendricks. Silas Mobley was born in Rockcastle, KY. LDS has listed date of birth Sept.15

1860. Death Certificate has date of birth March 10 1855. 1860 Census has the family listed but his age at the time is hard to make out. He died 5/3/1929. Between the papers I have found you can see 5 years are missing. His parents were **John Mobley & Emily Canter** that is all I know on them. I am hoping you can shed some light on John Mobley. My nephew is certain he has found in you the missing pieces. Mary Catherine's parents were Jane Jones & Elijah Lunsford. If you can help even a little bit I will be very grateful. Thank you for your time.

Hi, my 3rd great grandmother, **Sarah Sally Mobley** born March 29, 1831 in Tennessee.  
She married William Washington Hensley August 20, 1850 at Henry Hensley's in Clay Co, Kentucky. and 2) David Bengé on October 25, 1872. They were divorced June 6, 1875.  
She applied to have the War pension of William re-instated after this divorce.. In a document dated April 7, 1873, she appealed to the State for a motion to be appointed guardian for George H. H. Hensley (my gggrandfather) and Gabriel Ethridge Hensley (George's brother and another son of Sarah Mobley), minors of Wm. W. Hensley. She having taken the oath and entered into bond with **James A. I am seeking info regarding my grandmother, Laura Elizabeth Brickle. She was born April 17, 1877 in either MO or KS. She was left by her father and a family by the name of Woolsey raised her. They lived in or around Webb City, Jasper County, MO during the period of 1889-1897. I just recently acquired some of my grandmother's personal belongings. In them was an autograph book with personal notes signed by the following people: Mrs. L.H. Hutchinson, Webb City 1889, Caton E. Woolsey, Webb City 1889, Willie Woolsey, Webb City, 1889, **Anna Belle Mobley**, Webb City 1889, Ed Woolsey, Breckenridge, MO 1891, Laura Tell Webb City, 1890, **Peter Mobley**, Webb City 1893, Flora Teel, Webb City 1894, Alice Woolsey, Webb City, **Maggie Mobley**, Webb City, **Alice Mobley**, Webb City, C.A. Woolsey, Webb City, Minnie Ogden, Webb City, Nancy Woolsey, Webb City and Belle Woolsey, Nevada City, MO. If anyone has any info, and would be willing to share, it would be greatly appreciated. I am trying to find out who my grandmother's parents were and where they were from.  
Thank you so very much.

Dear Shirley,  
I was intrigued by your query. I'm researching a Mobley family with A Woolsey connection, that matches your autograph book info.  
I have 2 children, **Peter** b. 18 Mar 1877 ?Webb City & **Maggie** b. 2 Feb 1881 Webb City. They were children of **Lowell Anderson Mobley** b. ca. 1852 Carroll Co., MO, & his wife Anna Bradley b. ca. 1855. They m. 17 Feb 1876 Carroll Co., MO. Lowell Anderson came to Webb City with his brother & their families. His brother was **George Washigton Mobley** b. ca. 1848 Carroll Co., MO. George had at least 1 daughter. George & Lowell Anderson worked as lead miners. They both died young in 1890s in Webb City & their wives too. Their children were orphaned & raised by a Bradley family, I heard. It could nave been a Woolsey family. The **parents** of Lowell Anderson & George were **Sterling William Mobley** b. ca. 1817 TN, d. between 1860-1870 Carroll Co., MO, & his wife Malinda E. Woolsey b. ca. 1826 MO, d. between 1852-May 1855. They

m. 23 May 1844 Carroll Co. Her parents were Noah Woolsey b. ca. 1797 Greene Co., TN, d. between 1860-1870 Carroll Co., MO, & his wife Miss Young d. between 1834-Jun 1835 ?Ray Co., MO. I'm certain that the Peter & Maggie Mobley in your grandmother's autograph book are this family. I have more on these Mobleys & Woolseys, & would be happy to share if it would help. I would like to find cemetery info on Lowell Anderson, George, & their wives. They are buried in Webb City with a large marker for all I'm told. Happy searching, Cathy

=====

I'd like to make corrections to my previous message. Lowell Anderson Mobley, George Washington Mobley, & their wives all died in Webb City, Jasper Co., MO, about 1892. I believe the parents of these brothers are Sterling W. Mobley & wife Malinda E. Woolsey, m. 23 May 1844 in Carroll Co., MO. 1850 census, Sterling W.-33, Malinda E.-24, George W.-2, Susan E.-2/12 in Carroll Co. Any info on these would be appreciated. Catherine

Hello my name is James Wiggins of New Orleans, LA, born in Newelton, LA, and reared in Waterproof, LA. (currently serving as a political appointee to President Bush in Washington, DC) I am researching my family, and we have an arm with the Mobley name. If you have any information on a **Dr. John Madison Mobley** (my g,g,grandfather) that lived or died in LA. (1860 Jackson Par: **Mobly**, J.M. 28 MS, Emily F 24 LA, Physician)

My great-grandmother was: **Elfryda Elvida Mobley**, dau of Dr. John Madison Mobley and Emily Fuqua Nelson. Elfryda Elvida married John Nealon Feazel (family goes back to Germany and France).

Dr. J. M. Mobley was living in Trenton, Ouachita (wa-she-taw) Par, LA, when he met and married Emily Fuqua Nelson (goes back to England, Holland, and France). He died in 1861 giving medical care to patients with TB in Many and Mansfield, LA area. It is not very clear as anyone in my extended family as when he was born, but conjecture has his birth around 1820-25. There is no known information about his parents or where he came from, or where he attended Medical School.

My great-grandfather & great-grandmother)  
75. **John Nealon FEAZEL** (32.Alfred5, 11.Phillip4, 5.John3, 3.Hans2, 1.Kilan1) b. 8 Jan 1853, Union Parish, LA., occupation Farmer, John died 22 Jan 1926, Vernon, LA., buried: Oak Ridge Cemetery, Jackson Parish, LA. Dates from cemetery records. Elfryda: Dates from cemetery records.

m. 20 Dec 1877, in Vienna, LA., **Elfryda Elvida MOBLEY**, b. 23 Aug 1861, Vienna, Union Parish, LA., (daughter of **Dr. John Madison MOBLEY** and Emily Fuqua NELSON) d. 19 Nov 1944, Ruston, LA., buried: Oak Ridge Cem, Jackson Par, LA.

One of their children, Emily Mae Feazell, was my Grandmother. She married Benjamin Franklin Grigsby, Jr. (my grandfather)

One of their children was Marilyn Janette Grigsby (my mother). Who married Gordon Abner Wiggins (my father).

There is another Mobley in our list of ancestors, too. **Raymond MOBLEY**, who's father was **William P. Mobley**. This Raymond MOBLEY and I share the same g.??-Grandfather, John George (George) Feazel (#5 in our decedents, and first of the Feazel family born on

American soil.) One of #5John Feazel's grand-daughters, **Ella Lee Feazel** married a **William P. Mobley**. My connection is by Ella Lee's great-grandfather, John George, had another great-grandchild, (a great-grandson, of another son Phillip, brother of Hale) had the great-grand son named John Nealon Feazel that married Elfryda Elvida Mobley in 1877. It was Elfryda that married my direct decendent Dr. John Madison Mobley in Trenton, Ouachita Parish, Louisiana.

I was born on 4-11-1976 at Whittier Presbyterian Hospital in Whittier, CA, I  
 am the 1st son of Ronald S. Mobley, and Grand Son of William (Bill) Mobley  
 (deceased 1995, Apple Valley, CA married to Jerry Huntoon and later to Lucy  
 ???), and Great grandson of Edgar Mobley (Deceased) of Beaver Lake Arkansas.  
 I am not married have no children, I have a brother **Chad David Mobley** (no  
 children), an Uncle Billy William Mobley (Idaho, son of Bill Mobley Sr.), and  
 great nephew of George Mobley (Atwater, CA), Bill Sr's brother.

My Great Grandfather **Edgar Mobley** and my Great Grandmother **Martha** Mobley are  
 as far back as I have any knowledge of. Edgar and Martha lived on a farm on  
 Beaver Lake in Arkansas just out side of Bentonville and they had the first  
 horse drawn plow in the valley they lived in. In approx the mid 40's or  
 early 50's Martha's sons Bill and George moved her to Central CA, while Edgar  
 remained on the farm for the rest of his days. Bill Mobley my grandfather  
 served in WWI in Europe, was shriner and a free mason and my granduncle,  
 George Mobley graduated from Cal State Long Beach in the fifties and worked  
 all around the world as a quality of life manager for very large construction  
 company (maybe Flour or something) that built dams around the world.

           m. 10/8/1846 Ellen Chadwick, Trinity Episcopal Ch. Allegheny

 Thomas came to the U.S. with his mother Martha and younger siblings after the  
 death of his father in 1844. Martha died in Pittsburgh on 15 Nov 1849. It  
 appears that Thomas and his brother Benjamin returned to England after the  
 death of their mother and lost touch with their younger siblings in the US.  
 Thomas appears on the 1851 census in Dudley Worcester and married twice more.  
 William Thomas was left behind (did his mother Ellen also die?) and became a  
 ward of his mother's younger brother John Chadwick.

Have you come across a **Harry Mobley** who married Maisie Samuel and had daughter Nancy Cara (died young)? There's only one Harry Mobley that I found in MIA, and he appears to have been born about 1910 - probably too late to have been husband of Maisie Samuel.

Maisie Samuel was daughter of Edward Madison Samuel and Nancy Cherubia Vaughn, and granddaughter of Fielding Samuel and Mary White. Edward Madison Samuel was half brother of Dr. Reuben Samuel, son of Fielding Samuel and Louisa Bond. Dr. Reuben Samuel was the third wife of Zerelda (Cole) James Simms, the mother of Frank and Jesse James. The James Brother never knew well any father other than Dr. Reuben Samuel.

So, Harry Mobley married the niece of Jesse James' step-father.

The following is from JESSE AND FRANK JAMES: THE FAMILY HISTORY, by Phillip

W. Steele (1987), page 76:

**Maisie Samuel** Born: January 13, 1900  
Married: **Harry Mobley**  
Children: Nancy Cara (died young)

Maisie Samuel Mobley of Prairie Grove, Arkansas is the oldest surviving child of the Edward Madison Samuel family. Her only daughter, Nancy Cara, died as a child. Maisie is eighty-six years of age at the time of this writing and contributed greatly in recording the Samuel family history. A great many descendants of the Samuel family still live throughout northwest Arkansas, and they keep alive their many family stories about their famous relatives.

.....  
Husband: OSCAR EMORY, Wife: **WILLIE "TINCE" MOBLEY**. Children: OSCAR G. EMORY & BETTY JEAN EMORY. My mama said she was known as Aunt Tincie. But that's definitely her! The last names of Vessell, Lytle, Emory, Strange, & Head are in my Mobley Family Tree.

Do you have a **J.Y. Mobley** from SC in your files. I have one listed (don't know what the initials are for) married to my great-grand aunt, Sara Ann Rowell b. 1859 in Lancaster County, SC - d. 1882 in Hopkins County, TX. I have their marriage date as April 21, 1880.

This is Sheryl Rowell Townsend a descendant of Samuel & Lavinia Rowell father of James Harvey Rowell. James Harvey married twice: 1st to Mary Ann Taylor 2nd to Sarah Ann Small. Sara Ann Rowell d/o James Harvey & Mary Ann Taylor Rowell m. **J.Y. Mobley** 21 April 1880; she is buried Oakland Cemetery, Hopkins Co. Texas d. 27 May 1882 also there is an infant child of J.Y. Mobley & Sara Ann Rowell buried along side of her.

I do not have a picture of his stone so can't say he is there. Since I have pictured all the other spouses I am guessing that I did not find his marker.

Mary Watson who married **Jackson Mobley** (112455) was a sister of my g g grandmother Elizabeth Watson who married Vincent thorpe Lassetter. Vincent Lassetter (born 1815) was son of Hardy Lassetter (b 1780) and Elizabeth Keith (b 1801) and it is her parents that I am trying to prove. Her parents were supposedly David Keith and Jane Mobley.

Martha Ann Mobley Charles dob: 4/10/65 Birmingham, Alabama  
Bachelor of Science: Judson College, Marion, AL 1986

Married to James Craig Charles, M.D. (dob: 3/27/62 - Lexington, NC) June,  
1991; Birmingham, AL

We have two sons, William Jackson dob:12/27/95, Winston-Salem, NC and Samuel  
Bennett dob: 8/22/97; Winston-Salem, NC

Here's what I currently have concerning my ancestry:

My parents are: **Elzie Lewis Mobley**, dob: 12/20/37, Natural Bridge (Winston  
County), Alabama.

Mary Agnes Nall Mobley, dob: 12/15/37, Red Level  
(Covington Co.), Alabama.

Elzie Lewis Mobley's **siblings**: **Hazel Mobley** Willingham dob: 3/12/22, (All  
siblings were born in Natural Bridge, Winston Co., AL).

**Hubert Eli Mobley** dob: 1/30/24

**Buford Jackson "Pete" Mobley** dob: 11/23/25

**Kenneth Mobley** dob: 4/24/29

**Charles Arthur Mobley** dob: 9/9/33

Elzie Lewis Mobley's **parents**: **William Jackson Mobley** 5/21/1894 - 6/8/63  
Cora Elizabeth Palmer Mobley 1/15/00 -  
3/1/82

(We think William Jackson was born in Winston County, AL also, but Dad will  
confirm that later).

William Jackson Mobley's **siblings**: (this is where it starts to get sketchy -  
my dad recalled these off the top of his head - will check with my uncles  
when he visits later this summer).....

**"Mac"** Mobley, **Robert** Mobley, **Christopher** Mobley, **Belle** Mobley, **Hattie** Mobley,  
**Lestie** Mobley, **Bessie** Mobley

William Jackson Mobley's **parents**: **Rush Jackson Mobley**  
Martha Ann Baughn Mobley

Dad did tell me that he thinks Rush came to Alabama from Georgia (maybe  
around Savannah?) along with 2 brothers. One of the brothers (he couldn't  
remember their names off the top of his head) committed a crime and had to  
leave Alabama - he thinks he settled in Oklahoma. Dad said that a few years  
ago, a man who was a descendant of the "Oklahoma outlaw" (haha) contacted my  
uncle Charles and wanted some information, but Dad doesn't know if he ever  
followed up with him - the man did live in Oklahoma he thinks.....when he  
goes to visit he's going to see if Charles still has the letter -perhaps the  
Oklahoma guy has gotten further back than I have.

Currently, this is about all I have. Hope you can help! Thanks a bunch.

It's been a while since I last wrote to you. My father David Albert Mobley has now obtained a copy of his father's birth certificate. He was Albert Anthony, born 14th October 1893 in East Ham, Essex, England. His father, my ggf, was called Albert Henry Thomas Mobley, and his wife was Alice, formerly Knowles. Does this help to establish a link?  
Best wishes, Sue Mobley.

Looking for Elizabeth's family. Born about 1882-1884. Have very little to go on other than counties of Mercer, Washington and Nelson in Kentucky. Have not been able to find Elizabeth through census reports until after she marries my gg grandfather "Dee Sallee".

Russ, son of william, made / lost and made again his living in coal. He and Ernest were the first Mobleys to leave the farms of Jefferson or Mongahelia (spelling) or maybe Cochocton Co., OH. Both went to West VA

A little story.  
Ernest worked for a J. A. Paisely who ran Valley Camp coal. During WW II, he was overwhelmed with orders for coal to support the war related industries and the fed gov. for some reason made matters worse by refusing to let rail cars in from Canada. These cars were needed to fulfill outstanding orders. Somehow Ernest saved the day and personally went to Canada and had all rail cars roll into WVA and coal was delivered.

Ernest, Mary and family moved to Baltimore ~1935-40

William, from what I've been told, was either the first born in the states or the first who left Wales.

The following letters were written to and from some Mobley cousins in my family. Julia Barnham julia.barham@charter.net 03/11/07

The first letter was written from my grandmother, Annie Elizabeth Mobley Smith, to her cousin, Maggie Mobley Hammond, in 1953, I think. It was copied by Maggie Mobley Hammond, who I believe lived in Abbeville, SC, and sent to my father's sister (Annie's daughter), Carrie Smith Hodge. Those copies were given to my sister, Dorothy Smith Kadala, and then to me.

"Dear Cousin Maggie,

My sister Mittie was born June 23<sup>rd</sup> 1872. Her first marriage was to J.A. Tounsend (Townsend) and to them was born 2 children, a girl and a boy. Carrie was named for my mother (Nancy Caroline Hill Mobley) and Milton Thomas was named for my father. Mr. Tounsend died and she married H.W. Canfield. To them no children. He died first and my sister died at the age of 72. I will send you the clipping of her death, maybe it will be of some help to you. I have forgotten the year she died. I was named for Aunt Ann, Edd's mother. I was very fond of him when I was a child. Of course we moved apart and I never did get to see him after I was a child. He moved to Georgia. Brother Dan is the only brother I have living, and two sisters, Mrs. Rebecca Loftis and Dora Hanks. My husband died in the year 1950. He died on July 5, his birthday. He was 69 years old and died of a heart attack. He was running a little grocery store. We own this little home. But I am very lonesome. I have four children, three boys and one girl. My boys are all around Anderson, but my daughter married a boy below Columbia, a Mr. T.E. Hodge. He is a merchant. I don't see them very often. I make my living by renting part of my home. In April I will be 72 years old. (Note: she actually was born in 1878, not 1881 as she always claimed.) I was glad to get your letter although we had never seen each other. Our kin come from my father's side. He only had one sister and we were very fond of her. Two years ago I fell and broke my right arm. And I have never seen a well day. It didn't heal up right. And ..... Set in. So you know how hard it is for me to do my cooking. I hope to hear from you again. I am writing with my crippled hand. I hope you can read my scribbling. I am sending you the clipping of my sister's death. Please let me hear from you again.

Mrs. W.W. Smith

802 E. Orr Street  
Anderson, SC"

The second letter was written from Dora Mobley Hanks (Annie's sister) to Maggie Mobley Hammond and copied to Carrie Smith Hodge.

"February 15, 1953

Dear Cousin,

As you say, we are strangers to each other. We shouldn't be for after all Daddy didn't have too many people. That we know of. I think the Martha Crawford you were referring to was my Granddaddy Mobley's first wife. He married a Crawford first. She died, which was my daddy's mother. Then he came along and married Aunt Bell Uldrick, Mama's mother's sister. She was my Aunt Bell and Grandmother too. Step grandmother, of course. That is as far as I can go. I visited once when I was a very little girl in my father's aunt's home, way down on the Savannah River. The old women's names was Crawford. And they raised a boy by the name of Smith. And the Nelsons was mixed up some way. I don't know just how. There was a little boy by the name of Ben Nelson. I've seen him several times since he and I have grown up and married. The other boy was named Otto Nelson. But I can't tell you where to find them. They could give you a lot of information if you could locate them. My father's name was Thomas Mabry and mother's was Nancy Caroline. She was a Hill. You can find all of them you are looking for around Abbeville and Donalds, also Honea Path (SC). I have a good many nieces and nephews that are working in Abbeville Mill. There is a Charlie Mobley I met when Brother John died two years ago around there. He is also some kin, he said. I guess Betsy is your sister. I have seen her a good deal. But not lately. Now that Louisa S.T. Mobley I don't know about. I had a brother Ben but he is dead. And he was born in 1886 somewhere down about McCormick County. The other one must be Daddy's uncle or brother. Granddaddy and Bell moved to Double Wells in Alabama when Daddy was a very young boy. He stayed one year and ran away and came home and he and mother married. Granddaddy died out there. Daddy had a brother who came back here when these old aunts died. Uncle Jim came here for his share. But he is the only one and I wrote to two of his girls for quite a while. I will send you their picture if I can find it - in my next letter. If you care to try and locate them. I did have them. My sisters are Annie Smith and Rebecca Loftis. Will have to close and will try and write more next time, if you can read this.

Love, Dora Hanks"

The third letter was written from Lucille Mobley Goss to Maggie Mobley Hammond and copied to Carrie Smith Hodge.

"Iva, S.C.  
Jan. 23, 1953

Dear Maggie,

I am your Uncle Dan's daughter. The one you met when you were here. I had been in a car wreck. I am married now and living near Elberton, Ga. I will try to give you all the information I can. Your daddy's mother and my

Granddaddy Thomas M. Mobley were brothers and sisters, that I know. About what you saw at the cemetery. My grandmother was married twice. She was Nancy Caroline Hill Mobley. Dunlap last marriage. Grandfather was not married but once. He died in April 1922 and Grandmother died Aug. 1938. As for Dad's brothers and sisters, all of his brothers are dead (Will, Ben, John). He has one sister dead, Mittie. Living are Mrs. W.W. Smith, 802 East Orr Street, Anderson, S.C., Mrs. John Loftis, 48 Jackson Street, Anderson, S.C., and Mrs. R.O. Hanks, Iva, S.C., Route No. 1, and of course Dan Mobley, Iva, S.C. Daddy has three children, Emma of the home, and Thomas of Anderson, and I live near Elberton. I wish I could see you and I could explain it better. But I do know your Grandmother Mary Ann Mobley and Thomas M. Mobley were brother and sister. And also Thomas Mobley and Martha Crawford Mobley were their mother and father. That is as far back as I have records. Dad's sister Mrs. Loftis was named for her grandmother Martha Rebecca. Hope this will help some. Write and let me know.

A cousin  
Lucille (Mobley) Goss  
Elberton, Ga.  
Rte. #3"

(Lucille M. Goss was the daughter of Dan Mobley.)

The fourth letter was written from Annie Mobley Smith to Maggie Mobley Hammond and copied to Carrie Smith Hodge.

"Feb. 16, 1953

Dear Cousin,

When I got your letter, I was sick and I know I wrote a very bad letter. But I am feeling some better this morning. And Rebecca Loftis, my sister, is with me. I have one more sister living. There were 8 of us children. Mittie, Willie, David both dead. Next is Martha Rebecca, who is still living. And I am the fourth child. Martha Rebecca was named for her Grandmother Mobley. Martha was father's mother's name and Rebecca is for Grandmother Hill. My Grandfather Mobley's name was Thomas Mabry. His first wife was Martha Crawford. She died when they lived below Mt. Carmel and Grandfather married Bell Uldrick and they moved to Alabama. To his first wife, my father's mother, there were three boys, John, Jim and Thomas my father. They moved to Alabama and Uncle John went to Oklahoma and Uncle Jim lived with them, I think until Grandfather died. My father came back to S.C. and married my mother Nancy Caroline Hill. As for the Crawford family, I don't know much about them, only my Aunt Liza Crawford Smith. She had 4 girls and one boy. I don't remember the oldest girl's name, but the second one was Cassie Smith Simmons. She had several children. They live somewhere near Lowndesville (S.C.). Aunt Polly and Aunt Liza are the only ones I remember seeing. Aunt Mary was my father's only sister. That was Cousin Edd's mother. I well remember him and his mother well the last time she visited us. I think Edd and Aunt Mary lived in Ga. I was very small. I heard my father talk of his Uncle John and Jim Crawford. And I knew when the last of the Crawford girls died. My father was down there. But so much has happened since then, I can't remember much. My father died in 1924 and mother in 1939. All of our family is dead but 3 girls and 1 boy, Dan. You may get some reference from Cope Drennon's widow. He is dead, but his wife still lives at or around Lowndesville, S.C. with one of her sister's children, Otto Nelson. I am 72 years old, so you know I can't remember much.

But I was very glad to know you thought enough of me to write to me. I was very small when I knew your father. I wish I could see some of you all. Please write to me again.

Annie Smith (and Rebecca Loftis)"

The fifth letter was written from John Smith to Mary Ann Mobley and copied by Maggie Mobley Hammond.

"April 1909  
Lebanon (S.C.)

Dear Cousin,

It is with pleasure I answer your kind and welcome letter. I was glad to hear you all was well. This leaves all well as common. Well we are busy in the farm. Sure is behind in our work. It rains so much I haven't got much done in the garden yet. Haven't but 30 little chickens. Ma is about the same. She sure looks bad. Cassie sure has a hard time. Do not see how she does. Well, aunts are about as when you were here. Aunt Beckie is sure feeble. Aunt Nancy makes out to do the things.

We want to plant our corn next week. That is our upland. Was sorry you could not come. Sure would have been glad if you could of come. Well, I have got me a hand to help me work and we sure will have to stir. We have so much to do. Well, as neause scarese (???) I will come to close, hoping to hear from you soon.

Your devoted cousin  
John Smith

After John died Lillie put the children up for adoption and returned to SC bef 1920. Mary and James were adopted, but Jack was not. When he was older, he returned to SC to Lillie. He is on the 1920 census in SC with her.

I find John as a boarder in Blackstock on the 1900 census. I have been told by a woman who knew the family that John was a brother to Tillman Mobley. I found Tillman on the 1900 census as the son of Samuel Mack Mobley. I assume that Mack is John's father. The 1900 census for Mack shows that there were more children than listed in the household at that time. Assuming that John is the son of Mack, I continue on to Mack's family.

Mack b. 1854 d. 1920. He was m. to Melvina and had at least Edward C. b. 1883, Robert b.1886, Boyd b 1891, Tillman b. 1892, Kate, Minnie b. 1884 (Minnie married Joe Woodward Cameron, a brother to my great-grand Lillie Cameron) and John b. 1875.

Mack Mobley was the son of Nathan Mobley and Susan Mobley. Nathan was born 1822, d. bef. 1870. His children were Issac b. 1848, Robert Jackson b.1855, Nathan Cornelius b.1858, William D. born 1860.

I have thought that Nathan might be the son of Isham Mobley, but I don't have any evidence of that. I have no information about my family on the 1870 - 1890 census records. I have looked in neighboring states and cannot find them there either. I joke that they were wandering in the wilderness with Moses Mobley. I would really like to know where they are in that time period.

I have been told that John and Lillie moved to FL to find work. Many of Lillie's brothers also moved at the same time. Most returned to SC, but a few stayed in FL. I have written to FL for info regarding John's death and the children's birth. There was nothing on file.

I have census records, death certificates for Tillman Mobley and Mack Mobley. I have Lillie Mobley's Bible recording her children. I met a descendant of Nathan Cornelius Mobley once. There was definitely some resemblance to my dad there.

Jerald Mobley, grandson of Lemuel Henry Mobley, William's brother, indicates that William was quite a fiddle player having won several trophies. He was also a very good handy-man. He worked mostly as a carpenter and Jerald has a tool case made by him as well as some of the tools. He was somewhat of a womanizer as he was married several times. Jerald says his Uncle Doll told him that John Mobley was red-headed. After John and Mary were divorced, the children never saw him again. John left before or shortly after Lemuel Henry was born and John didn't even know his name.

The fact that the original list that started this whole thing contained the name of William Adolphus and his birthdate is the only reason we were able to connect these two Mobleys to John and Sarah's children. William and Lemuel would have been Emily Amanda's half-brothers.

Notes from the family history record left by William Adolphus Mobley.

"My second wife Lillie left me Sept the 18, 1922 and sued me for divorce. Had trial Feb 1923 but she did not get the divorce so she is still a way today Dec 12, 1930. Which I still weep and grieve for her. God knows."

In these notes he states that Nancy Lillie Sweetman's birthdate is April 7, 1881, yet their marriage record was 1889 which would make her 9 years old when married. Marriage date is taken from record of marriage in Missouri.

In October of 1959 Patsy had just moved into a different house in Amarillo. Haskell Choate was a trucker on the road. She didn't have a phone installed yet and decided to go across the street to use the phone. The three younger children, Terry, Michael and the baby, ages about 5,4, and 2, were watching Captain Kangaroo on TV in the living room. Patsy ran across the street, called her sister Bessie on the phone, looked out the door and saw her house in flames. When the fire department arrived, Patsy explained the children were in the living room, not knowing they had run for safety to the bedroom and had tried to get out through the window. They had to physically restrain Patsy from entering the house and all three children and the family dog perished in the fire. Cause of the fire was never determined, although there were gas heating stoves in use in the house. The two older children, Susan and Billy were at school when the horrific event took place.

They stayed primarily in the Clinton, Lexington, Leslie AR area until Sarah's death in October of 1902. It is rumored that John murdered her. John then fled to Gassville Arkansas in Baxter County. He married a 3rd time to Sarah Atchison in July of 1903 and committed suicide in August of 1903 due to the accusation of murder.

The descendents of the children from the first marriage think John's fathers name was Isaac and that he had a brother named James. All three marriage certificates indicate he was born in Tennessee [1900 census says Indiana] and he uses no middle initial. 7/21/01

Aged Man Suicides

Laboring under the impression that he was suspected of murdering his wife, John Mobley, aged 65, took his own life at Lythia Springs, Baxter County last week. Mobley, who was a widower, was married to Mrs. Sarah Atchison at Van Buren last July. Shortly thereafter his wife, who went to the horse lot on an errand after dark was kicked and trampled to death by the stock. A few weeks ago he left home, but there was no suspicion against him in connection with his wife's death.

Baxter County Hatch and Dispatch 1903

At 1 o'clock this morning (Aug 26) John Mobley, who came to Lithia from Clinton, Van Buren County, early last spring, committed suicide by shooting himself in the forehead with a 38 calibre revolver. He had dressed himself and combed his hair ready for burial and wrote a letter, placed it in his hat by his side out in the yard. The letter stated that he had been falsely accused of murdering his wife and he would end his life rather than be taken back to his home for trial. He made a special request to be buried with the clothes he had on, and placed \$30 in his pocket for burial expenses. He was buried Wednesday afternoon at Gassville Cemetery. (note: the grave is unmarked)

Notes for SARAH JANE LANE:

From the Clinton Democrat October 18, 1902:

Last Saturday night Mrs. Jane Mobley, wife of John Mobley, of Lexington, was killed in their lot by a horse running over her. Mrs. Mobley was the daughter of Uncle Jo Lane, of Leslie, and was a good woman. She leaves her husband and five children to mourn her loss.  
Clinton Historical Society

Family Rumor:

The family has always been told that John Mobley murdered Sarah Jane. He supposedly hit her in the head with a claw hammer and some men came and took him away about a year later.

We have been able to document that he committed suicide about a year later in Baxter Co, AR. His suicide note indicated he was falsely accused of murdering his wife, although I find no legal documents to show any arrest or investigation of any kind. After being in contact with a descendent of Josie Lane White's, (Sarah Jane's sister and the family that took the children) she indicated that they too had been told that he murdered her. Whether he did or not, I shall probably never know.

The children had to have known what happened to him since his "estate" was handled by Josie's husband, JB White and they took care of the children since all of them were under the age of 18 when this took place. The fact that he committed suicide would have been a terrible scandal in those days and probably is the reason we never heard the story from Aunt Winnie because if I were a bettin' person, I'll just bet she knew it and that is why she didn't want me poking around in the family history.

Date of death is estimated by age of children on 1860 census. Since Henry H. is not listed, it is "assumed" to have died prior to 1860, but after Last child was conceived. Family lore states Henry H. and "some of his kin" are buried in the "old Mobley cemetery", located between Moro Creek (divides Calhoun and Bradley counties), and Banks, Bradley Co., AR. Cemetery was neglected and over the years, pine trees grew up. Loggers went in and cut these trees abt 1998/99, and replanted small pine trees. The young trees are too close and of a height, that makes a walk through and try to spot any remaining evidence of grave markers almost impossible at this time. A local squirrel hunter said he'd seen the graves prior to the logging, but couldn't remember if there were readable markers, or just field stones.

I have traced my family line through my Grandmother Aldora Mobley Smith (husband: Hanson Foster Smith) to her father, George W. Mobley (wife: Sarah Frances Clark - A.K.A. Fannie C. Mobley) to his father Washington Mobley (married to Mary E.) and his father James Mobley (married to Elizabeth).

James was born in 1800 (or 1801) in Virginia  
Washington was born in 1829  
George was born in 1851 and died in Hogansville, GA  
Aldora was born in 1879 and died in 1967 in Hogansville, Ga (she may have lived in Meriweather County and could possibly be kin to Henry Mobley in the book and movie "Murder in Coweta County." When I asked my father if he knew the actual people in the book he said yes to John Wallace, and when I mentioned Henry Mobley he said nothing, then finally he said, "Your grandmother, my mother, was a Mobley" and he left it at that.

If you have any information on this side of the Mobley family, I'd greatly appreciate. Except for James in Virginia and those from Hogansville, GA; I have no clue to their residences and travels.

FORT WORTH -- **Edgar North Mobley** passed away Thursday, May 10, 2001, in Fort Worth. Memorial Service: 2 p.m. Sunday, May 20, 2001, at Northside Church of

Christ in Fort Worth.

**Edgar North Mobley** was born Feb. 3, 1918, to **Sarah Frances and William Jacob Mobley**, who preceded him in death.

He was preceded in death by his wife, **Margaret Helen Mobley**; and sisters, **Stella** Gardner and **Ruth** Davis.

He was valedictorian of Northside High School and graduated from the University of North Texas. Mr. Mobley was a chemist for General Dynamics and Whitco of Fort Worth. His strong and lovely voice was heard throughout many Churches of Christ in North Texas. His talent for songleading was enjoyed by many. His family even sang to him as he gently went to heaven. Edgar was a deacon in the Church of Christ, taught Sunday school, led a nursing home ministry and attended many mission trips. His bright smile and quick humor kept those around him jovial. His sharp intellect kept those around him intrigued. He loved his family and friends with great depth. He acquired nicknames such as "Squeaky," "Tiger" and "Egad." Trips to Colorado with family and friends were special to him. He was very involved with Castleberry Band Boosters, PTA and Indian Guides.

Survivors: Children and their spouses, **Teresa** and Kevin Grunewald of Mansfield, **Bruce** and Sally Mobley of Fort Worth and Dr. **Michelle** and Kevin Loftus of Dallas; loving granddaughters are Laura and Katherine Grunewald; a twin brother, **Jake Mobley** of Granbury, sister, **Ellen** Hughes of Crowley, and sister, **Mary** Washam of Fort Worth, also survive him.

Subject: Mobleys of Washington Co., Ky./McLean Co., IL.

Date: Fri, 29 Jun 2001 11:29:06 EDT  
From: GDanman311@aol.com

My name is **Janet Frances Mobley** Goodnite. I was born in Ky. and lived in Washington Co. for several years before my father moved us to IL. I was actually born in Marion Co., Lebanon, Ky., Jan. 22, 1947, if that is any help. I have one sister whose name is Mary June Mobley Watson. She was also born in Lebanon, on June 4, 1948.

My father's name is **Willard Mobley**. There might be an L. as a middle initial. He was born on Mar. 4, 1917 in McLean Co., IL., as was his father. I understand they did a lot of moving back and forth. As far as I know, though, most of the time they lived in KY.

My grandfather was called **J.L. Mobley**. I think that was short for Jack. He married **Clora Mae Dearinger**, my grandmother. He might have a previous marriage listed. His father was **John Thomas Mobley**. I don't know where he was born. My grandfather died in 1949, I believe.

John Thomas Mobley was married to **Rachel Ann Long**. They are buried in Cornishville, Ky. Some of their other children were, Delois, Samuel, Erastus, (buried in McLean Co., IL, I think). There are several others whose names I don't have. I believe there is a daughter who is buried somewhere in Kansas. Her name might be Ann.

My dad's siblings are;

**Roy, Annie, Lyle** all deceased and buried in Willisburg, Ky. They all died quite young.

He also had a brother named **Floyd** who is buried in DeKalb, IL. (d. 1980), a sister named **Alberta Mobley Kyler Dean**, who is buried in Richmond, KY, (d. 1997) and **Ella Mae Mobley Johnston**, who lives in Louisville, Ky. I believe she was born in 1931, in Ky.

 Carl, In my Mobley research, I have found out **Isaac Steven's** mother was **Angeline Mobley**, born in Missouri about 1831-32. She had two kids, apparently out of wedlock, **Isaac** and a brother **Jerry (or Jessy)**. She married **Sterling Shipp** (a widower) about 1855 and had 3 kids with him as well. He has several kids from an earlier marriage and they combined the whole family. **Isaac married Lurinda Prewitt (Pruitt)** They had 6-7 kids together. I have found nothing further on his younger Mobley brother. Trying to get Isaac's death certificate to see if anyone knew anything about his mother or father in 1923 when he died. Although Angeline and Isaac started in Texas County, the family ended up in Oregon County.

I mentioned Isaac's son **John Aaron's** first wife who was killed with their two young kids before he **married Rose Forester**. Her name was **Frances Wooten**. John Aaron's older sister **Angeline** was married to Frances' cousin **Fate Sparks**. Frances, her two young Mobley children, her two sisters, her mother and her father were killed in an accident in October 1897 when the covered wagon they were in was hit by a train. I have a copy of the article from the local newspaper. He eventually came back to Oregon Co. where his family was and married his younger brother's girlfriend. They were married until she died in 1952.

I have found out that Isaac Steven Mobley's mother Angeline was not after all a Mobley by birth, but married to one. Her maiden name was Seeth or Selth. Isaac was born in November 1848, his brother was born in early 1851. The census was taken in late summer 1850. Her husband must have died sometime in 1850 before the census shortly after she became p.g. with their second child (Jerry or Jessy). It looks like the two Mobleys I found in the 1850 census for Wright County may be my Mobley ancestors. I'll let you know what I find out. Charlene

I would like to join the Mobley family. My mother was a Mobley, my grandfather was **James Madison Mobley**, ggrandfather was **Elie Mobley**. I think I corresponded with you several years ago. I was teaching at a community college in Arizona, when I left the address disappeared. I want to join in the Mobley clan. I am trying to piece together the family history. They are all gone except an uncle **Lester Roy Mobley**, Arizona, 80's. My mother is gone. I want to gather as much family history as possible. I found a picture of a headstone with Elie Mobley born Oct 16, 1800, died Aug 6, 1885. I hope this is my ggrandfather.

This is a rundown of what I have so far. My mother, **Minnie Ruth Mobley**, **James Madison Mobley**, b June 1863, **Elie Mobley**, married to Mary E. Dealin (Deatin). Grandmother was Mary Eliza Jordan, married to James, her father was Garrett Jordan, mother Eliza Jane Hume.

I know grandpa James had a son named John that lived in Texas, before he married my grandmother.

My great-great grandmother was Victoria Irene Mobley, born July 1853 in
Toronto Canada. Came to the U S as a young girl and married my great-great
grandfather James LaZier in 1871. She died in Braidwood, IL 24 April 1913. I
am looking for any information on the families of either Victoria or James.
She had a brother, Lawrence. I just received a copy of her obituary (1913).
It states that she was born in Toronto and came to Junway, IL and then to

Whitewater, WI. She moved to Chicago in her teens and met and married James Lazier. It also says that her parents died when she was in her early teens.

I am looking for information on my Great Aunt Lucy, or **Lucille Mobley** who passed away in Lake Geneva, Wisconsin around 1934. She is my Grandmother, **Victoria Mobley's** sister. I was around 10 years old when she passed away. I can remember my family driving to Lake Geneva to receive an inheritance. I'm not sure of the year of her death but since her estate was being distributed at that time, it had to be around 1932-34.

She was born in Toronto as far as I know, since Victoria was born in Toronto. Victoria went to Chicago when she was very young. I am hoping someone has a birth certificate, or obituary notice that mentions her sister, my grandmother, and their mother. I have not been able to find anything on either her father or mother. Information passed down from my father is that Lucy used to visit Victoria who settled in Braidwood, Ill.

Thanks, Peg

I have some of the information that you need. My grandmother, Nelle Lazier Pogliano wrote some things down for me before she died. My email is [LASaso@aol.com](mailto:LASaso@aol.com)

I too am looking for my past. I am related to the LaZier's.

I know that a relative is named Nina Maynrrd LaZier and they come from Canada.

I have a Nina La Zier, born Canada, who married James or Joseph Chappée at St Louis, Missouri and had a daughter Sarah M Chappée born 1904 at St Louis.

The Nina La Zier you could be talking about could be my Great Grandmother Nina La Zier. Her daughters Margarate, Lela, Sara and my grandmother... (Dorothy Alice Chaput (Chappée) (Glatt) and sons James and Lester Chappée. Nina was married to James Chappée Sr. If there is anything else I can help you with please contact me! Nina became Nina Chappée (Chaput)

My paternal great-grandfather was **Harold C. Mobley (James B in 1900 census?)**, married to **Indiana Josephine**, who was from Alabama? I believe that my great-grandfather lived in Union, MS. They had 8 children - 5 boys, 1 girl, and two infants who are buried in Union, MS. At some point, the family seemed to move down to Lumberton, MS., which I guess is not too far from Union or Hattiesburg. The children are listed in the following order :

One of my mother's grandfathers was a **Samuel Thomas Mobley** of Montgomery Co., MD. He was married to **Julia Ann Arnold**. They lived in the Clarksburg area and are buried on what used to be Herman Rabbitt's farm on Cloppers Road. Samuel was born in 1829 and I have been searching for the name of his father. My mother tells me it was possibly Basil Mobley, but I can't find any proof of that. [15212]

Samuel Thomas Mobley was the father of Basil Mobley. Basil Mobley was a dairy farmer in Montgomery County , Md. all of his life. He resided in a small town called Derwood, Md. and passed away approx. 30 years ago. When he died, he was one of the most wealthy men in the county. worth millions. He once served as the chairman of the Maryland, Virginia, D.C. Dairy association. and is easily located in the County Court House Records. Basil died in Europe while on vacation, England I think. When he died, he had two children. Both Girls. Last I heard, they both moved to Marylands Eastern Shore. Dont know the age of the oldest, but the younger would be approx. 56 by now. Both are big land owners on the Eastern Shore of Md. I think the younger ones first name is Pauline. Basil was a distant relative of Ours, and our grandfather used to visit him from Missouri from time to time.

I checked the 1920 and 1930 census for **Sidney W. Mobley**. On the 1920 he was  
age 45--which means he would be about 5 or 6 on the 1880 census. On the 1920  
the family was in Corinth, Heard Co, Ga. They moved to Coweta Co between the  
1920 and 1930 census.

The 1880 census Sidney Mobley found in the HH of James and Elizabeth(?)

age 9; Sidney age 6; Nannie age 3; and Dee (a male) age 6 months. All born Ga.  
On the 1930 census William J is age 22 and still enumerated in HH with

only other Mobley in Heard Co is a William and Susanna Mobley. He's 72 bn SC

Grandfather: **John Joseph Mobley**, came to Escambia County Florida 1880's. (census) with **2 brothers, William and Henry**. They are listed as stepsons for Samuel Brooks.

John was married to Georgia Ann Majors Reagan. They had four children.

Ollie, Luna, Thomas & Joseph. (twins)

Georgia Ann died in an accident and John married Claudia Overstreet. They had five children.

I know about John's decendants but nothing else. I assume his mother was Sarahann as listed with Samuel Brooks. John was born in Georgia, his brother's birthplace is listed as Alabama. I know the family was supposed to have lived in Mississippi at some time. I know nothing else of John Joseph Mobleys family. Nothing about his brothers or his father's name. Born about the time of the Civil War, there was probably a lot of moving around.

the only info. I have on **Isham Mobley** is from the 1850 census in Fairfield Co. S.C. On page 241 he is listed with **Mary (Hill Chapman)**, her children from a previous marriage, and their son **James Thomas Mobley**. Isham is listed as 25 yrs. old. Isham was a pvt. in the Civil War, and I have a little slip of paper that says he died of measles and is buried somewhere near St Marysville La. The family next door on the census are William (age 50) and Margaret Hill (age 53). I am only guessing that these are Mary's parents.

The last person in our line to bear the Mobley name was Harold who died as a child in a fire. I don't have any other dates as all of James Thomas' children were sent to orphanages or relatives when their mother died. My Colvin relatives have extensive records, and if you should need any information on Crosbys, Feasters, Petries, Hardwicks, or Mayfields I may be able to help you out. I know that members of all these families came together by wagon train to northern Louisiana beginning in 1835.

On Sept 8, 1915 Fred Cody Miller and Flossie Virginia Minor were married and lived to have 28 years together. She died on July 27, 1974 and he on June 17, 1977.

To this union were born six children. Two sons, born in 1916 and 1918, died in infancy. Helen, born on July 16, 1920; Elmer (Buddy) born on July 23, 1925; Evelyn Leah born on Dec 23, 1928; and Mary Ann born Mar 19, 1934. Elmer died in March, 1933.

I, Helen, attended Graysville Grade School then Moundsville High School, graduating in 1938. Some of my fondest memories are of these school years and the devoted teachers I had.

In 1939 I met **Charles E. Mobley**, also a Marshall County native being the son of **Jess C. and Lela Gump Mobley**. His family consists of one brother, **Robert**, born on Nov 30, 1916 and two sisters, **Madelyn**, born on Mar 8, 1920 and **Phyllis**, born on Oct 28, 1922. We were married on June 15, 1940 and have worked together in Graysville Methodist Church and community affairs trying to give love and service to God and our fellow man. Our union was blessed with two children; **Joyce Lee Mobley**, born on Nov 18, 1941 is married to John E. Bopp and employed in the Tax Office at our County Courthouse. They are the parents of two sons, David and Jack Bopp.

**Charles Franklin Mobley** was born on Sept 2, 1947 and is married to Judy Ann Leech Mobley and they are the parents of two sons, **Charles Edward II** and **Brian Daniel Mobley**. Frank served 18 months in the Vietnam Conflict as a member of the U.S. Navy.

Charles was employed for 26 years at Fostoria Glass in the Cutting Department, leaving in Oct 1970 to join the Ohio Power Mitchell Plant. He retired in April 1981. Since that time we have been privileged to do some traveling, but nowhere have we been that has appealed to us as better than Marshall County - our home.

It might help to know that the descendents of Charles Stuckey wife Ann Cary. lived in Isle of Wight Va. Then the majority migrated to Edgecombe co.NC, then to Sumpter county SC.

I have been going over my notes, and have found something I copied that will probably be of value: this is as far as I know the first indication that George Moble had some heirs.

Upon motion of Thomans Harmon. att. of William Stuckey, ordered Will of

be also recorded and John Crombie said on oath that he writ the above paper  
on the direction of said **George Moblee**, his last will and afterward made a

-----  
This is part of a letter I wrote to another researcher

"I think we need to find a copy of the will of George Mobley. It might answer  
some questions. I do think there is a link between the William Stuckey of New  
Hanover and the William Stuckey who inherited in Chowan, but we need proof,  
and the only way I know how to find it is to follow the family names when  
there is no clear cut document. My next county I am going to search through  
is Halifax County NC, (just because it is close to the other counties and I  
found some family names) In Southhampton County VA.

I have found references to the Howells and Mobleys, Carys, Scarbroughs, and  
Doles there. Perhaps I will find something of value"

This was included just to let you know some of the areas I have researched.  
Thanks again, Ginger Powers 12/9/04

THE PROCEEDINGS OF THE OLD BAILEY REF: T17300408-40, LONDON, ENGLAND

John Francklin , John Pittam , and **John Mobberly** , were indicted, the first for the Murder of John Fox , the 12th of March last, by beating and striking him on the left Part of the Breast, and other Places, of which Bruises he languished from the 12th of March till the 17th, and then died; and John Pittam and John Mobberly for being present, aiding, and abetting the same .

They were likewise indicted a second time for the unlawful slaying the said John Fox.

There were several Evidences, as John Lough others , who depos'd, That he heard and going to a Stable, saw the Deceased down on some Straw, and the Prisoner Francklin fighting with him, and the other Prisoners present, but knew not the occasion of the Quarrel; that as they fought, sometimes one was down, and sometimes another.

William Fox , the Father, depos'd, His Son, the Deceased, came Home, and told him, that three Fellows, mentioning the Prisoner's Names, had fallen upon him, and almost knocked him on the Head; that he went to Bed, and continued very ill, and the next Morning desir'd to be blooded, and complained of a Pain in his Side; and he had afterwards a Looseness, a Vomiting, and a Fever, and died in five Days after.

Mrs. Fox depos'd, That the next Morning he complained of a Pain in his Stomach, and said, Father, I shall Die.

Paul Lewis , a Surgeon, depos'd, That he opened the Body of the Deceased, and found no Marks of Violence about it; and that it did appear to him that he dy'd a natural Death.

John Baker , a Surgeon, depos'd, That he was at the opening of the Body, and there See original was a great Inflammation of the Lungs. He being ask'd, if there were no Bruises on the Body? He reply'd, There were some Bruises. He being ask'd, Whence he thought the Inflammation of the Lungs proceeded? He answer'd , He believ'd it might be from a Fever, and that the Fall and Blows might throw him into a Fever.

The Prisoners call'd several Persons to their Reputation; the Jury after a full hearing of the Matter, found John Francklin guilty of Manslaughter , and acquitted Pittam and Mobberly

My name is **Susan Mobley** (Watkins). I'm 46 and live in California. I'm the head of elementary counseling for a local school district here. I've got a couple of Master's degrees--in Linguistics and Education plus my teaching credential and my counseling credential. I have no children, nor do my sister or brother (the last Mobley of this branch), so with us this limb of the family tree is ending. My address is 31201 San Timoteo Canyon Road, Redlands, CA 92373. Phone # is (909)648-8080.

My father was from Indiana, and I have been able to trace back only 4 generations of Mobleys. The farthest back I have is **William Mobley** who was born ca. 1813 near Wilmington, North Carolina. I have found him on the 1880 census living in Frankfort, Clinton County, Indiana working as a cooper. He married Artemsy Mumbowers of Tennessee in Wayne County, Indiana on 11-7-1845. They had 9 children I am aware of: **Thomas Jefferson**, born 8 Aug 1846; **Lucretia Ann**, born 16 Sept 1848; **James R.**, born 14 Sept 185?; **Sarah Mahaley**, born 6 Sept. 1853 and died 6 Aug 1854; **Mary Adeline**, born 12 Oct. 1855; **Alfred Mendorious**, born 18 Dec. 1858; **Joseph K.**, born in Wawasee, Indiana 23 Aug. 1863?; **Emma C.**, born 9 May 1864, and **Wm. Sherman**, born 13 Sept. 1866. The trail ends with William--on the census of 1880 the place of birth for his mother and father is listed as "unknown"--I can't figure out why this is--there is family lore that there is Native American blood up the Mobley line--perhaps this is the explanation for William's ignorance of his parents' birthplaces, or maybe he was an orphan, runaway, had been indentured out...maybe someone out there has some info. for me.

Joseph K. is my great-grandfather. I have his birth as in/near Wawasee, Indiana on 23 Aug. 1863 (or so). (But on the 1900 census, his place of birth is listed as North Carolina) He married Mary Susan Wimer of West Virginia on 9 April 1882 in Tipton County, Indiana. He was also listed on the 1930 census living in Tipton, Tipton County, Indiana. **Joseph and Mary Susan** had 6 children: an **infant boy** who was born and died on 18 July 1882 in Tetersburg, IN; **George William**, born 10 Oct 1883; **Sylvester H.**, born 23 June 1886; **Frank Lee**, born may 1890 & died 2 Oct 1974; **Mattie/Martha**/Mrs. Paul Lucy of Peru, Indiana, born Dec 1893; and **Charles Adam**, born 2 June 1896 & died 11 Feb 1967. (George William, my grandfather's oldest brother is the father of Mary Ann Mobley, Miss America 1959).

**Charles Adam** Mobley was my grandfather. He married **Thelma Mae Webb** and they had 3 children: **Joyce Ann** Mobley born 25 Jan 1922; **Forrest Lee "Bud"**, born 20 Feb 1924; and my father, **Charles Eugene**, born 18 July 1929 & died 2 Aug 2002--all 3 were born in Elwood, Indiana. My father and his 2 siblings all ended up in California. My aunt Joyce had 5 children: Christie, Carla, Tom, Cindy, and (I can't remember--we aren't close). Uncle Bud had 2 daughters: Debi and Laurie, and we had 3: me (**Susan**), **Nancy**, and **Patrick** (the last Mobley of this branch). Patrick is currently in the Navy and is stationed in Norfolk, VA--the 3rd generation to serve in the Navy.

That's about all I know...please let me know what I do next to become a subscriber or how I might come in contact with anyone who can help me in my search. Thanks so much.

Sincerely,  
"Cousin" Susan

None of us have had children, so our branch of the Mobley line will be coming to a halt. I am interested in the web book *The Mobleys and Their Connections*. A posting on rootsweb.com said I could access it through this site. I would love to see it if possible & am interested in any info. I could get re my gggrandfather William Burrell Mobley of NC--there don't seem to be a lot of Mobleys in NC, and I've hit a brick wall on my research there. I read somewhere that William was born near Rockingham, NC if that's any help to anybody.

Sincerely,

Susan M. Mobley-Watkins

This is what I have been able to confirm based on my mothers' and grandmothers' efforts of many years ago. My mother had a link - Noah Mobley as the son of Clement Mobley, Jr / Phoebe Lashley, but that does not seem to stack up, date wise, as far as I can see from checking on line. From what I have seen on ancestry.com, it looks like there is quite a lot of Mobley history out there, but I can't make the connection. It could be that the "Noah" name was a middle name or nickname, but he shows up in the 1850, 1860, 1870 and 1880 census - which conflicts with the death year that my mother had listed (1869). These census listings show my GGrandfather (Andrew Mobley) and his brother (Alexander Mobley) of the correct age based on independant info that I got from my mother. I also have found a **marriage listed in Posey County, Indiana from 7/31/1853** between Noah Mobley and Martha Clark that jives. It also looks like he had a second wife (Mary) with 3 additional children that show up on the 1870 & 1880 census.

Obviously there are many siblings, aunts & uncles and cousins that I have info on. Let me know what format you would like & how much info.

Thanks, Ray Krom

MORRILTON - **Max J. (ames) Mobley III** resident of Morrilton convinced a doctor that he had died on September 24, 2010. Max was born at St. Anthony's Hospital on **September 12, 1943**, his mother died a few weeks later. Mickey, as he was called in childhood, was raised by Judge Audrey and Mary Strait while **Max II** served as a physician in the Army in Europe. The family moved to Russellville in 1948 where Mickey frustrated nuns in a two-room Parochial School in Dardanelle. Subiaco Academy and St. John's Seminary provided high school education. Arkansas Tech, Catholic University of America and the University of Arkansas at Fayetteville came later. **Sally Jo McGloflin**, whose early childhood was spent next door, found Max again in college. The two married in 1965 and soon left for Peace Corps in Liberia, West Africa. Upon return Max got over on professors well enough to be granted a Ph.D. in psychology. He also managed to co-produce with Sally two fine sons, **Max J. IV** and **Harold Blaise** Mobley He fed the family by doing research at the Center for the Study of Crime Delinquency and Corrections at Southern Illinois University, working in Mental Health at the West Central Arkansas Human Services Center and teaching at Northern Kentucky State College. However most of his career was a life sentence in the Arkansas Department of Correction doing almost 30 years from 1976 to 2006.

He was fortunate to have a wife who didn't justifiably kill or mutilate him in his sleep, two boys more normal than he was, a number of good mentors, friends that were better than he deserved, and a number of his failures and aberrations that drew blessedly little notice.

He died regretting only that he had not shown more love and courage in standing up for people and principles that deserved more. He requested no flower or memorials, only that those who care to, think kindly and do an act of love and kindness for their neighbor. Cremation arrangements by Rosewood Cremation of Morrilton.
